(Pages 3 - 6)

3 **Item requested at the last meeting: United Utilities to update on plans for flood water storage tanks in the Borough**

Iain Pilling, United Utilities (UU) Stakeholder Manager for Lancashire, and Matt Wilkinson, Better Rivers Lead – Lancashire, will attend to give an update on the Better Rivers Programme for Chorley, provide details of the schemes UU will be completing in the next few years and the positive impact they will have on the environment and answer any questions.

4 **Item requested at the last meeting: Central Lancashire Local Plan**

The Head of Spatial Planning, Zoe Whiteside will to give an update and answer any questions.

5 **Questions from Members of the Liaison and the public**

In order to allow members of the Liaison and members of the public to raise issues of local concern, a period of 20 minutes has been set aside.

A member of the public may speak for no more than 3 minutes. Members of the public are not required to give notice of the issue they intend to raise, although it is expected in the case of service issues that the appropriate mechanisms for resolving the issue have been explored.

Where a question is raised which cannot be answered at the meeting, a record will be kept by officers supporting the meeting and it will be responded to via the appropriate mechanism.
