14 REDUNDANCY

The Employment Rights Act 1996 provides that an employee must have more than two years' continuous service with the same employer in order to qualify for a redundancy payment. The Council has exercised its discretion to calculate redundancy payments, on the basis of an employee's actual salary (as at the calculation date) opposed to the statutory maximum rate.

Redundant employees will receive two elements of their final pay:

- Normal pay up to the agreed leaving date
- A severance payment (where entitled) calculated in accordance with the statutory redundancy payment calculator which calculates the number of weeks of redundancy pay an individual is entitled to and this is multiplied by the employee's normal gross weekly pay (The amount of a week's pay is the amount you are entitled to under the terms of your contract of employment on the calculation date). The first £30,000 of any severance payment is not subject to tax or National Insurance.

Further information on redundancy can be found in the Change Policy, available on the intranet.

15 PENSION

As an employee of Local Government you will be contractually enrolled into the Local Government Pension Scheme, administered locally by Lancashire County Council, unless you decide to opt out, which you can do by obtaining an opting out form from www.yourpensionservice.org.uk. Should you decide to opt out of the pension scheme, you have the right to rejoin the Local Government Pension Scheme at any time and membership would normally commence from the beginning of the next available pay period (subject to meeting the normal requirements for scheme membership).

You can also get further details regarding the Local Government Pension Scheme, including contribution rates and the associated benefits, at www.yourpensionservice.org.uk. It is our policy to set contribution rates as at 1 April each year and not to make any changes during the year. So even if your pensionable pay were to change during the year such that it fell into a different contribution band, your contribution rate would not change until re-assessment the following 1 April.

You will receive a form YPS1 (Member Enrolment Form) for you to complete and this form is particularly important if you have previous pension rights as from being eligible to join the Scheme you only have 12 months to transfer any previous pension rights. You will not be given the opportunity to transfer after this period. Anyone who opts out or stops making payments may be automatically enrolled back into a pension scheme at a later date (usually every three years).

If you decide to join the Scheme, Lancashire County Council will make certain decisions on your status in the Pension Scheme (such as deciding the pay on which Pension Scheme contributions is payable). If you are unhappy with any of these decisions, you have a right of appeal to the Appointed Person under the Scheme's Internal Dispute Resolution Procedure.

Further information on the Local Government Pension Scheme and the pension appeal procedure is available from Human Resources.

16 MEMBERSHIP OF A TRADE UNION

This Council, as your employer, supports the system of collective bargaining in every way and believes in the principle of solving industrial relations problems by discussion and agreement. For practical purposes, this can only be conducted by representatives of the employers and of the employees. If collective bargaining of this kind is to continue and improve for the benefit of both, it is essential that Employees' Organisations should be fully represented on the National and Provincial Councils dealing with Local Authorities' Services. You are eligible to join a Trade Union if you so wish which will represent you on the appropriate negotiating body. Details of the specified Trade Unions on the appropriate negotiating body are available for you to refer to in the Human Resources Directorate.

17 GRIEVANCE PROCEDURE

If you have a grievance relating to your employment, this should be raised in the first instance informally with your line manager. The grievance procedure is available to you on the intranet which outlines the steps to be taken and to whom a grievance should be raised.

18 DISCIPLINARY PROCEDURE

The disciplinary procedure which applies to you is available to you on the Intranet. If you are dissatisfied with any disciplinary decision relating to you, you have a right of appeal in accordance with the authority's Conduct and Capability policy.

19 STANDING ORDERS AND FINANCIAL REGULATIONS

You must ensure that you comply with any relevant Council Standing Orders and/or Financial Regulations during your course of employment. The financial procedure rules are available to you on the Intranet.

20 DBS DISCLOSURE (IF APPLICABLE TO THE POST)

Any misrepresentation on a DBS Disclosure form will lead to the withdrawal of any offer of employment, this being terminated without any obligation of liability on the part of the employer other than for services rendered.

If a criminal record is gained during the term of employment (including actions taken outside the Authority) it will be necessary to assess the risk this may pose to the Council. If the action is deemed to have destroyed the employer's necessary relationship of trust and confidence with the employee or the actions pose any threat to the Authority, its work or reputation, people connected with the Council or members of the public, this may be grounds for dismissal.

21 OTHER CONDITIONS

Provisions relating to other conditions of employment are set out in the policies available on the Intranet.
