CHORLEY BOROUGH COUNCIL**LICENSING ACT 2003****SUB-COMMITTEE****GENERAL PROCEDURE POINTS FOR HEARINGS****INTRODUCTION**

The Licensing Act 2003 Sub-Committee will conduct hearings in accordance with the following general principles:

- All parties have a right to a fair hearing.
- Decision-making will be conducted in an open, transparent and accountable way.
- Each application will be determined on its own merits and the decision will be based upon:
 - the merits of the application
 - the promotion of the four licensing objectives
 - the Council's Statement of Licensing Policy
 - the Guidance issued by the Secretary of State for Culture, Media and Sport under Section 182 of the Licensing Act 2003
- the Licensing Authority will only permit licensing decisions to be taken by sub-committee consisting of three members. In the event of one member being unable to attend, the Licensing authority will use it's best endeavours to substitute another member, taken from the membership of the Licensing Act 2003 Sub-Committee reserve list.
- the Sub-Committee may disallow cross-examination in exceptional circumstances; this decision will be taken on a case by case basis with a presumption to allow. However, parties are advised that the Sub-Committee wishes to discourage hostile cross examination.
- late representations and evidence will usually only be considered with the agreement of all parties present.
- decisions will generally be taken regardless of whether the applicant/other party is present unless the Sub-Committee consider it necessary in the public interest to adjourn the hearing to a specified date. All notices and representations from absent parties will be considered.
- the Sub-Committee will generally allow parties a maximum of 30 minutes per party to make all relevant Statements. However, the Sub-Committee recognises that in certain circumstances this may be insufficient due to the complexity of the issues involved. In this situation the Sub-Committee will consider representations from those parties involved in the hearing as to the length required to make all relevant statements. The Licensing Authority respectfully requests that all parties keep points pertinent and the discussion moving in the interests of cost and efficiency.

- the Sub-Committee recognises that Regulation 14 requires all hearings should take place in public unless the licensing authority “considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing taking place in public” in which the applicant, those assisting the applicant or other interested parties can be excluded. In the absence of any criteria in the Licensing Act 2003, the guidance issued under section 182 of the Act or the licensing Regulations, the Licensing Authority has adopted the existing criteria in Schedule 12A of the Local Government Act 1972 for excluding the press and public. The public and press will be excluded when the Sub-Committee is considering an application for a personal licence, where Lancashire Police have lodged an objection notice due to an existing relevant offence(s). Generally, the public and the applicant will be excluded when the Sub-Committee is determining a decision. Once a decision has been made all parties will be readmitted and the Chair will announce the decision and give reasons.
- all parties will be notified of the decision in accordance with any periods set down by the Licensing Act 2003 or where none are prescribed within 5 working days.
- the Sub-Committee has the right to exclude any parties behaving in a disruptive manner at the hearing at its own discretion.

12. Other Activities that may give rise to concern in respect of children

None

13. Conditions/ Restrictions to be removed on variation.

Not applicable

14. Relevant Representations – Responsible Authorities

None

15. Relevant Representations – Interested Parties.

There are six relevant representations received to the application from an interested party who resides close to the premises. The objection is relevant to the following licensing objectives -

- Prevention of public nuisance
- Prevention of crime and disorder
- Public safety

A copy of the representations are in full in the attached report in Appendix 2.

16. Policy Considerations.

Section 4 of the Licensing Act 2003 provides that a Licensing Authority must have regard to its Statement of Licensing Policy and to the guidance issued by the Secretary of State under Section 182 of the Act.

As members will be aware the four licensing objectives are as follows:

- the prevention of crime and disorder
- public safety
- prevention of public nuisance
- the protection of children from harm.

The Licensing Act 2003 provides that where relevant representations are received the Licensing Authority must hold a hearing to consider them unless the parties agree that a hearing is unnecessary.

The Licensing Authority in determining the application, having had regard to the representations, may take the following steps it considers it necessary for the promotion of the licensing objectives.

- i) reject the application in whole or in part
- ii) modify the conditions.

Members must have regard to the Statement of Licensing Policy when determining this application. In particular, member's attention is drawn to the following paragraphs:

Paragraph 1.3 The policy provides guidance on the general approach the Council, as Licensing Authority, within the meaning of the Act, will take in terms of licensing, However, each application will be considered separately, on its individual merits.

