Subject: Information provided in advance of a hearing- The Imperial, 59 Union Street

Dear Mr Gazra,

I attach two documents which make up some information I am providing in advance of the hearing to determine an application for the review of a premises licence in respect of The Imperial, 59 Union Street.

Police, Licensing and the premises licence holder have been working to secure an agreed position to be put before the Sub Committee; agreement has now been reached in the form of conditions to be imposed on the premises licence. I attach herewith confirmation from each the Police and the premises licence holder confirming their agreement and confirmation by this email that this is acceptable to me, on behalf of the Licensing Authority.

It was agreed that all parties would be in attendance at the hearing to answer any questions which the Sub Committee might have.

Could you please arrange for a copy of the attached two documents and this email to be made available to the Sub Committee?

Kind regards,

Nathan Howson  
Enforcement Team Leader (Licensing)
