Apologies for absence were received by Councillors Cain, D Dickinson (Vice-Chair), Edgerley, and S Smith.

06.DC.34 DECLARATIONS OF ANY INTERESTS

No declarations of interest were declared.

06.DC.35 MINUTES

RESOLVED – That the minutes of the meeting of the Development Control Committee held on 20 June 2006 be confirmed as a correct record and signed by the Chair.

06.DC.36 PLANNING APPEALS AND DECISIONS - NOTIFICATION

The Committee received a report of the Director of Development and Regeneration giving notification of four appeals that had been lodged against the refusal of planning permission, one appeal that had been dismissed, one appeal that had been allowed and three appeals that had been granted and one appeal that had been refused by the Planning Inspectorate.

RESOLVED – That the report be noted.

06.DC.37 PLANNING APPLICATIONS AWAITING DECISION

The Director of Development and Regeneration submitted reports on a number of planning applications to be determined by the Committee.

RESOLVED – That the planning applications, as now submitted be determined in accordance with the Committee's decisions as recorded below.

(a) A1: 06/00077/REMMAJ - Land Off Little Carr Lane, Chorley

Application No: 06/00077/REMMAJ

Proposal: Reserved matters application for the construction of residential development comprising 56 dwellings, open space and associated infrastructure.

Location: Land Off Little Carr Lane, Chorley

Decision:

It was proposed by Councillor Bedford, seconded by Councillor R Lees, and subsequently **RESOLVED to approve the reserved matters application subject to the following conditions:**

1. Prior to the commencement of development samples of all external facing and roofing materials (notwithstanding any details shown on previously submitted plan(s) and specification) shall be submitted to and approved in writing by the Local Planning Authority. All works shall be undertaken strictly in accordance with the details as approved unless otherwise first agreed in writing by the Local Planning Authority.

Reason: To ensure that the materials used are visually appropriate to the locality and in accordance with Policy GN5, of the Chorley Borough Local Plan Review (2003).

2. During the construction period, all trees to be retained shall be protected by fencing in accordance with BS5837 (2005): 'Trees in Relation to Construction' as set out in the tree survey hereby approved. Such fencing shall be erected in its entirety prior to any other operations taking place on the site. This fencing should be considered sacrosanct and should not be breached or removed during development. Furthermore within the areas so fenced the existing ground level shall be neither raised nor lowered and there shall be no development or development-related activity of any description including the deposit of spoil or the storage of materials unless expressly agreed by the Local Planning Authority.

Reason: To safeguard the trees to be retained and in accordance with Policies EP9 and HT9 of the Chorley Borough Local Plan Review (2003).

3. No development shall commence unless and until the nature conservation investigation / survey work in accordance with the details submitted pursuant to condition 4 of the outline planning permission have been agreed in writing with the Local Planning Authority and implemented in full, or in accordance with the agreed timing. No dwelling shall be occupied until all those works have been completed.

Reason: In order to secure the nature conservation interest of the site in accordance with condition 4 of the outline application and policy 21 of the Joint Lancashire Structure Plan (2005) and GN5 of the Chorley Borough Local Plan Review 2003.

(b) A2: 06/00266/FULMAJ - Chorley Business and Technology Centre, Euxton Lane, Euxton

Application No:06/00266/FULMAJ

Proposal: Proposed 2no. three storey office units and service roads, landscape areas and car parking.

Location: Chorley Business and Technology Centre, Euxton Lane, Euxton

Decision:

It was proposed by Councillor D Gee, seconded by Councillor A Lowe, and subsequently **RESOLVED to grant planning permission subject to a Section 106 Agreement and the following conditions:**

1. The Development shall only be carried out in accordance with the approved plans, except as may otherwise be specifically required by any other condition of this permission or unless otherwise first agreed to in writing by the Local Planning Authority.

Reason: To define the permission and in the interests of the proper development of the site.

