Dear Tracy,

Councillor Whittaker has forwarded to me the email you received from Jonathan Noad at South Ribble, dated 21st January, 2021.

As a local resident , overlooking the Camelot site, I am extremely concerned about and object to this Licensing Application for the following reasons:-

1. Our area is a quite residential area and the potential noise from the films and more importantly the "recorded and live music and dance" / concerts, that will be allowed to 23.00, is highly likely to be very disrupted to our common law rights to peace and quite.

I trust you will place this objection before the Licencing Officer and I look forward to receiving an acknowledgement of this email confirming receipt,

Regards,
