### PURPOSE OF REPORT

- To consider formal confirmation of the Tree Preservation Order No.1 (Mawdesley) 2011 without modification.

### RECOMMENDATION(S)

- That Tree Preservation Order No.1 (Mawdesley) 2011 be formally confirmed without modification.

### EXECUTIVE SUMMARY OF REPORT

- No objection has been received in response to making of the above Order made on 22 March 2011. It is therefore now open to the Council to confirm the above Order as unopposed. The effect of formally confirming the Order will be to give permanent legal force to the Order, as opposed to provisional force, thereby making it an offence on a permanent basis to fell or otherwise lop, prune etc, any of the trees covered by the Orders without first having obtained lawful permission.

### REASONS FOR RECOMMENDATION(S)

(If the recommendations are accepted)

- Formal confirmation of the Order affords permanent as opposed to provisional legal protection to the tree covered by the Order.

### ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

- Not to confirm the Order would mean allowing the Order, and thereby the protection conferred on the tree covered by the Order to lapse.

Strong Family Support		Education and Jobs

## BACKGROUND

7. The Order was made on the 22 March 2011. The Order was made and served along with the statutory notice prescribed in Regulations on all those with an interest in the land on which the trees are situated on the 22 March. The same documents were also served on owners/occupiers of adjacent properties. The Order was made because on the assessment of the Council's Tree Officer the trees make a valuable contribution to the visual amenity of the area, being prominently situated and clearly visible to the public and that their removal would have a significant impact on the environment and its enjoyment by the public.