2. The proposed development must be begun not later than three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.

3. Before the development hereby permitted is first commenced, full details of the position, height and appearance of all fences and walls to be erected to the site boundaries (notwithstanding any such detail shown on previously submitted plan(s)) shall have been submitted to and approved in writing by the Local Planning Authority. No building shall be occupied or land used pursuant to this permission before all walls and fences have been erected in accordance with the approved details. Fences and walls shall thereafter be retained in accordance with the approved details at all times.

Reason: *To ensure a visually satisfactory form of development, to protect the amenities of occupiers of nearby property and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.*

4. No part of the development hereby permitted shall be occupied or used until a means of vehicular access has been constructed in accordance with the approved plans.

Reason: *In the interests of highway safety and in accordance with Policy No. TR4 of the Adopted Chorley Borough Local Plan Review.*

5. No development shall take place until a scheme of landscaping has been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail which may have previously been submitted. The scheme shall indicate all existing trees and hedgerows on the land; detail any to be retained, together with measures for their protection in the course of development; indicate the types and numbers of trees and shrubs to be planted, their distribution on site, those areas to be seeded, paved or hard landscaped; and detail any changes of ground level or landform.

Reason: *In the interests of the amenity of the area and in accordance with Policy No. GN5 of the Adopted Chorley Borough Local Plan Review.*

6. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of any buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: *In the interest of the appearance of the locality and in accordance with Policy No GN5 of the Adopted Chorley Borough Local Plan Review.*

7. The development hereby permitted shall not commence until samples of all external facing materials to the proposed building(s) (notwithstanding any details shown on previously submitted plan(s) and specification) have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out using the approved external facing materials.

Reason: *To ensure that the materials used are visually appropriate to the locality and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.*

8. Before the development hereby permitted is first occupied, the car park and vehicle manoeuvring areas shall be surfaced or paved, drained and marked out all in accordance with the approved plan. The car park and vehicle manoeuvring areas shall not thereafter be used for any purpose other than the parking of and manoeuvring of vehicles.

Reason: To ensure adequate on site provision of car parking and manoeuvring areas and in accordance with Policy No. TR8 of the Adopted Chorley Borough Local Plan Review.

9. The approved plans are:

P.431/15 Rev B	26 May 2006	Plans and Elevations
P.431A/16 Rev A	26 May 2006	Proposed Site Layout

Reason: To define the permission and in the interests of the proper development of the site.

- (c) **A3: 06/00580/REMAJ - Gillibrand Hall Grounds, Grosvenor Road, Chorley**

Application No:06/00580/REMAJ

Proposal: Erect 87 no dwellings with garages and associated road, sewer and landscaping works.

Location: Gillibrand Hall Grounds, Grosvenor Road, Chorley

Decision:

It was proposed by Councillor R Lees, seconded, and subsequently **RESOLVED to approve the reserved matters application subject to the following conditions:**

Reason: To define the permission and in the interests of the proper development of the site.

2. Before the development hereby permitted is first occupied, provision for cycle parking provision, in accordance with details to be first agreed in writing with the Local Planning Authority, shall have been made.

Reason : To ensure adequate on site provision for cycle parking and in accordance with Policy No. TR18 of the Adopted Chorley Borough Local Plan Review.

3. Before the development hereby permitted is first commenced full details of existing and proposed ground levels and proposed building slab levels (all relative to ground levels adjoining the site) shall have been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail shown on previously submitted plan(s). The development shall only be carried out in conformity with the approved details.

Reason: To protect the appearance of the locality, in the interests of the amenities of local residents and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

4. Before the development hereby permitted is first commenced, full details of the position, height and appearance of all fences and walls to be erected to the site boundaries (notwithstanding any such detail shown on previously submitted plan(s)) shall have been submitted to and approved in writing by the Local Planning Authority. No building shall be occupied or land used pursuant to this permission before all walls and fences have been erected in accordance with the approved details. Fences and walls shall thereafter be retained in accordance with the approved details at all times.

Reason: To ensure a visually satisfactory form of development, to protect the amenities of occupiers of nearby property and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

5. Before the development hereby permitted is first commenced full details of lighting proposals for the site shall have been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail shown on previously submitted plan(s). The development shall only be carried out in conformity with the approved details.

