

Housing where residents can live well

- Deliver affordable and green housing
- Strive for good quality housing for all
- Work with partners supporting new ways to prevent homelessness
- Support our most vulnerable residents

A green and sustainable borough

- Work towards our commitment to be carbon neutral by 2030
 - Support waste reduction, reuse and recycling
- Work with partners to retain natural habitats and improve air quality
 - Promote sustainable transport and infrastructure

An enterprising economy with vibrant local centres in urban and rural areas

- Support business growth and expansion across the borough
- Work with partners to support skills development and innovation
- Work with partners to promote the district as a visitor destination and attract investment in our local service centres
 - Promote the green economy

Healthy, safe and engaged communities

- Support and encourage active lifestyles and health and wellbeing
 - Support development of leisure services and facilities meeting the needs of residents
 - Deliver events and places to go for everyone
- Ensure all residents of all ages can access the services they need, physically and digitally
- Promote resilient, cohesive neighbourhoods by listening and responding
- Work with partners to join up public services so that they make sense for everyone

Housing where residents can live well

- Deliver affordable housing by developing and implementing a plan for development and acquisition
- Deliver flexible housing solutions to meet the needs of all communities
- Open the extra care scheme at Tatton Gardens to provide safe and secure self-contained accommodation for older adults
- Implement a home energy support scheme including advice and energy saving measures
- Deliver the Local Plan to ensure sustainable future development and investment

An enterprising economy with vibrant local centres in urban and rural areas

- Open Strawberry Meadows to provide a mix of office and light industrial space for new and existing businesses
- Continue Development at Astley Hall undertaking renovation works to the wider hall complex and visitor experience
- Launch a Skills and Jobs Programme focused on job creation in high growth sectors
- Deliver improvements to local service centres by enhancing local service centres across the borough, including the town centre

A green and sustainable borough

- Deliver natural green initiatives which includes tree planting, development of 'green corridors', and improvements to local natural habitats around our canals and waterways
- Launch Sustainable Energy Package for Businesses providing support and advice on carbon reduction, including access to appropriate grant schemes
- Improve our Council buildings to create a modern environment and attractive work space to support the way we work
- Develop use of green energy in the Borough by exploring feasibility of green energy production in Chorley and deliver electric vehicle charging points
- Deliver improvements to public transport networks including bus shelters and green shelters to enhance biodiversity

Healthy, safe and engaged communities

- Increase digital connectivity in the rural areas by developing a scheme to improve broadband provision in targeted areas
- Provide support for families and young people to start and live well by enhancing our social prescribing service to support family and early years
- Deliver the Cost of Living Action Plan by providing a range of support and interventions including food and fuel poverty, debt and housing
- Deliver a health and wellbeing programme working with local partners to include support around mental health as well as physical health
- Deliver high quality, responsive council services implementing the Shared Property and Assets service, and to continue with our programme of improvement and transformation
