CHORLEY BOROUGH COUNCIL**LICENSING ACT 2003****SUB-COMMITTEE****GENERAL PROCEDURE POINTS FOR HEARINGS****INTRODUCTION**

The Licensing Act 2003 Sub-Committee will conduct hearings in accordance with the following general principles:

- All parties have a right to a fair hearing.
- Decision-making will be conducted in an open, transparent and accountable way.
- Each application will be determined on its own merits and the decision will be based upon:
 - the merits of the application
 - the promotion of the four licensing objectives
 - the Council's Statement of Licensing Policy
 - the Guidance issued by the Secretary of State for Culture, Media and Sport under Section 182 of the Licensing Act 2003
- the Licensing Authority will only permit licensing decisions to be taken by sub-committee consisting of three members. In the event of one member being unable to attend, the Licensing authority will use it's best endeavours to substitute another member, taken from the membership of the Licensing Act 2003 Sub-Committee reserve list.
- the Sub-Committee may disallow cross-examination in exceptional circumstances; this decision will be taken on a case by case basis with a presumption to allow. However, parties are advised that the Sub-Committee wishes to discourage hostile cross examination.
- late representations and evidence will usually only be considered with the agreement of all parties present.
- decisions will generally be taken regardless of whether the applicant/other party is present unless the Sub-Committee consider it necessary in the public interest to adjourn the hearing to a specified date. All notices and representations from absent parties will be considered.
- the Sub-Committee will generally allow parties a maximum of 30 minutes per party to make all relevant Statements. However, the Sub-Committee recognises that in certain circumstances this may be insufficient due to the complexity of the issues involved. In this situation the Sub-Committee will consider representations from those parties involved in the hearing as to the length required to make all relevant statements. The Licensing Authority respectfully requests that all parties keep points pertinent and the discussion moving in the interests of cost and efficiency.

- the Sub-Committee recognises that Regulation 14 requires all hearings should take place in public unless the licensing authority “considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing taking place in public” in which the applicant, those assisting the applicant or other interested parties can be excluded. In the absence of any criteria in the Licensing Act 2003, the guidance issued under section 182 of the Act or the licensing Regulations, the Licensing Authority has adopted the existing criteria in Schedule 12A of the Local Government Act 1972 for excluding the press and public. The public and press will be excluded when the Sub-Committee is considering an application for a personal licence, where Lancashire Police have lodged an objection notice due to an existing relevant offence(s). Generally, the public and the applicant will be excluded when the Sub-Committee is determining a decision. Once a decision has been made all parties will be readmitted and the Chair will announce the decision and give reasons.
- all parties will be notified of the decision in accordance with any periods set down by the Licensing Act 2003 or where none are prescribed within 5 working days.
- the Sub-Committee has the right to exclude any parties behaving in a disruptive manner at the hearing at its own discretion.

Prevention of crime and disorder

Copies of the representations in full are attached to the report. Summaries of the representations are –

The area is mainly residential with large numbers of older persons and families residing close to the premises

There is currently excessive noise outside the premises from, bbqs, large numbers of customers drinking outside the pub including those that swear, cars in the evening playing loud music/ revving engines/banging doors, and youths congregate outside the pub.

There is damage to local property, beer bottles and glasses smashed and thrown into property and damage to motor vehicles.

Currently noise from music can heard at properties close to the premises.

Taxis currently collecting customers late in the evening make noise by sounding horns and closing their doors.

Instances involving the customers leaving the premises, urinating and vomiting on local property.

Local parking is inadequate for the current use of the premises.

14 Policy Considerations.

Section 4 of the Licensing Act 2003 provides that a Licensing Authority must have regard to its Statement of Licensing Policy and to the guidance issued by the Secretary of State under section 182 of the Act.

As members will be aware the four licensing objectives are as follows:

- the prevention of crime and disorder
- public safety
- prevention of public nuisance
- the protection of children from harm.

The Licensing Act 2003 provides that where relevant representations are received the Licensing Authority must hold a hearing to consider them unless the parties agree that a hearing is unnecessary.

