Dear County Councillor Holgate

Re: Review of Chorley 3 Tier Liaison Pilot

I am writing in response to your letter dated 16th March 2015 regarding the review of the Chorley 3 Tier Liaison Pilot and thought it would be helpful to outline the County Council's position in this regard.

As you will be aware, the County Council are currently reviewing 3 Tier Forum arrangements generally as part of our ongoing Governance Review and in the context of changes to locality partnership arrangements, Combined Authority discussions and the County Council's Transformation Programme. We intend to formulate a more detailed LCC position regarding the Chorley 3 Tier Liaison Pilot as part of these discussions.

In the meantime, I would welcome the opportunity to see the findings of your review following the Chorley Three Tier Liaison meeting on 15th April 2015, which can be fed into our wider review.

Yours sincerely

County Councillor Mein