Paragraph 1.4. The Statement of Licensing Policy sets out how the licensing objectives will be achieved and to secure the safety and amenity of residential communities whilst facilitating a sustainable entertainment and cultural industry. The Policy recognises both the needs of residents for a safe and healthy environment in which to live and work and the importance of safe and well run entertainment premises to the local economy. Balancing these interests will not always be straightforward and will be guided by the four licensing objectives.

Paragraph 1.5 This policy does not seek to undermine the right of any individual to apply under the Act for a variety of permissions and as stated above each application will be considered on its individual merits. Nor does the Policy seek to override the right of a person to make representations on an application or seek a review of a licence or certificate. However, the Council in adopting this policy is indicating that a wide range of considerations will be taken into account.

Paragraph 2.2 Each of the licensing objectives are of equal importance with these objectives.

Paragraph 2.3 Each of the licensing objectives is of equal importance for the purposes of this policy.

Paragraph 2.4 This policy statement is designed to deal with matters within the control of the licensee. It focuses on the premises in which each business is carried on and the effect that has on members of the public living, working or engaged in normal activity in the vicinity.

Paragraph 2.5 Licensing law is not envisaged by the Licensing Authority as a mechanism to control anti-social behaviour by individuals once they are beyond the direct control of the licensee of any premises concerned. Therefore any terms and conditions imposed will be focused on matters within the control of individual Licensees and others granted relevant permissions. These matters will centre on the premises and places used for licensable activities and in the vicinity of the places.

Paragraph 2.6 The Licensing Authority considers that every holder of a licence, certificate or permission and designated premises supervisor is responsible for minimising the impact of their activities and anti-social behaviour by their customers within the vicinity of their premises.

Paragraph 5.3 The policy will not fix the hours during which alcohol can be sold. The Licensing Authority considers that stricter controls regarding noise nuisance may be necessary in more densely populated areas. The grant of a licence will be dependent on the impact of an activity on the licensing objectives.

CRIME AND DISORDER

Paragraph 6.1 Licensed premises, especially those offering late night entertainment, alcohol and refreshment can be a source of crime and disorder problems.

Paragraph 6.2 The Council is committed to reducing crime and disorder across the Borough through its statutory duty under the Crime and Disorder Act 1998 and the Community Safety Strategy. Statistics from the Community Safety Partnership regarding Crime and Disorder in the Licensing Authority area are given in Appendix 4.

Paragraph 6.3 The Community Safety Partnership will regularly monitor and review crime statistics within the Borough and their association with alcohol and provide reports to the Licensing Authority where appropriate. The Licensing Authority will give due consideration to any submissions made concerning the impact on crime and disorder of alcohol related problems. The Council may review this Policy where it considers it appropriate to do so.

Paragraph 6.4 The Council will have particular regard to the likely impact on licensing of related crime and disorder in the Borough particularly when considering the location, impact and the operation and management of all proposed licensed premises and applications for variations.

Paragraph 6.5 The promotion of the crime and disorder-licensing objective places a responsibility on licence holders to try and achieve this objective. Applicants will therefore be required to address, in their operating schedules, where appropriate, those measures that have been identified and will be implemented and/ or maintained to reduce or prevent crime and disorder in the vicinity of their premises. The Licensing Authority considers that best practice will be exemplified by the night safe initiative and would recommend that licence holders join this initiative.

Paragraph 6.6 Where relevant representations are received on the crime and disorder objective, the Licensing Authority may have regard to the following where relevant: (though this is not an exhaustive list):

- crime prevention measures
- physical security features installed in the premises, (this may include CCTV both inside and outside the premises, where alcohol is stored in relation to off licences, the use of toughened drinking glasses).
- weapon detection and search facilities.

- procedures for risk assessing promotions and events such as 'happy hours', drinks promotions, for the potential to cause crime and disorder, and the plans to minimising such risks.
- adoption of best practice guidance in relation to safer clubbing guide
- measures to prevent the use or supply of illegal drugs including search and entry policies
- employment of licensed door supervisors
- participation in other appropriate schemes e.g. pub watch scheme
- measures to be taken for the prevention of violence or disorder.