The Licensing Authority in determining the application, having have regard to the representations, may take the following steps it considers it necessary for the promotion of the licensing objectives.

- i) reject the application in whole or in part
- ii) modify the conditions.

Members must have regard to the Statement of Licensing Policy when determining this application. In particular, member's attention is drawn to the following paragraphs:

Paragraph 1.3 The policy provides guidance on the general approach the Council, as Licensing Authority, within the meaning of the Act, will take in terms of licensing. However, each application will be considered separately, on its individual merits.

Paragraph 1.4 The Statement of Licensing Policy sets out how the licensing objectives will be achieved and to secure the safety and amenity of residential communities whilst facilitating a sustainable entertainment and cultural industry. The Policy recognises both the needs of residents for a safe and healthy environment in which to live and work and the importance of safe and well run entertainment premises to the local economy. Balancing these interests will not always be straightforward and will be guided by the four licensing objectives.

Paragraph 1.5 This policy does not seek to undermine the right of any individual to apply under the Act for a variety of permissions and as stated above each application will be considered on its individual merits. Nor does the Policy seek to override the right of a person to make representations on an application or seek a review of a licence or certificate. However, the Council in adopting this policy is indicating that a wide range of considerations will be taken into account.

Paragraph 2.2 Each of the licensing objectives are of equal importance with these objectives.

Paragraph 2.3 Each of the licensing objectives is of equal importance for the purposes of this policy.

Paragraph 2.4 This policy statement is designed to deal with matters within the control of the licensee. It focuses on the premises in which each business is carried on and the effect that has on members of the public living, working or engaged in normal activity in the vicinity.

Paragraph 2.5 Licensing law is not envisaged by the Licensing Authority as a mechanism to control anti-social behaviour by individuals once they are beyond the direct control of the licensee of any premises concerned. Therefore any terms and conditions imposed will be focused on matters within the control of individual Licensees and others granted relevant permissions. These matters will centre on the premises and places used for licensable activities and in the vicinity of the places.

Paragraph 2.6 The Licensing Authority considers that every holder of a licence, certificate or permission and designated premises supervisor is responsible for minimising the impact of their activities and anti-social behaviour by their customers within the vicinity of their premises.

Paragraph 5.3 The policy will not fix the hours during which alcohol can be sold. The Licensing Authority considers that stricter controls regarding noise nuisance may be necessary in more densely populated areas. The grant of a licence will be dependent on the impact of an activity on the licensing objectives.

CRIME AND DISORDER

Paragraph 6.1 Licensed premises, especially those offering late night entertainment, alcohol and refreshment can be a source of crime and disorder problems.

Paragraph 6.2 The Council is committed to reducing crime and disorder across the Borough through its statutory duty under the Crime and Disorder Act 1998 and the Community Safety Strategy. Statistics from the Community Safety Partnership regarding Crime and Disorder in the Licensing Authority area are given in Appendix 4.

Paragraph 6.3 The Community Safety Partnership will regularly monitor and review crime statistics within the Borough and their association with alcohol and provide reports to the Licensing Authority where appropriate. The Licensing Authority will give due consideration to any submissions made concerning the impact on crime and disorder of alcohol related problems. The Council may review this Policy where it considers it appropriate to do so.

Paragraph 6.4 The Council will have particular regard to the likely impact on licensing of related crime and disorder in the Borough particularly when considering the location, impact and the operation and management of all proposed licensed premises and applications for variations.

Paragraph 6.5 The promotion of the crime and disorder-licensing objective, places a responsibility on licence holders to try and achieve this objective. Applicants will therefore be required to address, in their operating schedules, where appropriate, those measures that have been identified and will be implemented and/ or maintained to reduce or prevent crime and disorder in the vicinity of their premises. The Licensing Authority considers that best practice will be exemplified by the night safe initiative and would recommend that licence holders join this initiative.

