Dear Sir or Madam:

**Re Black Horse Public House Westhead Road Croston**

I refer to the recent application to extend licensing hours at the above and wish to object to the application on the following grounds.

Within the last two years there have been increased instances of anti social and drunken behaviour within the immediate vicinity of the public house. This occurs mainly at weekends in summer and usually either late at night or in the early hours of the morning. These instances are directly linked to the consumption of alcohol on and outside the premises.

The current management appear to have little consideration for the surrounding residential properties and it would appear that it is common practice to allow the continued consumption of alcohol, purchased prior to the calling of time, outside the premises until the early hours. This often results in large amounts of broken glass being left on the frontage to the public house and adjoining pavement with no attempt being made to clean up the debris.

It is our belief that any extension to the current licensing hours will only exacerbate the current problems.

Yours faithfully

## EMBEDDED BENEFITS

To answer the question "***What existing licensable activities are authorised by your existing Licence(s)?***" raised in part A3, we have adopted the second limb (b) of the definition given in paragraph 1 of Schedule 8 to the 2003 Act ("***any other licensable activities which may be carried on ... by virtue of the existence of the licence***").

For these premises, covered by a Justices' On-Licence, there are two such "***embedded***" benefits:

1. Playing of recorded music – s.182 of the Licensing Act 1964 allows "***...music and singing only which is provided solely by the reproduction of recorded sound***" without the need for a Public Entertainment Licence; and
2. Provision of late night refreshment – by virtue of the Late Night Refreshment Houses Act 1969. Section 1(2) exempts these premises from having to hold a Late Night Refreshment Licence from 10:00pm until 30 minutes after its permitted hours.

For these reasons, box f) recorded music and the box entitled Provision of Late Night Refreshment have been ticked as licensable activities which may be carried through the conversion process under "***grandfather***" rights.

If your Council has adopted the Private Places of Entertainment (Licensing) Act 1967, the provision of entertainment facilities for music and dancing promoted for private gain where the functions are private in nature is also a further licensable activity which should be carried forward as an embedded benefit through the conversion process.

Notices detailing the actions to be taken in the event of fire or other emergencies, including how the fire brigade shall be summoned, are to be prominently displayed.

**d) The prevention of public nuisance**

When live regulated entertainment is taking place inside the premises after 22.00 windows and doors, save for entrance and exit purposes, will be kept shut.

A sign will be located at the exit(s) requesting that customers leaving the premises do so quietly and with consideration to neighbours.

**e) The protection of children from harm**

No one under the age of 18 will be allowed to enter or remain on the premises after 21.00 save on Christmas Eve and New Year's Eve.
