Subject: Licensing Application Comment From Website

The Coach House
Preston Road
Charnock Richard
Chorley
Lancs
PR7 5LH

With reference to the Premises Licence applied for by Mr. Martin Jones, for BAKU Hunters Lodge, Charnock Richard.

While we do not object in principle to the premises being run as a lounge bar, but we do strongly object to it being open 24 hours a day. Mr. Jones says in his application that there are no houses in the near vicinity, this simply is untrue. There are many households which would be affected by constant music and noise, this would become a public nuisance. The last time these premises were used as a restaurant and bar, we had drunken people late at night up our private drive, shouting and screaming and leaving empty bottles everywhere, There was also noise pollution for the music. This will happen again but on a larger scale. This is a quiet rural area and the local people would like to keep it that way.

John and Valerie Moss