Paragraph 6.6 Where relevant representations are received on the crime and disorder objective, the Licensing Authority may have regard to the following where relevant: (though this is not an exhaustive list) :

crime prevention measures

- physical security features installed in the premises, (this may include CCTV both inside and outside the premises, where alcohol is stored in relation to off licences, the use of toughened drinking glasses).
- weapon detection and search facilities.
- procedures for risk assessing promotions and events such as 'happy hours', drinks promotions, for the potential to cause crime and disorder, and the plans to minimising such risks.
- adoption of best practice guidance in relation to safer clubbing guide
- measures to prevent the use or supply of illegal drugs including search and entry policies
- employment of licensed door supervisors
- participation in other appropriate schemes e.g. pub watch scheme
- measures to be taken for the prevention of violence or disorder.

Paragraph 6.7 The Licensing Authority where relevant representations are made, will consider attaching conditions to deter and prevent crime and disorder, if appropriate and necessary and these may include conditions from the model pool of conditions at Appendix 3. Certain premises may be required to install CCTV system to an evidential standard should the Council be satisfied it is necessary and /or appropriate to meet the licensing objectives.

Paragraph 6.8 The Council reserves its right to use its powers to designate areas where alcohol may not be consumed in a public place to meet the Public Safety and Crime and Disorder objectives.

LICENSING HOURS

Paragraph 7.1 The policy recognises that longer (more flexible) licensing hours can contribute to easing crime and disorder problems by ensuring that concentrations of customers leaving premises simultaneously are avoided thus helping to reduce friction at taxi ranks, private hire offices, fast food outlets etc.

Paragraph 7.2 Individual applications will be considered on their merits and in general terms a flexible approach will be adopted. Fixed predetermined closing times for particular areas will not form part of the policy and restrictions on trading hours will be considered only where necessary to meet the licensing objectives.

Paragraph 7.3 The Licensing Authority, however, considers that the risk to disturbance to local residents is greater when licensable activities continue late at night and into the early hours of the morning as the ambient noise levels will be lower. The Licensing Authority may impose stricter conditions with regard to noise control in areas, which have denser residential accommodation, but each premises will be considered on its individual merits.

Paragraph 7.5 The Licensing Authority also recognises the principle of 24 hour opening of all licensed premises. However, it considers that longer opening hours may be more acceptable in commercial areas with high levels of public transport. The grant of a licence will in all cases be dependent on the impact of an activity in relation to the licensing objectives.

Paragraph 7.6 Where relevant representations are received, the Licensing Authority may have regard to the following where relevant (though this is a non exhaustive list);

- the nature of the area where the premises are located (e.g. commercial, residential)
- arrangements to ensure adequate availability of taxis and private hire vehicles, public transport.
- whether appropriate car parking is readily accessible to premises and whether the use/parking of vehicles would cause a demonstrable adverse impact on the amenity of residents.
- whether the licensable activities are likely to cause adverse impact especially on local residents and whether appropriate measures will be put in place to prevent any adverse impact
- in relation to the grant of a new premises licence whether the premises will give rise to a negative cumulative impact on one or more of the licensing objectives

In assessing the impact of the activity proposed the Licensing Authority may consider a number of factors inter alia,

- the type and scale of activity, the number and nature of clientele likely to attend
- the levels of noise from the premises, which may be acceptable later in the evening
- the proposed hours of operation
- the levels of public transport accessibility for customers and the likely means of public or private transport that will be used, access to private hire/taxis
- the means of access to the premises e.g whether on principal pedestrian routes
- the level of car parking demand on surrounding residential streets and its effect on local residents, and movement of traffic
- the cumulative impact of licensed premises in an area and scope for mitigation
- frequency of the activity.

Operating Schedules to set out the measures to be taken to ensure that the licensing objectives are addressed. Applicants are also referred to paragraph 6.6

PREVENTION OF PUBLIC NUISANCE

Paragraph 13.1 Licensed Premises have significant potential to adversely impact on communities through public nuisances arising from their operation.