Reason: To protect the appearance of the locality, to prevent light pollution, in the interests of public safety and crime prevention and in accordance with Policy Nos. GN5, EM2 and EP21A of the Adopted Chorley Borough Local Plan Review.

6. Prior to the first use of the development hereby permitted, a Business Travel Plan shall be submitted to and approved in writing by, the local planning authority. The measures in the agreed Travel Plan shall then thereafter be complied with unless otherwise agreed in writing by the Local Planning Authority.

Reason: To reduce the number of car borne trips and to encourage the use of public transport and to accord with Policies TR1 and TR4 of the Adopted Chorley Borough Local Plan Review.

7. Surface water must drain separate from the foul and no surface water will be permitted to discharge to the foul sewerage system.

Reason: To secure proper drainage and in accordance with Policy Nos.EP17 and EM2 of the Adopted Chorley Borough Local Plan Review.

8. No development shall take place until a scheme of landscaping has been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail which may have previously been submitted. The scheme shall indicate all existing trees and hedgerows on the land; detail any to be retained, together with measures for their protection in the course of development; indicate the types and numbers of trees and shrubs to be planted, their distribution on site, those areas to be seeded, paved or hard landscaped; and detail any changes of ground level or landform.

Reason: In the interests of the amenity of the area and in accordance with Policies GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

9. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of any buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: In the interest of the appearance of the locality and in accordance with Policies GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

10. The existing soil levels around the base of the trees to be retained shall not be altered except as otherwise agreed in writing with the local planning authority.

Reason: To safeguard the trees to be retained and in accordance with Policy EP9 of the Adopted Chorley Borough Local Plan Review.

11. During the construction period, all trees to be retained shall be protected by 1.2 metre high fencing as specified in paragraph 8.2.2 of British Standard BS5837:1991 at a distance from the tree trunk equivalent to the outermost limit of the branch spread, or at a distance from the tree trunk equal to half the height of the tree (whichever is further from the tree trunk), or as may be first agreed in writing with the Local Planning Authority. No construction materials, spoil, rubbish, vehicles or equipment shall be stored or tipped within the area(s) so fenced. All excavations within the area so fenced shall be carried out by hand.

Reason: To safeguard the trees to be retained and in accordance with Policy EP9 of the Adopted Chorley Borough Local Plan Review.

12. The development hereby permitted shall not commence until samples of all external facing materials to the proposed building(s) (notwithstanding any details shown on previously submitted plan(s) and specification) have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out using the approved external facing materials.

Reason: To ensure that the materials used are visually appropriate to the locality and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

13. The development hereby permitted shall not commence until full details of the colour, form and texture of all hard ground- surfacing materials (notwithstanding any such detail shown on previously submitted plans and specification) have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in conformity with the approved details.

Reason: To ensure a satisfactory form of development in the interest of the visual amenity of the area and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

14. Before the development hereby permitted is first occupied, the car park and vehicle manoeuvring areas shall be surfaced or paved, drained and marked out all in accordance with the approved plan. The car park and vehicle manoeuvring areas shall not thereafter be used for any purpose other than the parking of and manoeuvring of vehicles.

Reason: To ensure adequate on site provision of car parking and manoeuvring areas and in accordance with Policy No. TR8 of the Adopted Chorley Borough Local Plan Review.

15. The development of the site should be carried out in accordance with the approved Method Statement.

Reason: To ensure that the development complies with approved details in the interests of the protection of Controlled Waters.

16. If during development, contamination not previously identified, is found to be present at the site then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until the developer has submitted and obtained written approval from the Local Planning Authority for an addendum to the method statement. This addendum to the Method Statement must detail how this unsuspected contamination shall be dealt with.

Reason: To ensure that the development complies with approved details in the interests of protection of controlled waters.

17. Upon completion of the remediation detailed in the Method Statement a report shall be submitted to the Local Planning Authority that provides verification that the required works regarding contamination have been carried out in accordance with the approved Method Statement(s). Post Remediation sampling and monitoring results shall be included in the report to demonstrate that the required remediation has been fully met. Future monitoring proposals and reporting shall also be detailed in the report.

