

CHORLEY WEST COMMUNITY FORUM – 16 OCTOBER 2007

ISSUES TO BE RAISED BY PARISH COUNCILS

Croston Parish Council

1. The Community Beat Manager for Croston has been withdrawn to attend the Conservative Party Conference in Blackpool for 5 days. Residents were given the impression that the concept of the Community Beat Managers was that they remained in their area, apart from in the event of major incidents.

Obviously, in order for this item to be considered properly, it will require a Senior Police presence.
