THE GAMBLING ACT 2005; APPLICATION FOR A GAMING MACHINE PERMIT FOR MORE THAN 2 GAMING MACHINES

PURPOSE OF REPORT

1. To bring to the attention of Members an application received from Hawthorn Honey Limited, Touchstone Business Park, Coleshill Road, Maeston Green, Birmingham, in respect of an application for a Gaming Machine Permit for more than two gaming machines for a premise licensed under the Licensing Act 2003 known as the Lamplighter, 113 Market Street, Chorley.

RECOMMENDATION(S)

2. Members are recommended to consider the contents of the report and any representations made by the representative of Hawthorn Honey Limited and determine whether or not to grant the application.

EXECUTIVE SUMMARY OF REPORT

3. Keeday Leisure made application under Schedule 13, of the Gambling Act 2005 for a Gaming Machine Permit for two or more gaming machines on behalf of Hawthorn Honey Limited being the premises licence holder for the Lamplighter, Market Street, Chorley. The application is attached as **Appendix 1**. The Council's Statement of Gambling Policy states that each application will be determined on a case by case basis, the Council's scheme of delegation does not authorise officers to determine the application where the application is for more than 2 gaming machines.

BACKGROUND

4. The Council has received an application made under Schedule 13 of the Gambling Act 2005 for more than two gaming machines for the public house now known as the Lamplighter, 113 Market Street, Chorley (Members will be aware that this premises was formally known as Last Orders, an application to vary the premises licence to change its name and to amend the premises plan was received on 9 February 2016). The premises benefits from a Premises licence issued under Section 17 of the Licensing Act 2003 authorising the sale of alcohol, this authorisation is a pre-requisite to enable the above application. The Premises Licence PLA 0153 and Plan showing; the location of the two existing Gaming Machines, 1 Skill Machine and the proposed site for the additional two Gaming Machines is attached as **Appendix 2. (Key to plan, A & B = proposed location of additional Gaming Machines, C & D = existing Gaming Machines and E = existing Skill machine).**
5. Where a premises wishes to have more than two machines, then it must apply for a Gaming Machine permit where the licensing Authority will consider that application based upon the licensing objectives, the statutory guidance, and such matters as they think relevant. Members should be satisfied that the granting of the said permit will not undermine

the licensing objectives and that the applicant is aware of the positive steps required to promote the licensing objectives. This Authority considers that such applications will be decided on a case-by-case basis, but generally there will be regard for the need to protect children and vulnerable persons from harm or being exploited by gambling. The Licensing Authority will expect the applicant to satisfy it that there will be sufficient measures to ensure that those under 18 year olds do not have access to the adult only gaming machines. Such measures may include the adult machines being in sight of the bar, and in the sight of staff who will monitor that the machines are not being used by those under 18. Additionally, notices and signage may also be of assistance. With regard to the protection of vulnerable persons, applicants may wish to consider the provision of information leaflets/helpline numbers for organisations such as Game Care. It is important that staff are able to see if the machines are being played by any adults with a gambling problem.

6. Officers attended the premises on 10 February 2016 to assess the suitability of the premises to accommodate additional gaming machines in line with the application received. One of the proposed Gaming Machines (B) would be compromised in terms of being able to be monitored when the machine that is closest to the bar (A) is being used. The premises offers better opportunities to site the requested number of machines in different locations that would enable better monitoring opportunities than currently proposed.

In determining this matter Members shall have consideration for the following provisions;

Chorley Council's Statement of Gambling Policy. Attached as **Appendix 3**.

Members are reminded of the Gambling Act 2005 licensing objectives which are;

- (a) Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime,
- (b) Ensuring that gambling is conducted in a fair and open way, and
- (c) Protecting children and other vulnerable persons from being harmed or exploited by gambling.

7. The Gambling Commission's published Code of Practice provides the requirements that must be complied with by the Gambling Machine Permit Holder. The document is attached at **Appendix 4**. The guidance is applicable to all licensed premises in relation to any number of gaming machines that are provided.

Members' attention is drawn to the committee's discretion in determining this matter which is prescribed within Schedule 13 Section 283 of the Gambling Act 2005 which states they may;

- a) Grant the application,
- b) Refuse the application,
- c) Grant it in respect of;
 - 1) A smaller number of machines than that specified in the application,
 - 2) A different category of machines from that specified in the application, or
 - 3) Both.
- d) Members may not attach conditions to a permit.

8. The applicant in respect of this application has been invited to attend the hearing and make representation.
