ANNEX 2 – CONDITIONS CONSISTENT WITH THE OPERATING SCHEDULE

Note – Some conditions may apply to one or more of the objectives

General

We have applied for an extended period between the cessation of the supply of alcohol and the closure of the premises to give us the option to allow for a more gradual dispersal of customers. The style and operation of the pub will not differ significantly during the extended hours. Where this is appropriate, nonalcoholic refreshment will be available in the extended period.

The premises will respect Orchid Group's Approach to Responsible Drinking. Our policies change at regular intervals to reflect the current trends and it would be inappropriate to standardise them on a permanent basis.

Prevention of Crime and Disorder

When door staff are used they will be Security Industry Authority (SIA) approved and operate in accordance with the security industry guidelines.

A zero tolerance towards illegal drugs will be enforced at all times.

If a disc jockey is used on any night then he/she will ask customers to leave quietly.

If a CCTV system is installed at this site, it will continue to operate during the additional hours of trading and notices will be displayed.

All instances of crime and disorder will be reported to the police and will be kept in an incident logbook

Public Safety

Public safety is integral to the way that Orchid Group runs its business and is reviewed regularly through

Licensing Act 2003

PLA0138

our health and safety policy. This policy is fully briefed and trained to all management and staff and we will continue to train our staff to the standards required by the relevant legislation.
Free drinking water will be available at all times.

Prevention of Public Nuisance

Additional patrols will take place by members of staff internally and externally, to limit any noise pollution when entertainment is being offered within the premises.
If appropriate, notices will be displayed asking our customers to respect our neighbours when leaving the premises.
Where already used text/radio pagers will continue to be used for the additional hours of trading and will be monitored by a responsible member of staff.
Soft drinks and non-alcoholic refreshment will be available if we decide to use the option to stay open for an extended period between the cessation of the supply of alcohol and the closure of the premises (see above under general).

Protection of Children From Harm

When children are allowed upon the premises, any entertainment offered within the premises will be suitable for young persons.
Children will be required to be supervised by the accompanying adult at all times.
A no smoking area will be provided.
Soft drinks and non-alcoholic drinks will be available.
A recognised proof of age policy will be enforced.
