Dear Monitoring Officer

Lancashire Standards Conference 2008

I have pleasure in inviting your Council to attend the Second Conference for Standards Committee Members in Lancashire. The Conference will be held at the Woodlands Conference Centre, Chorley, Lancashire on Monday 31 March 2008.

This Conference is the follow up to the successful event held at the Woodlands Conference Centre on the 9th July 2007. The Second Conference will focus on preparations for the local filter regime due to begin in April. It is hoped that details on Government Regulations and the Standards Board Guidance will have emerged for discussion at the Conference and as at the first event we intend to have a speaker from the Standards Board available.

The Conference will start at 10.00am (Registration and coffee from 9.30) and will close at approximately 3.00pm. (Those who attended the first event will be aware that car parking is limited and you should therefore plan to arrive early if travelling by car or car share if possible.)

I will circulate a more detailed programme nearer the date. In the meantime it would be helpful if you could let me know approximate numbers of officers and members you expect might attend either by telephoning 01772 533307/533306 or e-mail at member.development@css.lancscc.gov.uk

I look forward to hearing from you and look forward to seeing you and your members at the Conference.

Yours faithfully
