Supporting communities to access grant funding*	6,500	15/16 NHB
Disabled and dementia online venue access guides*	6,500	15/16 NHB
Delivery of Community Action Plans	200,000	15/16 NHB
Total Existing Revenue Investment	266,000	

^{*}These projects will both receive £6,500 in 17/18 as per the approved 15/16 budget investment packages

Further analysis is given in the tables below

- Table A3 gives a an overview of the new revenue and capital projects
- Table A4 gives an more detailed description of the continuing investment projects
- Table A5 gives a financial breakdown of the new capital projects

Table A3: Details of Investment Packages that have Requested Funding in 16/17

Investment Project	Overview – Revenue investment £0.190m
Support for Chorley's VCFS organisations	This will involve the commissioning of a service to provide infrastructure support to the sector. This support may include:
	 Arranging events and meetings and to disseminate information appropriately
£15k	 Further development of partnership working with other infrastructure groups both in Chorley and across Lancashire.
	 Organisation, coordination and further development of Chorley's Equality Forum and Inter Faith Forum.
	 To ensure that the current projects are delivered through providing support to the Volunteering and Health & Well Being Co-ordinators
Provide support to food provision schemes	This project will make provision to support schemes that are providing assistance to those who are most vulnerable and in need of food parcels, nutritious meals and related assistance.
£15k	
Community development & volunteering (SPICE)	This budget will facilitate transitional resources to ensure that this programme of work can be effectively taken forward within the community beyond the end of the current contract in August 2016.
£100k (£20k 16/17, £40k 17/18 & 18/19)	It will also enable us to retain access to the national SPICE network and provide an additional resource to develop and extend the Chorley Time Credits Network. This maybe through setting up community project teams to do things like clean ups or small local improvement projects with a view to moving towards co-production or services in the future.
Public noticeboards	This project is to mount community noticeboards to enable community groups to promote fundraising events. This maybe through:
£10k	 Additional town centre noticeboards, including digital noticeboards and marketing boards. An information point within the town centre.
Delivery of weight 1	Working with Parishes to put up noticeboards in outlying areas of the borough. This project will be a significant of the project of the
Delivery of neighbourhood preferred projects	This project will deliver 24 neighbourhood area preferred projects. Each of the projects will be proposed through the neighbourhood group meetings and agreed by Executive Cabinet.

Investment Project	Overview – Revenue investment £0.591m
Chorley Business Investment for Growth (BIG) Grant £60k	Grants are available to existing businesses to assist with investment in the construction of new buildings, refurbishment of existing premises as well as the purchase of plant machinery and other business capital investment plans which will lead to the creation of new jobs. Grants are for a maximum of £10k.
Business start-up grants and loans	The project will continue to assist in the creation of new start-up businesses and help those without significant
£30k	capital available to them to create sustainable businesses and ultimately generate more jobs. The budget is split by providing Chorley based small businesses with start-up grants (£20k budget) and start up loans (£10k budget).
Borough wide retail grants improvement programme £80k	This project aims to encourage the take-up of vacant retail properties in Chorley, by offering grant support towards interior and exterior improvements. Existing Chorley businesses can also apply for funding to improve the visual appearance of their shop exterior.
Choose Chorley grants	Available exclusively to existing businesses permanently relocating from outside, this grant provides an incentive for businesses to relocate in the borough.
Inward investment	This budget will contribute to moving forwards the proposals for a digital health park on Euxton Lane
£25k	
Extend the external funding officer post	The post has been funded from July '15 – July '16. However a request is made to extend the post to March 2016 to allow continued applications for European funding.
£24k	
Deliver the skills framework	This project will commence the delivery of a three year action plan to respond to the supply and demand issues, opportunities and challenges identified in the recently commissioned Chorley skills framework.
£30k	This project focuses on tablian uncomplement by inserticing applicant and competing level mapple into
Chorley works	This project focuses on tackling unemployment by incentivising employers and supporting local people into sustainable jobs.
£39k	This product to an exact difficult to seach for the conduction and other areas of the conduction and conductions.
Vulnerable families employment project	This project targets our most difficult to reach families and offers incentives and extra support to encourage them to engage with the existing Chorley Works programme.
£3,500	The part had not will found the position of structuring planning relation to fourth original annual constitution in
Furthering key employment sites	The new budget will fund the continued strategic planning relating to furthering employment sites identified in Chorley Local Plan 2012-2026.
£125k	
Develop Chorley's town and rural tourism economy	The aim of this project is to build on the work that has already been done around bringing more short stay visitors into Chorley, through the marketing and promotion of Chorley's assets and attractions and through the delivery of an annual programme of events.

£35k	
Chorley flower show	Building on the staging of the inaugural Chorley flower show in 2015, this project will see the development and staging of the second Chorley flower show in Astley Park on the 30 th and 31 st July 2016.
£40k	
Chorley grand prix (British cycling)	This project will support the development and delivery of a cycling and sporting programme of activities and events in Chorley, in partnership with British cycling.
£25k	
Corporate Priority: AN AMBITIOUS CO	UNCIL THAT DOES MORE TO MEET THE NEEDS OF RESDIENTS AND THE LOCAL AREA
Investment Project	Overview – Revenue Investment £0.129m
Integrated partner services through the Chorley public service reform	To support the year 2 delivery of the PSRP strategy, and encourage match funding from other partners.
partnership	The delivery of this work provides an opportunity to transform the way public services are delivered locally and
	to explore public service integration, particularly around health and wellbeing.
£15k	
Employee health scheme	To provide staff with health care support in the form of paid health care expenses.
£20k	
Events programme delivery	This project will build on the successes of our events programmes in the past few years, which have become well established and an important way of engaging with the community, attracting visitors into the borough
£80k	and supporting the local economy.
	The budget will help us to build on last year's programme and to provide events for different interest and
	audiences each month.
Additional events in Astley Hall and park	This project aims to deliver a comprehensive events programme in Astley Hall and park including the 'Little Boo' Halloween event and Astley illuminated.
£14k	

Table A4: Details of Investment Packages that have Already Received Funding in 16/17

Existing Revenue Investment Areas		16/17 Amount (£)	Funding
Digital access and inclusion	This is a two year project to work towards everyone in the borough being able to get online, do more online and benefit from being online.	25,000	15/16 NHB
Chorley Council employment support fund with Runshaw College	This is a two year project to work with Runshaw College to supports young people and employers to overcome some of the financial barriers to accessing and sustaining apprenticeships, such as access to transport, equipment, uniform costs, and skills and training.	10,000	15/16 NHB
Provide an accommodation finding service for 'non-priority' households who are homeless or threatened with homelessness	This is a two year services to assist non-priority households to access mainly private rented properties following referrals from the Chorley Council Housing Options teams.	18,000	15/16 NHB
Supporting communities to access grant funding*	This is a three year project to support local organisations to access grant funding to improve and support services, facilities and local organisations in the borough.