Paragraph 13.2 The Licensing Authority is aware of the importance of the licensed trade to the local economy as well as in cultural and social terms. The Licensing Authority is also concerned to protect the amenity of residents and businesses in the vicinity of licensed premises. 'Vicinity' is not defined in the Act or Guidance issued by the Secretary of State. Whether or not incidents can be regarded, as 'in the vicinity' of licensed premises is a question of fact and will depend on the particular circumstances of the case.

Paragraph 13.3 The Licensing Authority will interpret 'public nuisance' in its widest sense and include such matters as noise emanating from the premises, light, litter, odour and anti social behaviour where these matters impact on those living or working in an area.

Paragraph 13.4 Activities that involve public entertainment, drinking or eating, have the potential to impact adversely on their surrounding areas due to noise, litter, and odours. There is also the potential for disturbance caused by those attending licensable activities. Late at night the impact of licensed activities is likely to be more objectionable to residents living close to a licensed activity, as the ambient noise levels are often lower so noise disturbance becomes more noticeable.

Paragraph 13.5 The policy allows for later opening hours except where there will be an adverse impact on the licensing objectives. In general the Licensing Authority will expect more comprehensive measures to be proposed at late night venues and/or where there has been a history of public nuisance.

Paragraph 13.6 On receipt of relevant representations, the Licensing Authority will assess the likelihood of it causing an adverse impact, by generally considering the following factors where relevant:

- the location of the premises (in particular proximity to residential and other noise sensitive premises, e.g. hospitals, nursing homes, hospices and places of worship)
- the type of activities, the number and nature of clientele likely to attend at the time of the application
- the proposed hours of operation
- levels of public transport accessibility for customers either arriving or leaving the premises (including taxis and private hire)
- means of access to premises (whether on principal pedestrian routes)
- the level of car parking demand on any surrounding residential streets and its effect on local residents
- the cumulative impact on licensed premises in an area
- the scope for mitigating an impact i.e. CCTV, door supervisors
- the frequency of an activity
- the design and layout of the premises
- measures taken or proposed to be taken to prevent noise or vibration escaping from the premises e.g. sound proofing, air conditioning and sound limitation devices
- measures taken to prevent unreasonable disturbance by customers/staff arriving and leaving the premises, goods deliveries etc
- measures taken to lessen the impact of parking in the vicinity
- control of operating hours for all or parts of the premises (e.g gardens, last admission times and 'wind down' periods)
- measures to be taken to prevent drunkenness on the premises
- measures to ensure collection and disposal of litter and waste outside their premises

Paragraph 13.7 The Licensing Authority when considering an application will take into account previous substantiated nuisance complaints particularly when a statutory notice has been served. Applicants may wish to have regard to the Good Practice Guide on the Control of Noise from Pubs & Clubs produced by the Institute of Acoustics and the British Beer and Pub Association.

Paragraph 13.8 On receipt of relevant representations, the Licensing Authority, where it considers it necessary and/or appropriate may attach conditions to a licence to prevent public nuisance including those drawn from the Model Pool of Conditions - see Appendix 3. In particular, it may attach a condition requiring the use of door supervisors licensed by the Security Industry Authority

Paragraph 13.9 The Licensing Authority requires Operating Schedules, where relevant to satisfactorily address the issue of public nuisance.

Paragraph 13.10 The Licensing Authority would also recommend applicants highlight local public transport links and taxi and private hire services within their premises, (including agreeing arrangements with nominated taxi and private hire firms for dropping off and collecting customers).

Paragraph 13.11 The Licensing Authority, will in accordance with the Guidance, focus on matters within the control of the individual Licence holder. The Licensing Authority accepts that the difficulty that a licence holder has in preventing anti-social behaviour by individuals once they are behind the direct control of the Licence Holder. However, the licensing objection of preventing public nuisance will not be achieved if customers from a premises regularly conduct themselves in an anti-social manner to the detriment of local residents or businesses. In addition, the Council has a duty to do all it can to prevent crime and disorder in the Borough under the Crime & Disorder Act 1998.

