The Borough of Chorley

The Borough of Chorley is set in attractive countryside between the West Pennine Moors and the Lancashire Plain. It has been an important market and trading centre since medieval times. Its location at the centre of the North West and its excellent road and rail links has meant that we have been able to develop a thriving economic base without sacrificing the appeal of rural life.

The Borough has a population of just over 105,000 and extends over an area of 80 square miles. It has a workforce of around 49,000 and attracts some three million visitors a year. Two wards are eligible for Transitional Area funding. Independent research has shown that the general quality of life in Chorley is 20% better than the average for the UK. As such Chorley stands out as one of the top 15 districts to live in the whole of the North of England, with low unemployment, high owner-occupancy, and academic achievement above average. Property prices in many parts of the Borough are very reasonable.

Because of its position on the edge of the West Pennine Moors, the informal leisure and recreation opportunities in Chorley are superb and England's longest canal, the Leeds and Liverpool, winds its way through the Borough, with facilities for boating and other activities along the route. The Borough also has four leisure centres and four golf courses, not to mention numerous public parks and open spaces. Other attractions include Hoghton Tower, a historic fortified hill top mansion, and Camelot Theme Park, where Arthurian jousting tournaments are held alongside thrilling white knuckle rides.

Chorley is just a short distance from the coast and within easy reach of the Lake District and Yorkshire Dales. The commercial, shopping, cultural and sporting attractions of the regional capital of Manchester are close by and there is a frequent direct train service to the city and also to Manchester International Airport.

The town of Chorley itself is famous locally for its "Flat Iron" and covered markets. The weekly Flat Iron market, originating from 1498, developed from an agricultural produce market into one of the best open-air markets in the North West. Throughout the Borough, several craft galleries and antiques markets can be found and in the Town Centre there is the Market Walk shopping complex which features many high street names.

There are approximately 377 premises licensed to sell alcohol ranging from off licences to public houses, members only clubs, restaurants and nightclubs.

The Council's vision in its cultural strategy is to improve the economic viability for performing artists and local creative industries. The Council aims to extend and develop opportunities for the culture and leisure sectors that will help sustain regular employment. The Council aims to assist through helping promote and market creative events locally, regionally and nationally, by working with cultural and leisure employers to raise the profile of the sector, assisting with the training needs of artists and developing a festival programme to celebrate local talent. The Council recognises that local pubs and clubs provide a valuable training ground for musicians and performers as well as providing a support network for young artists.

The Council wishes for this to continue and develop. The challenge for the future is to find more creative and innovative ways to develop partnership working to produce more exciting and dynamic cultural experiences for customers and visitors alike.

The Council seeks to maintain a balance between the business operating in its area, the residents living within its area and cultural, entertainment and tourist interests. Full consideration has been given to all these issues in formulating this Policy Statement.

1. EXECUTIVE SUMMARY

- 1.1 The Local Government (Miscellaneous Provisions) Act 1982 Schedule 3 provides a licensing system for the provision of entertainment of a sexual nature. Applications for such licences will be considered by the Licensing and Public Safety Committee.
- 1.2 In drafting this policy consideration of current Home Office Guidance on Sexual Entertainment Venues has been taken.
- 1.3 In determining applications for sexual entertainment venue licenses the Licensing Committee shall treat each application on an individual basis, on its own merits, in accordance with the Local Government (Miscellaneous Provisions) Act 1982 (as amended) and having regard to the matters detailed in this policy.

2. GROUNDS FOR GRANTING OR REFUSING THE APPLICATION

- 2.1 A decision to refuse the licence may not be made solely on the ground that the establishment may cause offence. A licence must be refused on any of the grounds listed in paragraph 12(1) of Schedule 3 of the Local Government (Miscellaneous provisions) Act 1982, that is to say:-
 - (a) to a person under the age of 18;
 - (b) to a person who is for the time being disqualified as being a licence holder whose licence has been revoked within the previous 12 months;
 - (c) to a person, other than a body corporate, who is not resident in the United Kingdom or who was not so resident throughout the period of six months immediately preceding the date when the application was made; or
 - (d) to a body corporate that was not incorporated in the United Kingdom; or
 - (e) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.
- 2.2 A licence may be refused where any of the following matters mentioned in paragraph 12(2) and (3) applies:
 - (a) The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason
 - (b) That if the licence were to be granted, renewed, varied or transferred the business to which it relates would be managed by or carried on for the benefit of a person other than the applicant, who would be refused the grant, renewal, variation or transfer of such a licence if he made the application himself.With regard to the unsuitability of an applicant to hold a licence (see a above), officers will make diligent enquiries with the applicant to establish:-
 - That the operator is honest
 - That the operator is qualified by experience to run the type of sex establishment in question
 - That the operator understands the general conditions
 - That the operator is proposing a management structure which delivers compliance with the operating conditions, eg through:- managerial competence, presence, a credible management structure, enforcement of rules internally, a viable business plan and policies for welfare of performers
 - That the operator can be relied upon to act in the best interests of performers, e.g. in how they are remunerated, the facilities they enjoy, how they are protected and how and by whom their physical and psychological welfare is monitored
 - That the operator can be relied upon to protect the public, e.g. transparent charging, freedom from solicitation.

- That the operator can show a track record of management of compliant premises, or that s/he will employ individuals who have such a track record.

With regard to (b) above by interviewing the applicant and the questions asked in the application form officers will try to establish that there would be no third party beneficiary.

(c) That the number of sexual entertainment venues in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality. Consideration will be given to the relevant locality, and to the number of sexual entertainment venues suitable for it. The locality cannot include for example the whole of the administrative area or an entire town. The relevant locality might cover the area of a ward, specific estates, shopping areas or areas bounded by rivers and major roads or the Committee may wish to consider a distance 1,000 metres from the applicant premises or some other nearby landmark as comprising the relevant locality. When considering the number of premises that is appropriate for the locality, the following factors will be taken into account:-

- The suitability of the applicant.
- The character of the locality - e.g. family residential / family leisure / educational.
- Presence of sensitive uses - e.g. places of worship, schools, youth clubs, community centre, library, park, swimming pool.
- Gender equality - will this use deter female users of the locality?
- Fear of crime, as well as actual crime.
- Regeneration / tourism efforts and the effect of sex-related uses.
- Views of other authorities e.g. police, environmental health, planning.
- Level of genuine demand - excess supply may drive down standards and encourage non-compliant conduct.

The number can be nil, but this decision needs to be rationally underpinned.

(d) That the grant or renewal of the licence would be inappropriate, having regard to the :

- (i) character of the relevant location; or
- (ii) use to which any premises in the vicinity are put; or
- (iii) layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Consideration will be given to the following in this regard:

- (i) the character of the relevant locality:

Regard will be given to the following points when addressing relevant locality:-

- Uses of the area e.g. commercial, industrial, mixed commercial, residential?
- Users of the area e.g. adults, children, shoppers?
- How the area is perceived e.g. tourist attraction, shopping centre?
- Is there a local vision/plan for the area ?
- What type of area would not be acceptable in character terms e.g. predominantly residential areas and small communities with little commercial activity?
- What areas might be acceptable e.g. In the larger towns on commercial streets later at night when other commercial activities have closed, or on mixed commercial sites out of towns ?

- (ii) the use to which any premises in the vicinity are put.

Regard will be given to the proximity of the proposed establishment to schools, places of worship and premises such as nurseries, playgroups, village halls and playgrounds.

(iii) The layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made. The premises should meet or can be made to meet the layout and structural requirements set out in the “standard conditions applicable to licenses for sexual entertainment venues” contained in this document.
