CHORLEY BOROUGH COUNCIL**LICENSING ACT 2003****SUB-COMMITTEE****GENERAL PROCEDURE POINTS FOR HEARINGS****INTRODUCTION**

The Licensing Act 2003 Sub-Committee will conduct hearings in accordance with the following general principles:

- All parties have a right to a fair hearing.
- Decision-making will be conducted in an open, transparent and accountable way.
- Each application will be determined on its own merits and the decision will be based upon:
 - the merits of the application
 - the promotion of the four licensing objectives
 - the Council's Statement of Licensing Policy
 - the Guidance issued by the Secretary of State for Culture, Media and Sport under Section 182 of the Licensing Act 2003
- the Licensing Authority will only permit licensing decisions to be taken by sub-committee consisting of three members. In the event of one member being unable to attend, the Licensing authority will use its best endeavours to substitute another member, taken from the membership of the Licensing Act 2003 Sub-Committee reserve list.
- the Sub-Committee may disallow cross-examination in exceptional circumstances; this decision will be taken on a case by case basis with a presumption to allow. However, parties are advised that the Sub-Committee wishes to discourage hostile cross examination.
- late representations and evidence will usually only be considered with the agreement of all parties present.
- decisions will generally be taken regardless of whether the applicant/other party is present unless the Sub-Committee consider it necessary in the public interest to adjourn the hearing to a specified date. All notices and representations from absent parties will be considered.
- the Sub-Committee will generally allow parties a maximum of 30 minutes per party to make all relevant Statements. However, the Sub-Committee recognises that in certain circumstances this may be insufficient due to the complexity of the issues involved. In this situation the Sub-Committee will consider representations from those parties involved in the hearing as to the length required to make all relevant statements. The Licensing Authority respectfully requests that all parties keep points pertinent and the discussion moving in the interests of cost and efficiency.

- the Sub-Committee recognises that Regulation 14 requires all hearings should take place in public unless the licensing authority “considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing taking place in public” in which the applicant, those assisting the applicant or other interested parties can be excluded. In the absence of any criteria in the Licensing Act 2003, the guidance issued under section 182 of the Act or the licensing Regulations, the Licensing Authority has adopted the existing criteria in Schedule 12A of the Local Government Act 1972 for excluding the press and public. The public and press will be excluded when the Sub-Committee is considering an application for a personal licence, where Lancashire Police have lodged an objection notice due to an existing relevant offence(s). Generally, the public and the applicant will be excluded when the Sub-Committee is determining a decision. Once a decision has been made all parties will be readmitted and the Chair will announce the decision and give reasons.
- all parties will be notified of the decision in accordance with any periods set down by the Licensing Act 2003 or where none are prescribed within 5 working days.
- the Sub-Committee has the right to exclude any parties behaving in a disruptive manner at the hearing at its own discretion.

RELEVANT REPRESENTATIONS – RESPONSIBLE AUTHORITIES

11. There has been a relevant representation received to the application to vary from the Police. The objection is relevant to the Licensing Objective – Prevention of Public nuisance .
12. A copy of the representation in full is attached to this report in Appendix 2. In summary - the Police feel that the hours applied for live music are excessive for the area that the premises are situated i.e. by a large residential area. The police therefore object to the 01.00 hours for the entertainment.

RELEVANT REPRESENTATIONS – INTERESTED PARTIES

13. There has been a relevant representation received to the application to vary from an interested party who resides close to the premises. The objection is relevant to the following licensing objectives - Prevention of public Nuisance
14. A copy of the representation in full is attached to this report in Appendix 2. In summary ,the interested party states that although the Licensee currently keeps an orderly house they wish to object to the application to extend the licensing hours until 1am on the basis that the premises are located in a residential area and there is already noise disturbance from customers leaving the premises at night. the interested party is of the view that the

extension of hours would be wholly unacceptable into the early hours of the morning during the days of the week proposed when having to get up early for work. The interested party states that disturbances currently range from loud talking, discarded bottles being left on their premises from parties walking home passed their house, car alarms going off, unnecessary revving of engines, slamming of car doors from patrons parked on the car park.

15. The interested party also objects to the proposed extended entertainment licence because this public house is not acoustically sound proofed and noise disturbance into the early hours at weekend would again interfere with our quality of life.

POLICY CONSIDERATIONS

16. Section 4 of the Licensing Act 2003 provides that a Licensing Authority must have regard to its Statement of Licensing Policy and to the guidance issued by the Secretary of State under Section 182 of the Act.

17. As members will be aware the four licensing objectives are as follows:

- the prevention of crime and disorder;
- public safety;
- prevention of public nuisance;
- the protection of children from harm.

18. The Licensing Act 2003 provides that where relevant representations are received the Licensing Authority must hold a hearing to consider them unless the parties agree that a hearing is unnecessary.

19. The Licensing Authority in determining the application, having have regard to the representations, may take the following steps it considers it necessary for the promotion of the licensing objectives.

- i) reject the application in whole or in part
- ii) modify the conditions.