15. Human Rights Act Implications

The Human Rights Act 1998 makes it unlawful for a local authority to act in a way that is incompatible with the European Convention on Human Rights. The Council will have particular regard to the following convention Rights;

- Article 6 that in the determination of civil rights and obligations everyone is entitled to a fair public hearing within a reasonable time by an independent and impartial tribunal established by law;
- Article 8 that everyone has the right to respect for his home and family life;
- Article 1 of the First Protocol that every person is entitled to the peaceful enjoyment of his/her possessions including for example, possession of a licence.

Dear Sir,

**Reference the Application of the Roebuck Inn,
Waterhouse Green, Whittle-le Woods for a
Licence for Extended Opening Hours and for the
Playing of Music.**

We were dismayed to read in the Chorley Guardian the notice for the above change of licence.

We would earnestly ask the Licencing Committee of the Chorley Borough Council to take into consideration our comments with respect to this application.

The premises are located in a residential area. They are surrounded by private properties whose residents value their privacy and peace of mind.

We already experience, on numerous occasions, excessive noise both from customers using the outside tables and from those leaving the premises. Frequently this involves shouting and the use of foul language and the revving up of car engines and the use of loud car radios late at night.

We have had beer bottles and glasses thrown into our garden and, on one occasion, a beer glass smashed against the front of our house. Also, one of our cars has been vandalized on TWO occasions. These incidents were reported to the police.

If the licensee is allowed to officially keep these new hours it means that the noise will continue until 2am over the weekend and 1am during the rest of the week.

From our experience it seems that the landlord makes no attempt to reduce the noise or the nuisance in any way by the placing of formal notices outside the premises.

We therefore strongly oppose this application. Whilst we recognize that the landlord has to make a living we do not believe that it should be at the expense of the local residents, few of whom frequent the premises in question.

The Roebuck Inn has a reputation as a venue for 'Football Aficionados'. This creates sufficient noise on the occasions when there are 'Big Matches'. To add the nuisance of a music licence would be too much.

We feel that the current licencing arrangements should NOT be amended.

Yours faithfully,

Dear Sir or Madam:

**Re: Mr David Hilton Crabtree - Roebuck Inn, Waterhouse Green, Whittle le Woods, PR6 7LA
 Application for variance of premises licence under the Licensing Act 2003**

In respect to the above application I would like to register a formal objection to the request for

1. Extended trading hours (Until 0000hrs on Sun-Thurs and until 1am on Fri and Sat)
2. Musical Entertainment within these hours

We strongly believe proceeding with this application would create a public nuisance well beyond reasonable hours in a quiet residential area, especially in light of granting permission to play music late at night. Waterhouse Green is an area of environmental preservation with many houses being Grade II listed, granting this license would severely challenge this, with the negativity surrounding the local pub dominating what is a beautiful area.

The Roebuck Inn, can become a busy public house, with an outside beer garden to the front and rear, an extended opening licence would create patrons both inside and outside the establishment until the early hours of the morning, when drinking up and clearing out time is taken into consideration, and in some cases people with drinks moving into the road, followed also by traffic (taxis) collecting people. Taxi's also beep their horns to indicate their presence, this is also unacceptable given the timing involved.

Thus creating a busy highway, again well into unsociable hours, mixed with alcohol fuelled people. In today's binge drinking society this situation would need to be policed. This is already an issue with the pub operating within current licensing laws.

With respect to the music licence, again one of the main causes of pollution is noise, this can be heard in many local houses whereas with no music the pub is less of a burden on the local environment. This is a problem when the front door of the pub is open, as it frequently is, to access the beer garden front and rear.

The parking situation around the public house would also create an unnecessary burden on the local residents possibly preventing them from parking near their homes.

The net effect of this decision would be detrimental to both the local residential area and local community, and an additional drain on emergency resources (including environmental noise pollution control) with many dispersed areas within the borough.

We do not wish to stop the advancement of change or impact on a business. However, we feel the council has a duty to recognise and protect the people and the environment we live in.

