Public speaker: Claire Wilkinson (Agent)

After careful consideration, it was proposed by Councillor Alistair Morwood, seconded by Councillor Jean Sherwood and subsequently **resolved (by majority 10:1:0) that permission in principle was refused for the following reason:**

The proposed development would be located within the Green Belt as defined by the Chorley Local Plan 2012 – 2026. The proposed development is not considered to represent limited infilling and would be inappropriate development in the Green Belt and therefore harmful by definition. It is not considered that there are very special circumstances to overcome the definitional harm to the Green Belt and additional harm caused through encroachment. The proposal is therefore contrary to the National Planning Policy Framework and policy HS7 of the Chorley Local Plan 2012 – 2026.