20. Members must have regard to the Statement of Licensing Policy when determining this application. In particular, member's attention is drawn to the following paragraphs:

Paragraph 1.3 The policy provides guidance on the general approach the Council, as Licensing Authority, within the meaning of the Act, will take in terms of licensing, However, each application will be considered separately, on its individual merits.

Paragraph 1.4 The Statement of Licensing Policy sets out how the licensing objectives will be achieved and to secure the safety and amenity of residential communities whilst facilitating a sustainable entertainment and cultural industry. The Policy recognises both the needs of residents for a safe and healthy environment in which to live and work and the importance of safe and well run entertainment premises to the local economy. Balancing these interests will not always be straightforward and will be guided by the four licensing objectives.

Paragraph 1.5 This policy does not seek to undermine the right of any individual to apply under the Act for a variety of permissions and as stated above each application will be considered on its individual merits. Nor does the Policy seek to override the right of a person to make representations on an application or seek a review of a licence or certificate. However, the Council in adopting this policy is indicating that a wide range of considerations will be taken into account.

Paragraph 2.2 Each of the licensing objectives are of equal importance with these objectives.

Paragraph 2.3 Each of the licensing objectives is of equal importance for the purposes of this policy.

Paragraph 2.4 This policy statement is designed to deal with matters within the control of the licensee. It focuses on the premises in which each business is carried on and the effect that has on members of the public living, working or engaged in normal activity in the vicinity.

Paragraph 2.5 Licensing law is not envisaged by the Licensing Authority as a mechanism to control anti-social behaviour by individuals once they are beyond the direct control of the licensee of any premises concerned. Therefore any terms and conditions imposed will be focused on matters within the control of individual Licensees and others granted relevant permissions. These matters will centre on the premises and places used for licensable activities and in the vicinity of the places.

Paragraph 2.6 The Licensing Authority considers that every holder of a licence, certificate or permission and designated premises supervisor is responsible for minimising the impact of their activities and anti-social behaviour by their customers within the vicinity of their premises.

Paragraph 5.3 The policy will not fix the hours during which alcohol can be sold. The Licensing Authority considers that stricter controls regarding noise nuisance may be necessary in more densely populated areas. The grant of a licence will be dependent on the impact of an activity on the licensing objectives.

Paragraph 7.1 The policy recognises that longer (more flexible) licensing hours can contribute to easing crime and disorder problems by ensuring that concentrations of customers leaving premises simultaneously are avoided thus helping to reduce friction at taxi ranks, private hire offices, fast food outlets etc.

Paragraph 7.2 Individual applications will be considered on their merits and in general terms a flexible approach will be adopted. Fixed predetermined closing times for particular areas will not form part of the policy and restrictions on trading hours will be considered only where necessary to meet the licensing objectives.

Paragraph 7.3 The Licensing Authority, however, considers that the risk to disturbance to local residents is greater when licensable activities continue late at night and into the early hours of the morning as the ambient noise levels will be lower. The Licensing Authority may impose stricter conditions with regard to noise control in areas, which have denser residential accommodation, but each premises will be considered on its individual merits.

Paragraph 7.5 The Licensing Authority also recognises the principle of 24 hour opening of all licensed premises. However, it considers that longer opening hours may be more acceptable in commercial areas with high levels of public transport. The grant of a licence will in all cases be dependent on the impact of an activity in relation to the licensing objectives.

Paragraph 7.6 Where relevant representations are received, the Licensing Authority may have regard to the following where relevant (though this is a non exhaustive list);

- the nature of the area where the premises are located (e.g. commercial, residential);
- arrangements to ensure adequate availability of taxis and private hire vehicles, public transport;

- whether appropriate car parking is readily accessible to premises and whether the use/parking of vehicles would cause a demonstrable adverse impact on the amenity of residents;
- whether the licensable activities are likely to cause adverse impact especially on local residents and whether appropriate measures will be put in place to prevent any adverse impact;
- in relation to the grant of a new premises licence whether the premises will give rise to a negative cumulative impact on one or more of the licensing objectives.

In assessing the impact of the activity proposed the Licensing Authority may consider a number of factors inter alia,

- the type and scale of activity, the number and nature of clientele likely to attend;
- the levels of noise from the premises, which may be acceptable later in the evening;
- the proposed hours of operation;
- the levels of public transport accessibility for customers and the likely means of public or private transport that will be used, access to private hire/taxis;
- the means of access to the premises eg whether on principal pedestrian routes;
- the level of car parking demand on surrounding residential streets and its effect on local residents, and movement of traffic;
- the cumulative impact of licensed premises in an area and scope for mitigation
- frequency of the activity.

Operating Schedules to set out the measures to be taken to ensure that the licensing objectives are addressed. Applicants are also referred to paragraph 6.6

Paragraph 13.1 Licensed Premises have significant potential to adversely impact on communities through public nuisances arising from their operation.

Paragraph 13.2 The Licensing Authority is aware of the importance of the licensed trade to the local economy as well as in cultural and social terms. The Licensing Authority is also concerned to protect the amenity of residents and businesses in the vicinity of licensed premises. 'Vicinity' is not defined in the Act or Guidance issued by the Secretary of State. Whether or not incidents can be regarded, as 'in the vicinity' of licensed premises is a question of fact and will depend on the particular circumstances of the case.