Paragraph 6.7 The Licensing Authority where relevant representations are made, will consider attaching conditions to deter and prevent crime and disorder, if appropriate and necessary and these may include conditions from the model pool of conditions at Appendix 3. Certain premises may be required to install CCTV system to an evidential standard should the Council be satisfied it is necessary and/or appropriate to meet the licensing objectives.

Paragraph 6.8 The Council reserves its right to use its powers to designate areas where alcohol may not be consumed in a public place to meet the Public Safety and Crime and Disorder objectives.

LICENSING HOURS

Paragraph 7.1 The policy recognises that longer (more flexible) licensing hours can contribute to easing crime and disorder problems by ensuring that concentrations of customers leaving premises simultaneously are avoided thus helping to reduce friction at taxi ranks, private hire offices, fast food outlets etc.

Paragraph 7.2 Individual applications will be considered on their merits and in general terms a flexible approach will be adopted. Fixed predetermined closing times for particular areas will not form part of the policy and restrictions on trading hours will be considered only where necessary to meet the licensing objectives.

Paragraph 7.3 The Licensing Authority, however, considers that the risk to disturbance to local residents is greater when licensable activities continue late at night and into the early hours of the morning as the ambient noise levels will be lower. The Licensing Authority may impose stricter conditions with regard to noise control in areas, which have denser residential accommodation, but each premise will be considered on its individual merits.

Paragraph 7.5 The Licensing Authority also recognises the principle of 24-hour opening of all licensed premises. However, it considers that longer opening hours may be more acceptable in commercial areas with high levels of public transport. The grant of a licence will in all cases be dependent on the impact of an activity in relation to the licensing objectives.

Paragraph 7.6 Where relevant representations are received, the Licensing Authority may have regard to the following where relevant (though this is a non-exhaustive list):

- the nature of the area where the premises are located (e.g. commercial, residential)
- arrangements to ensure adequate availability of taxis and private hire vehicles, public transport.
- whether appropriate car parking is readily accessible to premises and whether the use/parking of vehicles would cause a demonstrable adverse impact on the amenity of residents.
- whether the licensable activities are likely to cause adverse impact especially on local residents and whether appropriate measures will be put in place to prevent any adverse impact

- in relation to the grant of a new premises licence whether the premises will give rise to a negative cumulative impact on one or more of the licensing objectives
 - In assessing the impact of the activity proposed the Licensing Authority may consider a number of factors inter alia,
 - the type and scale of activity, the number and nature of clientele likely to attend
 - the levels of noise from the premises, which may be acceptable later in the evening
 - the proposed hours of operation
 - the levels of public transport accessibility for customers and the likely means of public or private transport that will be used, access to private hire/taxis
 - the means of access to the premises e.g. whether on principal pedestrian routes
 - the level of car parking demand on surrounding residential streets and its effect on local residents, and movement of traffic
 - the cumulative impact of licensed premises in an area and scope for mitigation
 - frequency of the activity.

Operating Schedules to set out the measures to be taken to ensure that the licensing objectives are addressed. Applicants are also referred to paragraph 6.6

PROTECTION OF CHILDREN FROM HARM

Paragraph 10.1 The policy does not seek to prevent or limit the access of children to licensed premises unless it is necessary for the prevention of physical, moral or psychological harm to them. The Licensing Authority is committed to protecting children from harm and activities associated with premises that sell alcohol or provide regulated entertainment, may in certain circumstances, give rise to concerns for the health and welfare of children. For the purpose of this Policy, a 'child' is defined as any person who is under the age of 16

Paragraph 10.2 The Licensing Authority will not impose any conditions that specifically require access of children to premises and where no limitation is imposed this should remain a matter for the individual licence holder or club premises certificate holder. The Licensing Authority will consider the individual merits of each application. However, the Licensing Authority will have particular concern in respect of children:

- where there have been convictions of the current management for serving alcohol to minors or those where there is a reputation of under age drinking.
- where there is reputation of drug taking or dealing.
- where there is a strong element of gambling on the premises.(but not for example, the simple presence of a small number of cash prize gaming machines)
- where entertainment of an adult or sexual nature is provided (see paragraph 29 for additional information).
- where the supply of alcohol is the exclusive or primary purpose of the services provided at the premises.

