**Note:**

The 'HIP Restricted Receipts' are available for capital expenditure in respect of the housing function of the authority only. They are a proportion of RTB sales available under the transitional arrangements for the pooling of housing capital receipts, which apply from 2004/05 to 2006/07. Such restricted receipts can be carried forward for use in later years. The use of these restricted receipts has already been taken account of in the 2006/07 to 2008/09 capital programme.