Paragraph 13.3 The Licensing Authority will interpret 'public nuisance' in its widest sense and include such matters as noise emanating from the premises, light, litter, odour and anti social behaviour where these matters impact on those living or working in an area.

Paragraph 13.4 Activities that involve public entertainment, drinking or eating, have the potential to impact adversely on their surrounding areas due to noise, litter, and odours. There is also the potential for disturbance caused by those attending licensable activities. Late at night the impact of licensed activities is likely to be more objectionable to residents living close to a licensed activity, as the ambient noise levels are often lower so noise disturbance becomes more noticeable.

Paragraph 13.5 The policy allows for later opening hours except where there will be an adverse impact on the licensing objectives. In general the Licensing Authority will expect more comprehensive measures to be proposed at late night venues and/or where there has been a history of public nuisance.

Paragraph 13.6 On receipt of relevant representations, the Licensing Authority will assess the likelihood of it causing an adverse impact, by generally considering the following factors where relevant:

- the location of the premises (in particular proximity to residential and other noise sensitive premises, eg hospitals, nursing homes, hospices and places of worship);

- the type of activities, the number and nature of clientele likely to attend at the time of the application;
- the proposed hours of operation;
- levels of public transport accessibility for customers either arriving or leaving the premises (including taxis and private hire);
- means of access to premises (whether on principal pedestrian routes);
- the level of car parking demand on any surrounding residential streets and its effect on local residents;
- the cumulative impact on licensed premises in an area;
- the scope for mitigating an impact i.e. CCTV, door supervisors;
- the frequency of an activity;
- the design and layout of the premises;
- measures taken or proposed to be taken to prevent noise or vibration escaping from the premises eg sound proofing, air conditioning and sound limitation devices;
- measures taken to prevent unreasonable disturbance by customers/staff arriving and leaving the premises, goods deliveries etc;
- measures taken to lessen the impact of parking in the vicinity;
- control of operating hours for all or parts of the premises (eg gardens, last admission times and 'wind down' periods);
- measures to be taken to prevent drunkenness on the premises;
- measures to ensure collection and disposal of litter and waste outside their premises.

Paragraph 13.7 The Licensing Authority when considering an application will take into account previous substantiated nuisance complaints particularly when a statutory notice has been served. Applicants may wish to have regard to the Good Practice Guide on the Control of Noise from Pubs & Clubs produced by the Institute of Acoustics and the British Beer and Pub Association.

Paragraph 13.8 On receipt of relevant representations, the Licensing Authority, where it considers it necessary and/or appropriate may attach conditions to a licence to prevent public nuisance including those drawn from the Model Pool of Conditions - see Appendix 3. In particular, it may attach a condition requiring the use of door supervisors licensed by the Security Industry Authority

Paragraph 13.9 The Licensing Authority requires Operating Schedules, where relevant to satisfactorily address the issue of public nuisance.

Paragraph 13.10 The Licensing Authority would also recommend applicants highlight local public transport links and taxi and private hire services within their premises, (including agreeing arrangements with nominated taxi and private hire firms for dropping off and collecting customers).

Paragraph 13.11 The Licensing Authority, will in accordance with the Guidance, focus on matters within the control of the individual Licence holder. The Licensing Authority accepts that the difficulty that a licence holder has in preventing anti-social behaviour by individuals once they are behind the direct control of the Licence Holder. However, the licensing objection of preventing public nuisance will not be achieved if customers from a premises regularly conduct themselves in an anti-social manner to the detriment of local residents or businesses. In addition, the Council has a duty to do all it can to prevent crime and disorder in the Borough under the Crime & Disorder Act 1998.

HUMAN RIGHTS ACT IMPLICATIONS

21. The Human Rights Act 1998 makes it unlawful for a local authority to act in a way that is incompatible with the European Convention on Human Rights. The Council will have particular regard to the following convention Rights;

- Article 6 that in the determination of civil rights and obligations everyone is entitled to a fair public hearing within a reasonable time by an independent and impartial tribunal established by law;
- Article 8 that everyone has the right to respect for his home and family life;
- Article 1 of the First Protocol that every person is entitled to the peaceful enjoyment of his/her possessions including for example, possession of a licence.

Dear Sirs

We are writing with regards to the extended license for the Printers Arms, Coppull Hall Lane, Coppull.

Although the licensee currently keeps an orderly house we object to the new application to extend the licensing hours to 1 am. This is a residential area and we already have noise disturbance from customers leaving the premises at night. This proposed extension would be wholly unacceptable into the early hours of the morning during the days of the week proposed when having to get up early for work. Disturbances currently range from loud talking, discarded bottles being left on our premises from parties walking home passed our house, car alarms going off, unnecessary revving of engines, slamming of car doors from patrons parked on the car park.

We also object to the proposed extended entertainment license because this public house is not acoustically sound proofed and noise disturbance into the early hours at weekend would again interfere with our quality of life.

Yours faithfully

Susan Ince
