BUILDING COMMUNITY CAPACITY	PMO										
Procurement of provider to deliver all elements of this workstream	PMO/IG					П				$\Box$	
Draft tender specification	Completed										
Advertise	Completed										
Award	PMO										
Contract Confirmation	PMO										
Monitor against four areas (from June onwards)	PMO										
Community Engagement (TCA08)	Provider				_						
Complete rapid Assessment of the locality area	Flovidei				+					$\rightarrow$	
Community conversation											
Final Report with recommendations					_					$\rightarrow$	_
Supporting action plan					+						
Community Capacity (TCA06)	Provider									$\longrightarrow$	
Proposals of change interventions specific to a locality, supporting front line deliverers										$\longrightarrow$	
An Implementation plan to support community mobilisation, including use of Time Credits and campaign outline											
Proposal for Model of Community Mobilisation											
Community based implementation											
Community Befriending (TCA07)	Provider										
Assessment of current provision											
Route map for community befriending service											
Community based implementation	IG										
Community Coproduction (TCA09)											
Detailed model on options for co-production to support future service planning	Provider				$\top$	t				$\dashv$	$\dashv$
ESTABLISH THE CONSISTENT FRONTLINE	1.1341461					_					
Embed the Lancashire Wellbeing Service	1			T		П	T				T
	Completed		أحير								
Identify Stakeholders in the locality	Completed	ı									
Raise awareness of the service	Task Group	$\vdash$								$\rightarrow$	-
Identifying opportunities for outreach activity	Task Group				+					$\dashv$	
Partnership Connectivity Testbed											
Set up Task Group end of Feb	Completed					<u> </u>					
Task group to map out activity and develop proposals	Completed										
Proposals to April IG	Completed										
Implement proposals	Task Group										
Standard Referrals Testbed (TCA01)											
Map points of contact and opportunities for early intervention	Task Group										
Review existing referral forms in partnership	Task Group										
Develop and Test of standardised question set based on Springboard methodology	Task Group				+						
	rask Group					_					
ENHANCED MULTI-DISCIPLINARY APPROACHES  Stream to a Primary Core to the work of National Association (TCA 2)	I	1	I	1		Π	T	T	1		
Strengthen Primary Care Integrated Neighbourhood Teams (TCA2)					_		-		-	$\longrightarrow$	_
Agree Primary Care involvement	Completed				_						
Agree process to link LWS into MDT	Completed										
Consider relevant data sharing agreement	Completed									ightharpoonup	
Evaluate and consider future representatives	Co-ordinator										
Understand BwD/Transforming Lives Panel, and Ribbleton/West Lancs activity in joint panels	PMO										
Trial different approach in managing cases	Ext MDT										
Social Workers aligning to INT groupings	Co-ordinator										
Extended MDT											
Develop processes and tools											
Expressions of interest to form an MDT	Completed										
Identify how wider co-hort to be identified in locality area (e.g. additional GP groups)	Completed										
ISA to be developed short term	Ext MDT				+					$\rightarrow$	
Evaluate and consider links with other multi-agency groups long term	Co-ordinator				+					$\rightarrow$	
	Co-ordinator	<u> </u>						<u> </u>			
SUPPORTING ACTIVITY Workforce Development	DNAO										
Workforce Development	PMO										
Communications and Engagement - Develop Communications and Engagement Plan	PMO