Paragraph 10.3 The Licensing Authority, in such circumstances as outlined above, may consider it necessary to impose a complete prohibition; it is envisaged that this would be rarely imposed. The Licensing Authority would normally be likely to impose requirements such as:

- limitations on the hours when children may be present.
- age limitations for persons under 18
- limitations or exclusions when certain activities are taking place
- requirements for accompanying adults
- limitations of access to certain parts of the premises when particular licensable activities are taking place
- provision of suitable signage

- such other conditions or restrictions as may be necessary to achieve the licensing objectives.

Paragraph 10.4 Licensees are not to provide alcohol except as provided for by the Act. The Council expects applicants to consider child access in their operating schedules and volunteer appropriate conditions where relevant. The Council recommends that the following documents should be used as evidence of age:

- Passport
- Photo Card Driving licence issued in the European Union
- Proof of Age Scheme Card (i.e. Portman Group) and schemes which carry the Proof of Age Standard Scheme logo
- Citizen Card supported by the Home Office
- Official ID Card issued by HM Forces or a European Union Country bearing a photograph and date of birth of the holder.

Paragraph 10.5 The Licensing Authority requires applicants to consider, where relevant, those factors that impact on the protection of children objective, and identify where necessary and appropriate, suitable measures to promote this objective. Applicants may wish to consider, where appropriate:

- arrangements to prevent children acquiring of consuming alcohol
- arrangements to prevent children being exposed to drugs, drug taking, or drug dealing
- arrangements to prevent children being exposed to gambling, or activities of an adult or sexual nature
- steps to be taken to prevent children being exposed to violence or disorder
- arrangements for training staff in relation to the protection of children
- steps to be taken to prevent children purchasing cigarettes from vending machines and preventing access to Amusement with Prize Machines (except in accordance with the Gaming Legislation).

Paragraph 10.6 Applicants may volunteer prohibitions and restrictions on their Operating Schedules as a result of their own risk assessments determining that the presence of children is undesirable or inappropriate. Where no relevant representations are made to the Licensing Authority these volunteered prohibitions and restrictions will become conditions attached to the licence or certificate. The Licensing Authority may impose conditions where relevant representations are made if it considers it necessary and/or appropriate including those drawn from the Model Pool of Conditions shown at in Appendix 3.

Paragraph 10.7 The Licensing Authority will also expect applicants, where relevant, to consider how they intend to provide for the supervision of children as unaccompanied customers and as performers providing regulated entertainment. Licence holders should give consideration to the welfare of children as performers in such cases. As a minimum requirement the Licensing Authority will require an adult to be nominated to be responsible for such child performers.

Paragraph 10.8 Where large numbers of unaccompanied children are to be present e.g. children's show or pantomime, conditions may be imposed, where relevant representations are received, requiring the presence of an appropriate number of adult staff to ensure public safety and protection of children from harm. The Licensing Authority requires applicants to address those matters in their operating schedules. See paragraph 12.1 for further guidance.

Paragraph 10.9. The Licensing Authority recognises Lancashire County Council Social Services Department or a future body with the relevant legislative functions of a social

services department as being competent to advise on matters relating to the protection of children from harm.

CHILDREN AND CINEMAS

Paragraph 11.1 Where the exhibition of films is permitted the Licensing Authority requires admission to children to be restricted in accordance with the British Board of Film Classification (BBFC) or any other body designated under section 4 of the Video Recordings Act 1984.

Paragraph 11.2 Where it is proposed to exhibit films not classified by the BBFC, the Licensing Authority will, provided 28 days notice has been given, classify the films concerned using the guidelines published by the BBFC.

CHILDREN AND PUBLIC ENTERTAINMENT

Paragraph 12.1 Where there is entertainment specifically provided for children (e.g. children's disco) the Licensing Authority would recommend as a minimum:

- an adult member of staff to be stationed in the vicinity of each of the exits, a minimum of one member of staff per 50 children or part thereof
- no standing to be permitted in any part of an auditorium during the performance
- no child unless accompanied by an adult to be permitted in the front row of any balcony.

