Dear Sir

RE: PREMISES LICENCE REPLY:- LICENSING ACT 2003 - REF Variation.

Premises ROSE AND CROWN INN,120, SOUTHPORT ROAD,ULNES WALTON

There are the following police representations to be made in respect of this application:-

1. The Police are concerned regarding B, C, E, F, G and M on the form. We feel that the latest time for any amplified entertainment should be no later than 0000 hrs Monday to Sunday to prevent crime and disorder, the prevention of public nuisance and the protection of children from harm(noise).
2. There will be no objections to the premises playing recorded music at a reduced volume after 0000 in the wind down period so long as not to disturb neighbours etc., with a condition that any music is 'inaudible to the nearest noise sensitive location'.
3. Due to the nature of the existing business and the local area, the timing for the supply of alcohol is too late.
4. With regards to the non-standard timings the police make representations, we feel there should be a maximum 12 events per year with 7 days notice being given to the police and relevant council, any further changes to those applied for then must be as 'temporary event notices'.

Yours faithfully

RE: - Extended Licensing Hours
Rose & Crown Public House
Southport Road
Ulmes Walton

To Whom It May Concern:

We have just discovered that the Rose & Crown Public House, Ulmes Walton has applied to extend its opening hours from Monday to Sunday. As residents who live near to the pub we wish to raise our objections to any extended opening and raise our concerns with the Council of the problems that are likely to be generated due to an extension in opening hours.

In recent months, the Rose & Crown Pub has gone from a relatively quiet pub, to one which has become increasingly busy and noisy. We're glad the pub is becoming more successful and we're not too concerned with the increased noise levels from the occasional outdoor music event at the pub or from the music played inside the pub, as this has normally tailed off by 11pm. But there have been nuisance problems with people leaving the pub after last orders, particularly on Saturday nights, together with the occasional fight/disturbance. Earlier this year there was even a fight inside the pub which spilled over into street, requiring a large police presence with support from a police helicopter before the situation became controlled. However, we feel that any problems are not in the main caused by local residents but by non-locals using the pub, judging by the large number of cars left overnight at the pub car park at weekends.

Due to the recent increase in nuisance behaviour, we are now reluctant to walk our dog after 11 pm at weekends and I'm sure other residents feel the same. While we have sympathy with the pub wanting to increase its trade, it doesn't need a psychic to predict further increases in noise and nuisance behaviour after 11pm if the opening hours are extended as the pub wishes.

If the application from the Rose and Crown is accepted, any problems that do occur, we will hold the council responsible.

Yours faithfully

Dear Sirs,

LICENSING ACT 2003 – APPLICATION FOR CONVERSION / VARIATION TO PREMISES LICENSE RE: ROSE AND CROWN INN, 120 SOUTHPORT ROAD, ULNES WALTON, LEYLAND, PR26 8LP

Records held by the Environmental Services department show that since 1993 one complaint has been received regarding noise from the premises.

As this complaint was only received on 22nd August 2005, it is an open complaint and as such I do not have any evidence to suggest that noise from the premises is causing a statutory nuisance, therefore I have no environmental concerns at present.

I have however spoken to the licensee and have agreed with her the following conditions which I would ask be applied to the licence in order to reduce the likelihood of disturbance to nearby residential properties:

- 1) All windows must be kept closed for the entire duration of any activity permitted by the licence.
- 2) All internal (lobby) doors must be kept closed for the entire duration of any activity permitted by the licence save for allowing normal access to and from the premises.

Yours Sincerely

Mr P Lee

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 15)

I have undertaken my own risk assessment to take the following proposed steps.

The types of regulated entertainment proposed materially do no more than reinstate the normal pub entertainment that was previously unregulated as identified in B1 above.

No new steps have been identified in relation to the four licensing objectives save as below.

b) The prevention of crime and disorder

No further risks have been identified which need to be addressed, save as below

1. Any person exercising a security activity (as defined by paragraph 2(1)(a) of schedule 2 of the Private Security Industry Act 2001) shall be licensed by the Security Industry Authority.
2. Such a person will be employed at the premises at the discretion of the designated premises supervisor/holder of the Premises Licence.

5. Where CCTV is installed with recording facilities such recordings shall be retained for a period of 30 days and made available within a reasonable time upon request by the police.
6. Alcoholic and other drinks may not be removed from the premises in open containers save for consumption in any external area provided for that purpose.
7. The maximum occupancy of the building (including staff and performers) will be restricted to 150 persons.

c) Public safety

No further risks have been identified which need to be addressed, save as below

1. To comply with the reasonable requirements of the fire officer from time to time.
2. To comply with the reasonable requirements of the building control officer.

d) The prevention of public nuisance

No further risks have been identified which need to be addressed, save as below

1. Where appropriate, prominent, clear and legible notices shall be displayed at all exits requesting the public respect the needs of local residents and to leave the premises and area quietly.
2. Noise or vibration shall not emanate from the premises so as to cause a nuisance to nearby properties.

e) The protection of children from harm

The restrictions set out in the Licensing Act 2003 will apply. No unusual or additional risks of harm to children have been identified.

No films or videos of any description will be shown so that they can be viewed by persons under the age of any applicable BBFC/Local Authority certification.

Information on plans

Plans of the premises must accompany the application and unless the relevant Licensing Authority has previously agreed in writing with the applicant following request that an alternative scale is acceptable to it, the plans should be drawn on a standard scale (1:100):

Under the Licensing Act 2003 (Schedule 8 Paragraph 2 (6)(b)), the plan is required to be in the specified form (In accordance with the Regulations), of the premises to which the relevant existing licence or licences relate - unless, therefore, any of the existing (current) Licences specifically licence any external area, no external areas need to be shown on the plans, a view to which the DCMS appears to agree.

The plans identify the licensed area edged in red. For the purpose of clarification we confirm that all proposed licensable activities extend to the public areas within this area.