Should the council wish to grant extended opening hours within borough then we believe it should be done responsibly in a non-residential area where like-minded people can socialise together, especially where music is involved. Creating a central area would allow the borough to concentrate their policing and emergency resources in a small area reducing both manpower requirement and ultimately costs.

This is a view shared by many local residents.

Before granting any license extensions a visit to the premises at the appropriate time would authenticate our local grievance to what is a picturesque area of Whittle-le-Woods.

Should you wish to discuss this objection in further detail or have any further questions, please do not hesitate to contact us on the co-ordinates above.

I await your response.

Yours faithfully

Dear Sir/Madam

**Re: Notice of Application for Variation of Premises Licence under the Licence Act 2003 –
Roebuck Inn, Waterhouse Green, Whittle-le-Woods, CHORLEY PR6 7LE**

We wish to express our concern about the application made by the above establishment to extend opening hours until 0000 (midnight) Sunday to Thursday and until 0100 Friday and Saturday. The Roebuck Inn is situated in the heart of a village community, with many residential properties located within its immediate vicinity. We currently live within fifty meters of the pub and from August 1997 until July 2004 we lived directly opposite the premises. We value the benefits that living in a friendly, rural community offers, however we are extremely concerned about the effects of extending the opening hours of the Inn. On many occasions (particularly during summer evenings) customers at the Roebuck drink outside the premises and their language, behaviour and general demeanour is often aggressive, offensive and abusive. We have witnessed customers leaving the Inn and urinating and vomiting in the street and in gardens. On many occasions over the past eight years there have been incidents of customers fighting in the street after leaving the premises. We have observed the police attending the Inn on several occasions. Such incidents are disturbing, upsetting and unpleasant. On many occasions customers at the Inn park their cars in front of the building, leaving the car doors and windows open and then turn on their car stereos. Music is played at excessive volumes and this again creates disturbance for local residents.

Over the past eight years we have witnessed customers leaving the Roebuck long after closing time; we have seen people exiting the premises at 2pm on occasions. Again our concern is that if the licensing hours are extended this problem will be exacerbated. We appreciate that extended opening hours may well be appropriate for licensed venues in town centres; a village pub should serve the needs of the local community and in our opinion there is no need for the Roebuck's opening hours to be extended.

We hope that our views will be given due consideration by the Licensing Unit.

Yours faithfully

Dear Sir or Madam/

I am writing in objection at the giving of an extended hours and music licence to "The Roebuck Inn" at Waterhouse Green, Whittle-le-Woods.

At present we have to endure on sunny days, car radios thumping out what they call music, all we hear is a loud thump, thump, thump and when asked to turn the music down, flippancy and rude remarks. No control from the landlord.

The parking situation is inadequate, tables where cars should park, cars park where the local people live and park their cars, weekends cars are parked

on Friday night and some times abandoned till Monday morning. There are 2 gates to the Electric substation which have big notices no parking which are ignored and the entrance to the houses at the rear of the pub is blocked.

As for the music I don't like to be entertained in my back garden on a quiet evening or even inside my house, when all I require is peace and quiet.

As for the late nights I am already plagued with banging of car doors, taxis

who flout the law blowing their horns after hours at midnight, some times at 1.30am and one occasion at 2.00am.

It is a country Pub and is in a residential area and the only one who will or might benefit by the longer hours, is the owner and managers.

Yours Sincerely

Dear Sir/Madam,

I am writing with regard to the application from The Roebuck public house to extend the opening hours as stated recently in the Chorley Guardian.

I live across the road from the Roebuck and am strongly opposed to such a suggestion.

As it stands I am subjected to anti social noise and behaviour most Friday and Saturday nights, and each Bank Holiday. This occurs when groups of youths walk down the hill from Whittle to the Roebuck and then back again usually in the early hours intoxicated. Many nights after closing youths are seen congregating on the benches outside the pub and very recently my vehicle was subjected to severe damage when a group of these lads decided to walk home in the middle of the road and dismantle wing mirrors. Being a single mother the £165 bill was something I could do without.