Paragraph 12.2 Where relevant representations are made, the Licensing Authority may, if it considers it necessary and/or appropriate attach conditions to licences and permissions to prevent harm to children, these may include those drawn from the Model Pool of Conditions at Appendix 3 relating to the Protection of Children from Harm.

PREVENTION OF PUBLIC NUISANCE

Paragraph 13.1 Licensed Premises have significant potential to adversely impact on communities through public nuisances arising from their operation.

Paragraph 13.2 The Licensing Authority is aware of the importance of the licensed trade to the local economy as well as in cultural and social terms. The Licensing Authority is also concerned to protect the amenity of residents and businesses in the vicinity of licensed premises. 'Vicinity' is not defined in the Act or Guidance issued by the Secretary of State. Whether or not incidents can be regarded, as 'in the vicinity' of licensed premises is a question of fact and will depend on the particular circumstances of the case.

Paragraph 13.3 The Licensing Authority will interpret 'public nuisance' in its widest sense and include such matters as noise emanating from the premises, light, litter, odour and anti social behaviour where these matters impact on those living or working in an area.

Paragraph 13.4 Activities that involve public entertainment, drinking or eating have the potential to impact adversely on their surrounding areas due to noise, litter, and odours. There is also the potential for disturbance caused by those attending licensable activities. Late at night the impact of licensed activities is likely to be more objectionable to residents living close to a licensed activity, as the ambient noise levels are often lower so noise disturbance becomes more noticeable.

Paragraph 13.5 The policy allows for later opening hours except where there will be an adverse impact on the licensing objectives. In general the Licensing Authority will expect more comprehensive measures to be proposed at late night venues and/or where there has been a history of public nuisance.

Paragraph 13.6 On receipt of relevant representations, the Licensing Authority will assess the likelihood of it causing an adverse impact, by generally considering the following factors where relevant:

- the location of the premises (in particular proximity to residential and other noise sensitive premises, e.g. hospitals, nursing homes, hospices and places of worship)
- the type of activities, the number and nature of clientele likely to attend at the time of the application
- the proposed hours of operation
- levels of public transport accessibility for customers either arriving or leaving the premises (including taxis and private hire)
- means of access to premises (whether on principal pedestrian routes)
- the level of car parking demand on any surrounding residential streets and its effect on local residents
- the cumulative impact on licensed premises in an area
- the scope for mitigating an impact i.e. CCTV, door supervisors
- the frequency of an activity
- the design and layout of the premises
- measures taken or proposed to be taken to prevent noise or vibration escaping from the premises e.g. sound proofing, air conditioning and sound limitation devices
- measures taken to prevent unreasonable disturbance by customers/staff arriving and leaving the premises, goods deliveries etc
- measures taken to lessen the impact of parking in the vicinity
- control of operating hours for all or parts of the premises (e.g. gardens, last admission times and 'wind down' periods)
- measures to be taken to prevent drunkenness on the premises
- measures to ensure collection and disposal of litter and waste outside their premises

Paragraph 13.7 The Licensing Authority when considering an application will take into account previous substantiated nuisance complaints particularly when a statutory notice has been served. Applicants may wish to have regard to the Good Practice Guide on the Control of Noise from Pubs & Clubs produced by the Institute of Acoustics and the British Beer and Pub Association.

Paragraph 13.8 On receipt of relevant representations, the Licensing Authority, where it considers it necessary and/or appropriate may attach conditions to a licence to prevent public nuisance including those drawn from the Model Pool of Conditions - see Appendix 3. In particular, it may attach a condition requiring the use of door supervisors licensed by the Security Industry Authority

Paragraph 13.9 The Licensing Authority requires Operating Schedules, where relevant to satisfactorily address the issue of public nuisance.

Paragraph 13.10 The Licensing Authority would also recommend applicants highlight local public transport links and taxi and private hire services within their premises, (including agreeing arrangements with nominated taxi and private hire firms for dropping off and collecting customers).

Paragraph 13.11 The Licensing Authority, will in accordance with the Guidance, focus on matters within the control of the individual Licence holder. The Licensing Authority accepts that the difficulty that a licence holder has in preventing anti-social behaviour by individuals once they are behind the direct control of the Licence Holder. However, the licensing objection of preventing public nuisance will not be achieved if customers from premises regularly conduct themselves in an anti-social manner to the detriment of local residents or businesses. In addition, the Council has a duty to do all it can to prevent crime and disorder in the Borough under the Crime & Disorder Act 1998.

