CORPORATE PRIORITIES

- This report relates to the following Strategic Objectives:

Involving residents in improving their local area and equality of access for all	x	A strong local economy	
Clean, safe and healthy communities		An ambitious council that does more to meet the needs of residents and the local area	

BACKGROUND

- The Order was made on the 11th June 2013 and served along with the statutory notice prescribed in Regulations on all those with an interest in the land on which the trees are situated on the 18th June 2013. The same documents were also served on owners/occupiers of adjacent properties. The Order was made because on the assessment of the Council's Tree Officer the trees make a valuable contribution to the visual amenity of the area, being prominently situated and clearly visible to the public and that their removal would have a significant impact on the environment and its enjoyment by the public.
- No objection has been received in response to the making of the above Order. It is therefore, now open to the Council to confirm the above Order as unopposed. The effect of

formally confirming the Order will be to give permanent legal force to the Order, as opposed to provisional force, thereby making it an offence on a permanent basis to fell or otherwise lop, prune etc, any of the trees covered by the Orders without first having obtained lawful permission.
