Proposal: Outline application for the erection of one detached house (Max height to ridge 9m)  
Location: Land South of 1 Springs Road, Chorley  
Decision:  
It was proposed by Councillor A Lowe, seconded by Councillor D Gee, and subsequently **RESOLVED (7:0) to defer further consideration of the proposal to allow the Committee members to visit the site of the application.**

**07.DC.80 PROPOSED CHANGES TO PERMITTED DEVELOPMENT RIGHTS FOR HOUSEHOLDER MICRO-GENERATION**

The Committee considered a report of the Director of Development and Regeneration on proposed changes to the planning system in relation to permitted development rights for householder micro-generation installations.

A consultation document had set out the Government's proposals to assist the installation of micro-generation equipment for domestic properties. The revised planning system aimed to remove the need for planning permission for small scale domestic energy capturing installations. The guidance would clarify the criteria and limitations of the scale of the equipment that could be provided under permitted development rights and highlight the requirement for any installations which exceed those limits to obtain planning permission.

The Director's report contained a summary of the questions posed within the consultation document, together with the recommended responses to the individual questions.

**RESOLVED – That the report be noted and that the suggested responses to the Government's consultation document on householder micro-generation developments be endorsed.**

**07.DC.81 PLANNING APPEALS AND DECISIONS - NOTIFICATION**

The Committee received a report of the Director of Development and Regeneration giving notification of the lodging of two appeals against the refusal of planning

permission, one appeal that had been dismissed and two appeals that had been allowed.

**RESOLVED – That the report be noted.**

**07.DC.82 PLANNING APPLICATIONS DETERMINED UNDER DELEGATED POWERS FOLLOWING CONSULTATION WITH THE CHAIR AND VICE-CHAIR OF THE COMMITTEE**

The Committee received for information, a table listing a number of planning applications for Category 'B' development proposals which had, or were intended to be, determined by the Chief Officer under the adopted scheme of delegations, following consultation with the Chair and Vice-Chair of the Committee.

**RESOLVED – That the report be noted.**

**07.DC.83 PLANNING APPLICATIONS DETERMINED BY THE CHIEF OFFICER UNDER DELEGATED POWERS**

The Committee received for information a schedule listing the remainder of the planning applications that had been determined by the Director of Development and Regeneration under delegated powers between 7 May and 9 June 2007.

**RESOLVED – That the report be noted.**

**07.DC.84 AMENDMENT TO COUNCIL'S SCHEME OF DELEGATION**

The Committee received and considered a report of the Director of Development and Regeneration recommending a revision of the current scheme of delegations in respect of planning applications.

The report reminded Members that, under the Council's current scheme, the decisions on all planning applications that required a Section 106 Agreement had to be determined by the Development Control Committee.

There had been an increase in the number of applications for residential development requiring to be presented to the Development Control Committee since the lifting of the Windfall Housing Policy in December 2006. This had consequently impacted on the Council's Best Value Performance Indicators as applications were taking longer to process and determine.

The Committee was, therefore, recommended to endorse a request for the Council's sanction of an amendment to the scheme of delegations to allow more flexibility in the manner in which applications that required the payment of a commuted sum for play space were determined.

**RESOLVED – That the report be noted and that the Council be recommended to amend the scheme of delegations to allow (i) the Director of Development and Regeneration to determine planning applications for schemes requiring a Section 106 Legal Agreement for play space, where no objections had been lodged; and (ii) the Chair and Vice-Chair of the Development Control Committee, in consultation with the Director of Development and Regeneration, to determine applications whenever objections are received, subject to the usual considerations.**