The Human Rights Act 1998 makes it unlawful for a local authority to act in a way that is incompatible with the European Convention on Human Rights. The Council will have particular regard to the following convention Rights;

- Article 6 that in the determination of civil rights and obligations everyone is entitled to a fair public hearing within a reasonable time by an independent and impartial tribunal established by law;
- Article 8 that everyone has the right to respect for his home and family life;
- Article 1 of the First Protocol that every person is entitled to the peaceful enjoyment of his/her possessions including for example, possession of a licence.

for the Ley Inn at Back Lane, Clayton-le Woods, Chorley**

Dear Sir,

As a resident of Stack Croft, Clayton-le-Woods I wish to register my opposition to the granting this License. My objection is based on my experience of living close to the Ley Inn Pub for many years. I am extremely concerned that any extension to the current license held by the pub would further invade my privacy.

On busy days and at the weekends especially during the summer, the noise nuisance is appalling, the shouting and swearing from people drinking outside in the beer garden is totally unacceptable. At night I am disturbed by the loutish behaviour of people leaving the pub who have had too much to drink, The disgusting language, scuffles and running fights which continue long after closing time is quite appalling. Cars and bikes rev up their engines before screeching off the car park, further disturbing the peace.

I fail to see how the granting of a license to enable the Ley Inn to continue to serve alcohol in the pub bar later into the night will do anything to improve the current situation that exists, I fear it will only make matters worse.

Yours faithfully,

Dear Mr. Bradley,

As residents of Stack Croft, Clayton-le-Woods we are strongly opposed to the granting of this License. Our objections are based on our experience of living close to the Ley Inn Pub for many years. We are extremely concerned that any extension to the current license held by the pub would further invade our privacy and disrupt our lives.

On busy days and at the weekends especially during the summer, the noise nuisance is appalling, the shouting and swearing from people drinking outside in the beer garden is totally unacceptable.

The thumping music from the juke box and the noise from the bar and games room especially on nights when there is a live sporting event on the large screen is deafening. At night we are disturbed by the loutish behaviour of people leaving the pub who have had far too much to drink, the heated arguments and foul language, the vicious scuffles and running fights continue in the beer garden and childrens playground long after closing time. This disturbing anti social behaviour continues into the early hours of the morning. Many of the late night drinkers are also the parents of children who have been left all day unsupervised shouting and screaming in the playground. The weekends, Christmas, New Year and bank holidays are truly unbearable. Surely it is an offence to serve alcohol to anyone who is already drunk.

We also live with the cooking smells and cigarette smoke that emit from the inefficient extractor fans that pollute the air day and night. These noisy fans are often left on all night to continue disturbing the peace of the early hours.

The situation at the Ley Inn seems to be out of control, the management appear unable or unwilling to curtail the activities of the loutish element that now frequent the pub. Where does the management's responsibility begin and end? We therefore request an urgent review of this license application.

Yours sincerely,

Government forced to water down new drinks laws after fierce pressure from householders

By Jason Lewis

WHITEHALL CORRESPONDENT

LABOUR'S plans to allow 24-hour drinking were in disarray last night after a major Cabinet revolt, The Mail on Sunday can reveal.

The Government yesterday appeared to be watering down its proposals to allow pubs and clubs to open round the clock and was giving town hall chiefs more power to restrict licenses.

The move comes after a massive outcry and widespread fears that the change would fuel violent and anti-social behaviour – claims rejected by Whitehall.

But The Mail on Sunday has learned that the climbdown was prompted by senior Cabinet figures who warned Tony Blair that the effect of new licensing laws would damage the Government.

After a summer spent away from Westminster, several of Mr Blair's most trusted Cabinet colleagues said they feared the regulations due in November could lead to an explosion of binge drinking.

One senior Minister told The Mail on Sunday: 'I witnessed shocking scenes when I left the cinema at the same time as the pubs were closing.'

