## **PUBLIC QUESTIONS/SPEAKING AT COUNCIL MEETINGS - RECOMMENDATIONS**

### **PURPOSE OF REPORT**

- To set out recommendations for public speaking at Council meetings.

### **CORPORATE PRIORITIES**

- Opening up Council meetings to public speaking will help to address the Council's corporate priority of 'Ensuring Chorley Borough Council is a performing organisation'.

### **RISK ISSUES**

- The issue raised and recommendations made in this report involve risk considerations in the following categories:

Strategy	4	Information	4
Reputation	4	Regulatory/Legal	
Financial		Operational	
People	4	Other	

Risks have been evaluated in full.

### **BACKGROUND**

- At its meeting on 14 March 2006 the Community Overview and Scrutiny Panel put forward a number of recommendations in relation to public questions/speaking at Council meetings. Considerable research went into these recommendations including visits to a number of other councils to observe how public speaking works in practice.
- In addition the Development Control Committee has considered the recommendations in full at its meeting on 23 May 2006. The Committee supported the recommendations subject to the preparation and implementation of appropriate procedure rules to regulate the public participation in meetings.
- This report builds on work on this subject that has been undertaken to date and sets out the recommendations in detail.

## **PUBLICITY**

7. Leaflets will be produced to publicise the opportunity for members of the public to submit questions/speak at appropriate meetings and general publicity will be given through the local media and the Council's newspaper. An on-line form will also be provided on the Council's web-site to enable members of the public to submit questions electronically if they so wish.

## **PUBLIC ADDRESS/LOOP SYSTEM**

8. The provision of a PA/loop system in the Council Chamber/Committee Room in the Town Hall to meet disability discrimination requirements will need to be investigated by Officers and a further report submitted to the Executive Cabinet.

## **COMMENTS OF THE DIRECTOR OF HUMAN RESOURCES**

9. We will need to take into consideration any training needs required by elected members, or officers who may face questions from either members of the public or elected members.

## **COMMENTS OF THE DIRECTOR OF FINANCE**

10. There are two aspects of potential cost associated with the report. The first relates to the provision of the Loop system which will have both capital and revenue implications. The Council's budget includes provision for capital works to its buildings and I would look initially to fund any scheme from this allocation once the costs are known, but it would mean another potential scheme being deferred. Virement would be sought from current cash budgets for any ongoing costs of the Loop system so that there is no net increase in the Council's budget. The other revenue costs associated with the implementation are for publicity costs which will be funded from current cash budgets.

## **RECOMMENDATION(S)**

11. That the Executive Cabinet be requested to submit a recommendation to the next meeting of the Council on 19 September 2006 that the following text be added to the Council Procedure Rules set out in Part A, Appendix 3 of the Council's Constitution, to allow public questions/speaking at the appropriate meetings. In accordance with Paragraph 27.2 of the Council Procedure Rules, the recommendation will stand adjourned without further discussion to the next Ordinary Council meeting to be held on 31 October 2006.
