The Objection and Alternative Decision/Proposal

Continue on a separate sheet if necessary (500 words maximum)

The CAP overall
 The Objection is: ~~it~~ fails to be consistent in its approach or fair.
 The CAP for Astley Village misses an opportunity to really make a serious impact on the community & individuals - the proposed Action Plan/Proposals for resources are not good enough or have/will make a real impact on long standing issues.

The alternative decision/proposal is:
 To widen the consultation to include all ward councillors to use data from key partners & the Children's Centre. To be focused on individuals rather than infrastructure/streetscene issues/ideas.

The case for the alternative is:
 The data used is flawed & based upon a very small number of respondents to the satisfaction survey & based on the views of objection of the community.

Guidance Notes

1. Requests can be made by members of the local community and Borough Councillors under the Council's 'call-in' procedure for executive decisions that have not been implemented to be reconsidered by the person or body who made them. The Council's Overview and Scrutiny Toolkit and Constitution provide more information on what constitutes an executive decision. Both are available on the Council's Website www.chorley.gov.uk. Alternatively further guidance can be sought from the contacts given above.

Decisions which relate to individual applications for licences or planning permission cannot be called in as they are not executive decisions.
2. Call-in requests must be made in writing and received by the Head of Democratic Services at the address given overleaf within 5 working days of the relevant decision being published. All requests must state the decision reference number, title, and the reasons for the objection to the decision and present an alternative decision of proposal for consideration.
3. All requests for call-in are considered initially by the Chair of the Overview and Scrutiny Committee (OSC) who will reject any considered to be frivolous, defamatory, incomplete or otherwise outside the scope of the call-in procedure or inappropriate for consideration. Call-in requests accepted by the OSC Chair will be submitted to a special meeting of the OSC.
4. Where a decision is referred back to the original decision-maker no steps shall then be taken to implement the decision until it has been reconsidered by the body or person who made it. If a decision is referred to Council, the Council will decide at its next meeting whether to review or scrutinise the decision and if so, when and how. But there is no obligation in that event to postpone any implementation of the decision. If the Council does decide to review or scrutinise the decision, the Council will only have power to express views or make recommendations to the body or person who made it, unless it was not in accordance with the Policy Framework or was contrary to or not wholly consistent with the Budget.
5. The OSC may itself decide within 2 months of a decision being made to review and scrutinise it and formulate views or recommendations for consideration by the Cabinet and or the body or person who made the decision. Those views or recommendations must then be considered within three months.
6. Where the OSC refers a decision back, the decision-maker is under an obligation to reconsider the original decision in the light of the representations made. There is no requirement however, to change the decision. Following such reconsideration, the decision, with or without modification, may be implemented and it cannot be call-in again.
7. Call-in requests will be acknowledged within 5 working days of receipt. Decisions regarding the request will be notified to the originator of the call-in request by the Head of Democratic Services within 5 working days of the decision being taken.