'Other Ministers have told of similar behaviour at a time when the Government is trying to bring in new measures to foster respect and responsibility in our society. Against this background we cannot be seen to be also advocating drunkenness and thuggery.'

Opposition to many applications by pubs all over the country to extend their opening hours has been fierce.

One example, which is representative, involves The Scarsdale pub in the Georgian conservation area of Edwardes and Pembroke Squares in Kensington, West London.

Residents have filed 300 letters of protest to their local licensing authority against plans submitted by the Spirit group pub to extend its hours and introduce unsuitable music, including karaoke, into what is a leafy residential area.

Householders have hired lawyers to represent them and

Labour peer's own fight

THE Government suffered another embarrassment last night when it was revealed that the head of an influential Labour-created quango is trying to stop his local pub extending its opening hours.

Ofcom chairman Lord Currie of Marylebone – a former adviser to Chancellor Gordon Brown – has written to Islington Council, North London, objecting in the 'strongest possible terms' to an application by the Hogshead pub in Clerkenwell to stay open until 1am on Thursdays and 2am on Fridays and Saturdays. Lord Currie, 59, who lives in a luxurious block of flats close to the pub, was unavailable for comment last night but said through a spokesman that the Hogshead had a history of excessive noise and drunkenness, a claim the pub denied.

gained the backing of local MP Malcolm Rifkind.

The Government's sudden change of heart last night left the brewing industry and local authorities which administer the licences in confusion.

Pub and club owners were unclear about whether licence extensions they expected to be approved would now be rejected, while local authorities said they did not know if they had to judge the licence applications that have not been finalised on different criteria from those that had already gone through the system.

The new guidance also leaves question marks over all new

damage Tessa Jowell, who has ultimate responsibility for the late-night drink legislation.

However, the Culture Secretary is virtually fireproof because of her close loyalty to the Prime Minister. Last night, the Department of Culture claimed 'nothing had changed'.

A spokesman said the Government was merely underlining the existing position that already encouraged local authorities to listen to the views of the public if they objected to proposed licence extensions.

He said: 'James Purnell will write to every local authority spelling out that where residents raise objections a council's primary concern is to promote the objectives of preventing crime, disorder and public nuisance.'

But a spokesman for the British Beer and Pub Association (BBPA), which represents 40,000 of Britain's 60,000 pubs and bars, said: 'We haven't had any information from the Government as to how this is going to work out.'

'We have no information on how it will work with regard to premises that have already been granted longer hours. It seems to be a changing situation.'

Nine out of ten of the bars and pubs the BBPA represents have applied for a change in licensing hours, he added.

The Local Government Association, which represents councils in England and Wales, was also unaware of how the guidance would change the application and appeals process.

Sir Sandy Bruce-Lockhart, LGA chairman, welcomed any change redressing the current guidance, which he described as 'too strong and too liberalising'.

Minister: 'I saw shocking scenes'

extended licences approved, with the possibility that many could be revoked as soon as they come up for renewal.

The move is a major blow to the political prospects of James Purnell, the Minister responsible for the drinking legislation, who has been a major advocate of extended opening hours and convinced his colleagues it would lead to a Continental-style cafe society in Britain.

He was also behind Labour's controversial 2001 Election slogan – 'Couldn't give a XXXX for last orders? Vote Labour' that was sent to 5,000 mobile phones on the eve of the vote.

But next week Mr Purnell must write to every local council in Britain telling them to be more sympathetic to local people's objections.

The last-minute U-turn will also

Information on plans

Plans of the premises must accompany the application and unless the relevant Licensing Authority has previously agreed in writing with the applicant following request that an alternative scale is acceptable to it, the plans should be drawn on a standard scale (1:100).

Under the Licensing Act 2003 (Schedule 8 Paragraph 2 (6)(b)), the plan is required to be in the specified form (in accordance with the Regulations), of the premises to which the relevant existing licence or licences relate - unless, therefore, any of the existing (current) Licences specifically licence any external area, no external areas need to be shown on the plans, a view to which the DCMS appears to agree.

The plans identify the licensed area edged in red. For the purpose of clarification we confirm that all proposed licensable activities extend to the public areas within this area.

Established public house providing food as identified on the deposited plans trading with a Supper Hours Certificate and with a Childrens Certificate also with rights to provide "regulated entertainment" inherent in LA 1964.

