07.DC.88 PLANNING APPLICATIONS AWAITING DECISION

The Director of Development and Regeneration submitted reports on a number of planning applications to be determined by this Committee.

RESOLVED – That the planning applications, as now submitted, be determined in accordance with the Committee's decisions as recorded below.

(a) B6:07/00453/COU - Park View, Runshaw Lane, Euxton

(Councillor Harold Heaton declared an interest in the following application and left the meeting during the discussion and voting on the proposal)

(The Committee received representations from an objector and a supporter to the proposals and the applicant)

Application No: 07/00453/COU
Proposal: Retrospective application for the change of use of residential curtilage and a further parcel of land to enable storage of 25 additional caravans
Location: Park View, Runshaw Lane, Euxton, Chorley
Decision:
It was proposed by Councillor Danny Gee, seconded by Councillor Geoff Russell, to grant planning permission of the retrospective planning application.

An amendment to the motion was proposed by Councillor Dennis Edgerley, seconded by Councillor Eric Bell, and was subsequently **RESOLVED (7:6) with the Chair using his casting vote to refuse planning permission for the follows reasons:**

1. The site is located within the Green Belt wherein caravan storage is not expressly in any of the categories of appropriate development allowable in such areas given in Policy DC1 of the Chorley Borough Local Plan Review, Policy 6 of the Joint Lancashire Structure Plan and PPG2. Caravan storage is therefore by definition inappropriate development and as such, very special circumstances must exist in order to justify planning permission being granted. In this case, the very special circumstances advanced in support of the application are not considered to be of sufficient weight to justify planning permission being granted.

2. The caravan storage results in detrimental harm to the open rural character and appearance of the Green Belt and is therefore prejudicial to the purposes land being included within the Green Belt, contrary to Policy DC1 of the Adopted Chorley Borough Local Plan Review, Policy 6 of the Joint Lancashire Structure Plan and PPG2.

3. The imposition of a Grampian style condition to secure the proposed highway junction improvement works would be unenforceable and therefore inappropriate as the use to which this application relates is already taking place. Given the vehicular access to the site is as existing substandard in terms of width and visibility, the increased vehicular movements are likely to increase the risk of accidents to the detriment of highway safety, contrary to Policy TR4 of the Adopted Chorley Borough Local Plan Review if the said works were not carried out.