Shaw Brow and Waterhouse Green are pleasant residential areas, the Roebuck is a pleasant local pub but please do not approve this application and turn the whole area into a circus.

Yours faithfully,

THE ROEBUCK INN WATERHOUSE GREEN
WHITTLE LE WOODS

30.7.05.

THIS IS A VILLAGE PUB NOT A TOWN CENTRE NIGHT SPOT IT IS A RESIDENTIAL AREA, IT IS ALREADY A NOISY PUB AT WEEKENDS STARTING AT 4pm FRIDAY (WEATHER PERMITTING) WITH RADIOS BLARING ON THE FRONTAGE OF THE PUB SOMETIMES THREATS OF POLICE HAVE TO BE USED TO GET THE VOLUME DOWN, NO CONSIDERATION IS GIVEN TO RESIDENTS LIVING IN CLOSE PROXIMITY TO THE PUB.

AS NEAR-BY RESIDENTS WE ALREADY SUFFER FROM THE LATE NIGHT EXITING 1 AM OR EVEN 2 AM WITH SHOUTING, FIGHTING, ARGUMENTS, BEING SICK OVER GARDEN WALLS, URINATING IN DRIVEWAYS OR ON THE TELEPHONE BOX WHEN RINGING FOR TAXIS.

IF THE EXTENSION IS GRANTED THE ONLY PEOPLE TO BENEFIT WILL BE THE LANDLORD & BREWERY, THE CUSTOMERS WILL BE SPILLING OUT ONTO THE GREEN EVEN LATER THAN NOW.

WHEN YOU HAVE TO BE UP EARLY FOR WORK THIS IS NOT GOOD ENOUGH THERE HAS ALREADY BEEN A NEGATIVE EFFECT ON PROPERTY IN THE LAST FEW YEARS DUE TO THE PUB, CARS PARKED ALL UP THE ROAD IN FRONT OF DRIVEWAYS, THE PUB DOES NOT HAVE AN ADEQUATE CAR PARK, THE FRONTAGE & PAVEMENT USED FOR BENCHES & TABLES AND THE SIDE AREA IS ACCESS TO 4 HOUSES AT THE REAR OF PUB.

IT IS BAD ENOUGH WHEN SPECIAL EVENTS SUCH AS BAR-B-QUES & BANAS OCCUR BUT TO HAVE THIS AS THE NORM FOR THE FUTURE IS JUST NOT ON.

IF THIS OFFENSIVE PROPOSAL IS PASSED ARE WE GOING TO HAVE REDUCTIONS TO OUR RATES? BECAUSE A SUBSTANTIAL NUMBER OF RESIDENTS WILL BE ASKING FOR THIS, WITH MORE CALLS FOR POLICE PRESENCE ALSO.

EMBEDDED BENEFITS

To answer the question "***What existing licensable activities are authorised by your existing Licence(s)?***" raised in part A3, we have adopted the second limb (b) of the definition given in paragraph 1 of Schedule 8 to the 2003 Act ("***any other licensable activities which may be carried on ... by virtue of the existence of the licence***").

For these premises, covered by a Justices' On-Licence, there are two such "***embedded***" benefits:

1. Playing of recorded music – s.182 of the Licensing Act 1964 allows "***...music and singing only which is provided solely by the reproduction of recorded sound***" without the need for a Public Entertainment Licence; and
2. Provision of late night refreshment – by virtue of the Late Night Refreshment Houses Act 1969. Section 1(2) exempts these premises from having to hold a Late Night Refreshment Licence from 10:00pm until 30 minutes after its permitted hours.

For these reasons, box f) recorded music and the box entitled Provision of Late Night Refreshment have been ticked as licensable activities which may be carried through the conversion process under "***grandfather***" rights.

If your Council has adopted the Private Places of Entertainment (Licensing) Act 1967, the provision of entertainment facilities for music and dancing promoted for private gain where the functions are private in nature is also a further licensable activity which should be carried forward as an embedded benefit through the conversion process.
