The Council has given approval to the implementation of an Area Forum Pilot Scheme in three pilot areas within the Borough, in liaison with partner organisations, the appropriate parish councils and local community groups etc. Each Area Forum will be meeting on three occasions during February/March, June/July and September/October during 2006.

**02. Form and composition**

The council will appoint the area forums as set out in the first column of the table below, composed as set out in the second column of that table.

<b>Name of Area Forum</b>	<b>Composition</b>
1. Clayton-le-Woods North Ward	Clayton-le-Woods North Ward
2. Coppull Parish	Coppull Ward and Part of Chisnall Ward (Coppull West electoral district)
3. Lostock Ward	Parishes of Bretherton, Croston and Ulnes Walton

**03. Membership**

As each Forum is primarily consultative and advisory and does not exercise delegated powers and budgets there is no requirement for political balance. Accordingly membership will be all ward members for the relevant areas, together with any relevant co-optees. In particular a member for the Executive Cabinet may serve on the relevant Area Forum for his/her ward.

The Council will appoint the Chair and Vice Chair of each Area Forum from amongst the Borough Councillors on the Forum.

#### 0.4 **Purpose**

The purpose of the Area Forum Pilot Scheme is to enable:

- The Council and other Partner Organisations to consult and engage with the local community on strategies/policies and service issues within the three pilot areas during the period of the Pilot Scheme, within the context of a non-political ethos.
- The residents and representatives of local community groups and businesses within the three pilot areas to attend the Area Forum meetings, raise questions on service related issues on an open forum basis and, influence the decisions of the Council and other Partner Organisations.
- To evaluate the effectiveness of and the lessons learnt from the Area Forum Pilot Scheme and produce recommendations on the way forward for community engagement across the Borough.

The scope of the Area Forum Pilot Scheme is to improve the Council's position with regard to engaging communities and other stakeholders in future planning and to give local residents the opportunity to influence the decisions of the Council and Partner Organisations.

The Forums will be consultative and deliberative rather than executive i.e., they will not make decisions on behalf the Council.

#### 05. **Terms of Reference**

1. To provide a public open forum to discuss issues and concerns at a local level, including cross-cutting issues and partnership working with Lancashire County Council, Lancashire Constabulary, Chorley and South Ribble NHS Primary Care Trust and other Partner organisations.
2. To consult on Policies and Strategies with a specific Area dimension.
3. To seek views and feedback on Best Value Reviews of relevant council services as they affect the areas.
4. To identify and inform the Executive Cabinet and/or relevant Overview and Scrutiny Committee Panel of matters of local concern.
5. To discuss and consult on area based proposals as appropriate, including:
  - housing issues;
  - community safety
  - traffic calming;
  - traffic regulation orders;
  - street lighting and re-lighting schemes;
  - disabled mobility;

- waste collection and recycling issues;
- weed control and grass cutting;
- Overview and Scrutiny Panel Inquiries; and
- Primary Care Trust service provision.

06. **Meetings**

Meetings of Area Forums will be held in public. The meetings will be held at a suitable venue in the local area. A period of 30 minutes will be allocated for questions by members of the public. Although there is no obligation to do so, it would be helpful if questions could be put in writing to a Ward Councillor at least 48 hours before the start of the meeting. This will help facilitate a full response.

## COPPULL AREA FORUM – 28 FEBRUARY 2006

### QUESTIONS SUBMITTED BY COPPULL PARISH COUNCIL

- 1. Motorcycles on Council-owned land.** The Parish Council would like to ascertain how motorcycles / quad bikes can be stopped from using council-owned land? This includes Ellerbeck East and West, accessed along Coppull Hall Lane and Wigan Lane. Motorcyclists have destroyed fences for access and cause distress and danger to walkers and wildlife as well as noise nuisance to adjacent properties.
- 2. Coppull Community Centre.** There is concern about the dilapidated condition of the Community Centre on Springfield Road. How can funding be arranged to bring it back to a pristine condition which the residents of Coppull can enjoy?
- 3. Chorley Community Safety Partnership.** It is felt that Coppull does not get the same support from the Police and the Community Safety Partnership as other areas in the Partnership.
- 4. Litter/Dog Fouling.** The Parish Council would like to see more prosecutions take place to make people aware of the consequences should they drop litter or not clean up after their dogs.