Reason: To protect Controlled Waters by ensuring that the remediated site has been reclaimed to an appropriate standard.

18. Prior to being discharged into any watercourse, surface water sewer or soakaway system, all surface water drainage from impermeable parking areas, roadways and hardstandings for vehicles, commercial lorry parks and fuel filling areas shall be passed through an oil interceptor designed and constructed to have a capacity and details compatible with the site being drained. Roof water shall not pass through the interceptor.

Reason : To prevent pollution of the water environment and in accordance with Policy Nos. EP17, EP18, EM2 and EM3 of the Adopted Chorley Borough Local Plan Review.

19. No materials or equipment shall be stored on the site other than inside the building or the areas as allocate don the approved plans.

Reason: In the interests of the amenity of the area and in accordance with Policy No.EM2 of the Adopted Chorley Borough Local Plan Review.

Reason: To protect the appearance of the locality, in the interests of the amenities of local residents and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

5. Before the development hereby permitted is first commenced, full details of the position, height and appearance of all fences and walls to be erected to the site boundaries (notwithstanding any such detail shown on previously submitted plan(s)) shall have been submitted to and approved in writing by the Local Planning Authority. No building shall be occupied or land used pursuant

to this permission before all walls and fences have been erected in accordance with the approved details. Fences and walls shall thereafter be retained in accordance with the approved details at all times.

Reason: To ensure a visually satisfactory form of development, to protect the amenities of occupiers of nearby property and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

6. Before the development hereby permitted is first commenced full details of lighting proposals for the site shall have been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail shown on previously submitted plan(s). The development shall only be carried out in conformity with the approved details.

Reason: To protect the appearance of the locality, to prevent light pollution, in the interests of public safety and crime prevention and in accordance with Policy Nos. GN5, EM2 and EP21A of the Adopted Chorley Borough Local Plan Review.

7. Prior to the first use of the development hereby permitted, a Business Travel Plan shall be submitted to and approved in writing by, the local planning authority. The measures in the agreed Travel Plan shall then thereafter be complied with unless otherwise agreed in writing by the Local Planning Authority.

Reason: To reduce the number of car borne trips and to encourage the use of public transport and to accord with Policies TR1 and TR4 of the Adopted Chorley Borough Local Plan Review.

8. Surface water must drain separate from the foul and no surface water will be permitted to discharge to the foul sewerage system.

Reason: To secure proper drainage and in accordance with Policy Nos. EP17 and EM2 of the Adopted Chorley Borough Local Plan Review.

9. No development shall take place until a scheme of landscaping has been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail which may have previously been submitted. The scheme shall indicate all existing trees and hedgerows on the land; detail any to be retained, together with measures for their protection in the course of development; indicate the types and numbers of trees and shrubs to be planted, their distribution on site, those areas to be seeded, paved or hard landscaped; and detail any changes of ground level or landform.

Reason: In the interests of the amenity of the area and in accordance with Policies GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

10. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of any buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: In the interest of the appearance of the locality and in accordance with Policies GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

11. The development hereby permitted shall not commence until samples of all external facing materials to the proposed building(s) (notwithstanding any details shown on previously submitted plan(s) and specification) have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out using the approved external facing materials.

Reason: To ensure that the materials used are visually appropriate to the locality and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

12. The development hereby permitted shall not commence until full details of the colour, form and texture of all hard ground- surfacing materials (notwithstanding any such detail shown on previously submitted plans and specification) have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in conformity with the approved details.

Reason: To ensure a satisfactory form of development in the interest of the visual amenity of the area and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

13. Before the development hereby permitted is first occupied, the car park and vehicle manoeuvring areas shall be surfaced or paved, drained and marked out all in accordance with the approved plan. The car park and vehicle manoeuvring areas shall not thereafter be used for any purpose other than the parking of and manoeuvring of vehicles.