These premises are entitled to sell to residents and supply their bona fide guests 24 hours a day pursuant to section 63(2) LA 1964.

These premises are entitled to provide private entertainment.

These premises have the benefit of a function facility.

AWP Machines under s.34 Gaming Act 1968 Permit

The premises have an existing external area available to patrons for consumption of off supplies.

The current permitted licensing hours for these premises apply for on and off sales as extended by the attached Supper Hours Certificate are:

Monday to Saturday: 11:00 – 00:00

Sundays and Good Friday: 12:00 – 23:30

New Years Eve: 11:00 – New Years Day – terminal hour as existing

Christmas Day: 12:00 – 15:00 and 19:00 – 22:30 and as extended by the attached Supper Hours Certificate

This application seeks to retain the premises current entitlements as above and to specifically authorise under the Licensing Act 2003 the following activities:

1. To permit regulated entertainment comprising: Live music and amplified voice, recorded music by juke box and music systems, comperes for functions and quizzes and similar forms of entertainment, indoor pub games comprising a sporting event in the presence of an audience, exhibition of a film principally video entertainment on screens and TV screens and amusement machines.
2. To the extent that paragraph 4 below is not granted or does not permit: to permit sale of alcohol and such regulated entertainment until 01:00 the following morning on Friday, Saturday, Sunday and Monday at bank holiday weekends, Christmas Eve, Boxing Day and also to the extent that paragraph 4 below is not granted to open to the same hour on up to 20 occasions per annum at my discretion upon 7 days prior notice to the police (if required by them).
3. To permit the premises to open for licensable activities to show the broadcast of televised sporting events of national or international interest outside normal operating hours as identified in box M such opening times for this purpose to be confirmed upon 7 days prior notice in writing to the police before the premises intend to open, such notification to include the opening times and the sporting event which is to be shown.
4. To allow the sale of alcohol and such regulated entertainment as specified in the appropriate boxes below.
5. To permit provision of refreshment after 23:00

For the avoidance of doubt this application is also made for existing premises so that the provisions of schedule 8 paragraph 11 Licensing Act 2003 have effect (so that any hours granted should not be less than the hours already authorised). It is not intended that the style and method of operation of these premises should change.

What licensable activities do you intend to carry on from the premises?

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 15)

I have undertaken my own risk assessment to take the following proposed steps.

The types of regulated entertainment proposed materially do no more than reinstate the normal pub entertainment that was previously unregulated as identified in B1 above.

No new steps have been identified in relation to the four licensing objectives save as below.

b) The prevention of crime and disorder

No further risks have been identified which need to be addressed, save as below

Under the present licensing regime the premises already are able to be open until 00:30

1. Any person exercising a security activity (as defined by paragraph 2(1)(a) of schedule 2 of the Private Security Industry Act 2001) shall be licensed by the Security Industry Authority.
2. Such a person will be employed at the premises at the discretion of the designated premises supervisor/holder of the Premises Licence.
3. Any person as defined in condition (1) will clearly display his name badge at all times whilst on duty.
4. No customers apparently carrying open bottles upon entry shall be admitted to the premises at any times the premises are open to the public.
5. Where CCTV is installed with recording facilities such recordings shall be retained for a period of 30 days and made available within a reasonable time upon request by the police.
6. Alcoholic and other drinks may not be removed from the premises in open containers save for consumption in any external area provided for that purpose.

c) Public safety

No further risks have been identified which need to be addressed, save as below

1. To comply with the reasonable requirements of the fire officer from time to time.
2. To comply with the reasonable requirements of the building control officer.

d) The prevention of public nuisance

No further risks have been identified which need to be addressed, save as below

1. Where appropriate, prominent, clear and legible notices shall be displayed at all exits requesting the public respect the needs of local residents and to leave the premises and area quietly.
2. Noise or vibration shall not emanate from the premises so as to cause a nuisance to nearby properties.

e) The protection of children from harm

The restrictions set out in the Licensing Act 2003 will apply. No unusual or additional risks of harm to children have been identified.

No films or videos of any description will be shown so that they can be viewed by persons under the age of any applicable BBFC/Local Authority certification.
