06.SL.07 APPLICATION FOR GAMING MACHINE PERMIT - THE SIR HENRY TATE, CLEVELAND STREET, CHORLEY

The Committee considered a report of the Director of Legal Services on an application for the granting of a gaming machine permit under Section 34 of the Gaming Act 1968 to allow up to four amusements with prizes machines to be installed in the premises to be known as 'The Sir Henry Tate' in Cleveland Street, Chorley.

A representative from the applicants, accompanied by the Area Manager of the Group owners of the premises, addressed the Committee in support of the application and circulated layout plans of the premises identifying the location of the proposed machines.

No objections to the application had been raised by either the Police or the Council's Officers.

Following the assessment of the proposals, it was:

RESOLVED - That approval be given to the granting of a gaming machine permit under Section 34 of the Gaming Act 1968 to permit the installation of four amusement with prizes machines in 'The Sir Henry Tate', Cleveland Street, Chorley, subject to the machines being located in the positions identified on the submitted layout plan and a final inspection of the premises by the Council's Officers and the Police.