Reason: To ensure adequate on site provision of car parking and manoeuvring areas and in accordance with Policy No. TR8 of the Adopted Chorley Borough Local Plan Review.

14. The development of the site should be carried out in accordance with the approved Method Statement.

Reason: To ensure that the development complies with approved details in the interests of the protection of Controlled Waters.

15. If during development, contamination not previously identified, is found to be present at the site then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until the developer has submitted and obtained written approval from the Local Planning Authority for an addendum to the method statement. This addendum to the Method Statement must detail how this unsuspected contamination shall be dealt with.

Reason: To ensure that the development complies with approved details in the interests of protection of controlled waters.

Reason: To ensure a visually satisfactory form of development, to protect the amenities of occupiers of nearby property and in accordance with Policy Nos. GN5 and EM2 of the Adopted Chorley Borough Local Plan Review.

6. No part of the development hereby permitted shall be occupied or used until the footways have been constructed in accordance with the approved plans.

Reason: In the interests of highway safety and in accordance with Policy No. TR4 of the Adopted Chorley Borough Local Plan Review.

7. No development shall take place until a scheme of landscaping has been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail which may have previously been submitted. The scheme shall indicate all existing trees and hedgerows on the land; detail any to be retained, together with measures for their protection in the course of development; indicate the types and numbers of trees and shrubs to be planted, their distribution on site, those areas to be seeded, paved or hard landscaped; and detail any changes of ground level or landform.

Reason: In the interests of the amenity of the area and in accordance with Policy No. GN5 of the Adopted Chorley Borough Local Plan Review.

8. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of any buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: In the interest of the appearance of the locality and in accordance with Policy No. GN5 of the Adopted Chorley Borough Local Plan Review.

9. The development hereby permitted shall not commence until full details of the colour, form and texture of all external facing materials to the proposed building(s) (notwithstanding any details shown on the previously submitted plan(s) and specification) have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out using the approved external facing materials.

Reason: To ensure that the materials used are visually appropriate to the locality and in accordance with Policy Nos. GN5 of the Adopted Chorley Borough Local Plan Review.

10. Before the development hereby permitted is first occupied, the car park and vehicle manoeuvring areas shall be surfaced or paved, drained and marked out all in accordance with the approved plan. The car park and vehicle manoeuvring areas shall not thereafter be used for any purpose other than the parking of and manoeuvring of vehicles.

Reason: To ensure adequate on site provision of car parking and manoeuvring areas and in accordance with Policy No. 7 of the Joint Lancashire Structure Plan.

11. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (Schedule 2, Part 8, Class A) or any Order

revoking or re-enacting that Order, no extension or alteration shall be carried out in respect of the buildings to which this permission relates.

Reason : To prevent an intensification in the use of the premises, in the interests of the visual amenities of the area and the amenities of local residents and in accordance with Policy No. EM2 of the Adopted Chorley Borough Local Plan Review.

12. No materials or equipment shall be stored on the site other than inside the building.

Reason: In the interests of the amenity of the area and in accordance with Policy No. EM2 of the Adopted Chorley Borough Local Plan Review.

13. Notwithstanding the previously submitted information the application for approval of reserved matters shall be accompanied by further ecological information which is required in order to determine the impact of the proposed development and to inform the need for mitigation/compensation methods. The information should include:* The results of Phase 1 habitat survey that fully conforms to the standard JNCC methodology. This should be extended to include an assessment of the potential of the various habitats to support species of ecological interest, including species of principal importance, Red list species etc* All semi-natural habitats, or habitats that may be of at least local importance, should be surveyed to Phase 2 level* An assessment of the potential impact on species of principal importance to inform the need for mitigation/compensation methods.* It should be demonstrated that the landscaping associated with the development will make contributions to targets specified in the UK and Lancashire Biodiversity Action Plans.* The design of the development should address the maintenance and enhancement of habitat connectivity between the Leeds Liverpool Canal and the Black Brook and along these habitat corridors. In the event that the proposed development will result in any ecological impacts appropriate mitigation/ compensation methods shall be incorporated within the submitted Ecological Survey to demonstrate that there will be no net loss of ecological value.

