Dear Sir/Madam

**Re: Extension of opening/entertaining/serving licence for The Queens, 52 Chapel Street, Chorley, PR7 1BS.**

I would like to register my opposition to the above premises who have recently applied for an extension to their entertainment/serving hours.

I would like to object on the following points:

- The proposed hours are until 1am on a weekday and as there are a number of residents in the street including myself who have to get up early to go to work this will cause a disturbance to our sleep when people are leaving the premises both in cars and on foot. I have experienced being woke up on many occasions when the pub is closing and the band are loading up their van and talking loudly in the car park and the sound of cars being started, radio's on loud, people on foot shouting up the street etc.
- Increase in people hanging around the street in the early hours of the morning.
- The residents have seen on several occasions, bad behaviour from people leaving the pub worst from drink fighting in the street and urinating on our walls. To extend the hours would only bring more trouble later in the evening and early morning.
- Most residents who pay to park their car in the street have found that on occasions when the pub have entertainment on that we are unable to park due to cars/van parking in the street so they can go to the pub. We have also experience damage to our cars being made by people walking past them.
- Excessive noise and bad language late at night disturbing young children who are trying to sleep.

Last year the residents of the street went through this same process and sent in letters and petition etc (Sept 2004). When it went to a meeting the manager of The Queens promised the police that the improvements to the property (new windows to cut down noise etc) which had been set out in 2003 as part of his licence would be carried out

before Christmas 2004 and these improvements have still not been made. The pub had the tables in the car park again over the summer with music playing outside which the manager was told by the police not to do at the meeting in 2004. His promises broken time and time again.

I strongly feel that if you grant the manager of The Queens an extension in their licence that it will affect the quality of life that I and my fellow residents in Victoria Street will have. A question I would like to ask you to consider – If you lived in a street near a pub would you want it to stay open until 1.00am on a weeknight if you had young children and you had to get up at 6-6.30 am to go to work? I would like to ask you to please consider the residents of Victoria Street when making your decision. I trust that you will make the right decision.

Yours faithfully,

Dear Sir

**RE: PREMISES LICENCE REPLY:- LICENSING ACT 2003 - REF Conversion.**

Premises Queens, 52 Chapel Street, Chorley

There are the following police representations to be made in respect of this application:-

In respect of Sections B,C,F,G,H,I,J, the police feel the terminal times are excessive for the location of the premises and feel midnight all week for these licensable activities would be more acceptable. In respect of Section E - Live Music the police also feel this is unacceptable and would recommend a terminal time for live music of 23.00 hrs. This is due to the close proximity of residential premises, bearing in mind a previous application to extend the PEL till midnight was rejected by the Licensing Committie on a previous occasion. In respect of Section L and M it is felt that a terminal hour of midnight would be reasonable with 1 hr extra as in Section O.

The police feel that the current times would seriously impact on the public nuisance , and crime prevention objectives with noise and people leaving the premises and making way home through residentail areas.

The police also note there is no CCTV in operation at the premises and would want a system installed to assist with the crime prevention objective.

Yours faithfully

- 3 AUG 2005
