F–F

1. All existing ground information shown is believed to be factual and accurate but is not guaranteed by the Surveyors. Contractors must satisfy themselves as to the accuracy of this information before commencing work or ordering any of the materials.
2. Proposed development based on Rowland Homes and Planning drawing no. 6000/P-1-1 Rev A (received 15.07.2013). This Masterplan has been checked with the topographical survey and no guarantee as to the accuracy of the layout in relation to the survey is given or implied.
3. Utilities.
The positions of Statutory Undertakers mains & services shown on this drawing have been based on information extracted from records supplied by the Statutory Undertakers. No responsibility can be accepted for the accuracy or completeness of the information or for location of such services as shown on the drawing is not guaranteed and no warranty is given or implied regarding the position shown. Any persons having the Contractor shall make his own enquiries of the Statutory Undertakers and shall verify the position and depth of all mains and services before any excavation is commenced. The Contractor shall be responsible for the avoidance of damage to services and shall, where possible thereof. In the interests of safety, the approximate position of underground cables should be ascertained by hand digging before any excavation by machine commenced by careful hand-digging where required.
4. All proposed levels shown are indicative and subject to detailed design. These are provided on a sketch only.
10. For Plot Locations of Cross Sections refer to Campbellreith drawing no. 11065/SK004.