Reason: To protect the ecological value of the site and in accordance with Policies EP4 and EP10 of the Adopted Chorley Local Plan Review, Planning Policy Statement 9: Biodiversity and Geological Conservation and Policy 21 of the Joint Lancashire Structure Plan

06.DC.38 SITE INSPECTION SUB-COMMITTEE

The Committee received the minutes of the meeting of the Site Inspection Sub-Committee held on Monday 17 July 2006.

The Sub-Committee had visited, at the request of the Development Control committee, the site of the following application.

Planning Application 06/00469/FUL

The retrospective planning application 06/00469/FUL had sought permission to retain the formation of a pitched roof over an existing first floor flat roof dormer at 57, Lancaster Lane, Clayton-Le-Woods.

The Sub-Committee after taking all the factors into account had recommended the Development Control Committee to refuse planning permission for the retrospective proposal.

It was proposed by Councillor D Gee, seconded by Councillor Culshaw, and subsequently **RESOLVED (11:1) to refuse the retrospective planning application for the following reason:**

The proposed extension is contrary to the Council's approved House Extension Design Guidelines and Policy HS9 of the Adopted Chorley Borough Local Plan Review by reason of its design and external appearance. The proposed extension is overly prominent, poorly related visually to the existing dwelling, and detrimental to the street scene and the area as a whole.

06.DC.40 A LIST OF PLANNING APPLICATIONS DETERMINED BY THE CHIEF OFFICER UNDER DELEGATED POWERS BETWEEN 5 JUNE 2006 AND 7 JULY 2006

The Director of Development and Regeneration presented, for Members information, a schedule listing the remainder of the planning applications that had been determined by the Chief Officer under delegated powers between 5 June 2006 and 7 July 2006.

RESOLVED – That the schedule be noted.

06.DC.41 ENFORCEMENT REPORT - 1-5, POMPIAN BROW, BRETHERTON

The Committee considered a report of the Director of Development and Regeneration on the expediency of taking enforcement action to secure the removal of all vehicles, plant, equipment and container from land, rear of 1 – 5, Pompian Brow, Bretherton and for the landowners to cease the use of the land for parking, storage and maintenance of contractors vehicles, plant and equipment and the siting of a vehicle container body.

RESOLVED – That it is expedient to issue an Enforcement Notice under Section 172 of the Town and Country Planning Act 1990 in respect of the following breach of planning control:

1. Without planning permission the change of use of the land from agricultural to a mixed use of the land for agricultural and the parking, storage and maintenance of contractors vehicles plant and equipment and the siting of a vehicle container body.

Requirements of the Enforcement Notice

Cease the use of land for the parking, storage and maintenance of contractors vehicles plant and equipment and the siting of a vehicle container body, and remove all vehicles, plant, equipment and container body from the land.

Period of Compliance

3 months

Reason

The land is within the Green Belt as defined by the Adopted Chorley Borough Local Review. The development is not appropriate use within the Green Belt and is contrary to Policy DC1 of the Local Plan and Planning Policy Guidance Note 2 Green Belts, being inappropriate development and harmful to the character and appearance of the Green Belt.

The use of the site is detrimental to the amenities of local residents by virtue of noise, disturbance and visual intrusion, which detracts from the character and appearance of the Conservation Area.

2. Without planning permission the erection of a building.

Requirements of the Enforcement Notice

Demolish the building and remove the materials from the land.

Period for compliance

3 months

Reason

The land is within the Green Belt as defined by the Adopted Chorley Borough Local Review. The development is not an appropriate use within the Green Belt and is contrary to Policy DC1 of the Local Plan and Planning Policy Guidance Note 2 Green Belts, being inappropriate development and harmful to the character and appearance of the Green Belt. There are no special circumstances to justify an exception to the presumption against inappropriate development in the Green Belt.

The use of the site is detrimental to the amenities of local residents by virtue of noise, disturbance and visual intrusion, which detracts from the character and appearance of the Conservation Area.
