Dear Miss [REDACTED],

**Re: APPLICATION FOR PERMISSION TO SELL LATE NIGHT REFRESHMENT
85 BOLTON STREET CHORLEY**

Thank you for your letter notifying me of the application. I wish to object to this application for the following reasons:

1. Having gone to planning appeal in the first instance at the Planning Inspectorate, planning permission was granted on the strict understanding that it didn't open after 2230 hours, so as not to cause nuisance to residents in the area. The building is right in our midst, backs onto a residential area and will definitely affect our quality of life due to the noise and disturbance which this type of outlet attracts. In the past we have all suffered from undue noise and disturbance, rowdy behavior from late night revelers, together with a large degree of vandalism and general bad behavior.
2. I note with interest that having applied for an extension of hours from the Planning Committee they asked for 2300 hours and were granted, despite objections from residents. If you grant this license, it will contradict the planning decisions already taken.

3. The premises are a shell. The only reason this application is going forward is so that a lease can be sold for a food operation. The applicants never had any intention of opening a Fish & Chip shop as previously stated, when the planning applications were submitted. There is every likelihood that planning permission will be denied for a further extension of hours should you grant a permit beyond 2300 hours.

I have taken the liberty of copying the comments of the Planning Inspectorate when they granted planning permission in the first place:

QUOTE FROM PLANNING INSPECTORATE APPEAL DECISION

1.4 “The use hereby permitted shall not be open to customers outside of the following times: 1100 to 2230hrs daily.

6. “It is more difficult to control the noise and disturbance associated with customers arriving at and leaving a hot food take away. The Local Shopping Centre designation helps to ensure that the effects of commercial activity occur within specific areas like Bolton Street. It is my view that if the opening hours at the proposed development were to be controlled, the proposed hot food take away would not significantly add to the noise and disturbance already created by businesses in Bolton Street.”

Yours sincerely

REF. [REDACTED]

Dear Ms [REDACTED]

Reasons to object to a late night license are :-

- (1) Too many of same in small area. 7 + Kentucky in 500
- (2) Extra litter to area, abandoned food means rats.
- (3) noise pollution - (THIS HAPPENS)
- (4) strong smelling fumes.

All these topics have been mentioned in the past. We feel that our local council don't

take into account genuine objections from people in Band A of council tax. Our opinions don't seem to matter.

These people will get their own way and we, in the area will suffer.

Regeneration to this area of town is not happening. This property was meant to be a chip shop - what happens. Please put it on record that we strongly object.

Yours Sincerely [REDACTED]

Please provide full details of your concerns regarding the application and include or enclose with the form any evidence you may have in support of it. (continue on a separate sheet if necessary)

AS MOST OF THE TIME WE HAVE LIVED IN THIS AREA WE HAVE HAD TO RISE AT 5 AM TO GO TO WORK SO WE HAVE NOT SPENT TIME TO VIDEO OR TAPE WHAT GOES ON TILL 3 AM, WE HAVE CONTACTED THE VENUES IN THE PAST AND HAD TO THREATEN CALLING POLICE TO GAIN ORDER. POLICE WERE CONTACTED BUT DIDNT ARRIVE ON TIME TO TAKE ACTION.

Please use the box below to suggest any suitable conditions that if agreed in advance of a hearing by the applicant would allow you to withdraw your representation or that the Committee could add to the licence (if granted) that would remedy your concern. MAKE SURE THESE PREMISES CLOSE AT MIDNIGHT OR BEFORE. IF PEOPLE CANT GET FOOD BEFORE THEN THEY SHOULD GO HOME AND MAKE A SANDWICH OR STARVE.

Dear Madam,

I'll be blunt, why do we need another Fast Food/Chip shop in our area of Bolton Street? We already have seven such shops in our area between Pilling Lane and George Street, I don't think we need anymore.

The food is unhealthy according to our present Government, so why is this Council allowing yet another one to open up, when we already know no-one wants it round here judging by our protest of signatures.

I wonder how you would like to be woken up late at night by bored staff of a present take away kicking a ball against security shutters of an opposite shop.

apart from the noise pollution concerns of food dropped in our street, empty containers also, their contents of discarded food spilled out attracting vermin which we have been troubled with in the past in our houses. The sickly food smell from this type of shop when they open reminding one of lat/oo containers and untidy rubbish at the back of these buildings, out of sight of the main road.

Cars damaged in our two streets as this is a residential area. Lets have a fair balance of outlets. We matter aswell.

Thankyou
yours faithfully

WORRIED ABOUT HARM TO OUR PROPERTIES AND CARS FROM GANGS OF CHILDREN CONGREGATING IN AND AROUND THESE PREMISES. THE FOOD IS UNHEALTHY. DRUNKENNESS LOUISH BEHAVIOR SUCH AS SHOUTING FOUL LANGUAGE SCREAMS AND LAUGHING. CAR DOORS SLAMMING. BIKES STREWN ON THE PAVEMENT. BORED STAFF PLAYING BALL GAMES FROM LACK OF ANY BUSINESS. LITTER OF CONTAINERS DISREGARDED FOOD AN OPEN INVITATION FOR VERMIN. I DONT FEEL SAFE GOING ANYWHERE NEAR THESE PLACES WHEN I WALK MY DOG LAST THING OR CUSTOMERS URINATING IN FULL VIEW.

Please use the box below to suggest any suitable conditions that if agreed in advance of a hearing by the applicant would allow you to withdraw your representation or that the Committee could add to the licence (if granted) that would remedy your concern. PERHAPS USING THE PREMISES FOR AN ALTERNATIVE BUSINESS SUCH AS A CONVENIENCE STORE. CHEMIST, PAPERSHOP.
THE LICENCEE WOULD ONLY BE INTERESTED IN SELLING HIS FOOD AND PROFITS, NOT THE RESIDENT'S CONCERNS.

Dear [REDACTED],

I am writing to object to a late night license being granted to 85 Bolton Street. The premises backs onto my house, and it is inevitable that we will be disturbed if a late night licence is granted.

We were all told that the owners wished to open a Fish & Chip shop. I do not know of any such shop opening as late as 12.30am and 2am any where in Chorley. In fact none of the local public houses open that late any way.

Having been informed by Planning that the hours were restricted to 11pm, I am distressed that you are considering a further extension. We do not wish to be subjected to noise and disturbance late into the evening. We all have jobs to go to and it simply isn't fair. Would you like a late night takeaway next to you open into the early hours?

It is not as if we have intentionally moved next to the takeaway, to the contrary the takeaway has been imposed upon us, widely regarded by fellow residents as unwanted. I believe it is totally unfair to subject us to further noise and disturbance which can only affect our quality of life.

Please do not grant a permit for any later than the planning decision of 11pm.

Yours faithfully
