9 **ITEM REQUESTED BY CLAYTON-LE-WOODS PARISH COUNCIL:
RESIDENTS PARKING ON PAVEMENTS ALONG PRESTON ROAD
NEAR BACK LANE PR6**

It has been noted that residents have received a dispensation to park their vehicles on the pavement along the Preston Road where there is no off-road parking available. This causes a lack of mobility and danger for pedestrians/disabled residents on a 40 mile an hour road. The council's proposal would be to widen the pavement and narrow the road to give pedestrians a safe route when the vehicles are parked. Please can this matter be investigated?

The Parish Council have been advised to report this as a service request to Lancashire County Council.

10 **QUESTIONS FROM MEMBERS OF THE LIAISON AND THE PUBLIC**

In order to allow members of the Liaison and members of the public to raise issues of local concern, a period of 20 minutes has been set aside.

A member of the public may speak for no more than 3 minutes. Members of the public are not required to give notice of the issue they intend to raise, although it is expected in the case of service issues that the appropriate mechanisms for resolving the issue have been explored.

Where a question is raised which cannot be answered at the meeting, a record will be kept by officers supporting the meeting and it will be responded to via the appropriate mechanism.
