Dear Sir

RE: PREMISES LICENCE REPLY:- LICENSING ACT 2003 - REF Variation.

Premises MALTHOUSE FARM, MOSS LANE, WHITTLE LE WOODS

There are the following police representations to be made in respect of this application:-

1. The Police are concerned regarding F, K, and M on the form. We feel that the latest time for any amplified entertainment should be no later than 0100 hrs to prevent crime and disorder, the prevention of public nuisance and the protection of children from harm. Entertainment allowed an extra hour at New Year AND OTHER 12 AGREED SPECIAL OCCASIONS, recorded music could generally continue until 0200 but between 0100 and 0100 as background music ONLY at a reduced volume, this would have to be stipulated.
2. We feel for the local area the LATEST sale of alcohol should be 0200, with a suggested 1 hr drinking up time, later at New Year.

Yours faithfully

Police Sergeant 1506

Q Please describe any additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 15)

We have applied for an extended period between the cessation of the supply of alcohol and the closure of the premises to give us the option to allow for a more gradual dispersal of customers. The style and operation of the pub will not differ significantly during the extended hours. Where this is appropriate, non-alcoholic refreshment will be available in the extended period.

The premises will respect Spirit Group's Approach to Responsible Drinking (a copy of which is enclosed in support of this application). Our policies change at regular intervals to reflect current trends and it would be inappropriate to standardise them on a permanent basis. The enclosed policy is included for information only and not as suggested conditions or to form part of any other Operating Schedule.

b) The prevention of crime and disorder

When door staff are used they will be Security Industry Authority (SIA) approved and operate in accordance with the security industry guidelines.

A zero tolerance towards illegal drugs will be enforced at all times.

If a disc jockey is used on any night then he/she will ask customers to leave quietly.

If a CCTV system is installed at this site, it will continue to operate during the additional hours of trading and notices will be displayed.

All instances of crime and disorder will be reported to the police and will be kept in an incident log book.

c) Public safety

Public safety is integral to the way that the Spirit Group runs its business and is reviewed regularly through our health and safety policy. This policy is fully briefed and trained to all management and staff and we will continue to train our staff to the standards required by relevant legislation.
Free drinking water will be available at all times.

d) The prevention of public nuisance

Additional patrols will take place by members of staff, internally and externally, to limit any noise pollution when entertainment is being offered within the premises.

If appropriate, notices will be displayed asking our customers to respect our neighbours when leaving the premises.

Where already used text/radio pagers will continue to be used for the additional hours of trading and will be monitored by a responsible member of staff.

Soft drinks and non-alcoholic refreshment will be available if we decide to use the option to stay open for an extended period between the cessation of the supply of alcohol and the closure of the premises (see above under General).

e) The protection of children from harm

When children are allowed upon the premises, any entertainment offered within the premises will be suitable for young persons.

Children will be required to be supervised by the accompanying adult at all times.

A no smoking area will be provided.

Soft drinks and non-alcoholic drinks will be available.

A recognised Proof of Age Policy will be enforced.

Our Approach to Responsible Drinking

- Our pricing policy is about delivering great value for customers at fair, competitive prices - it is not about encouraging excessive drinking.
- We don't offer financial incentives to customers to drink to excess (e.g we don't have 'all-you-can-drink for a set price' offers).
- We make sure any time limited alcohol promotion is offered over a reasonable period.
- We don't sell alcohol to anyone who's under age – we always ask for Proof of Age when in doubt.
- We don't charge for tap water.
- We support anti drink/drive initiatives (e.g Dept of Transport Think! Campaign).
- We stay focused on food sales as an important part of our offer.
- We respect the fact that many of our pubs are in residential areas and take steps as far as possible to limit any noise from inside our premises.
- We have a zero tolerance approach towards drugs on our premises.
- We use toughened glass for pints and half pints in our outlets as far as possible and are moving progressively towards 100% usage.
- We make sure that all our Team Players' training is focused on creating a safe and welcoming environment for our customers.
- We are rolling out Security Industry Authority (SIA) approved door supervisors across our estate, in line with the Government approved roll out plan.
- We attend local Pubwatch (or equivalent) meetings where they are in place.
- Any pub specific alcohol related promotional activity is signed off by the relevant Business Development Manager, who is responsible for compliance with our policy.
