Dear Sarah

LICENSING ACT 2003- VARIATION TIME SQUARE, UNION STREET, CHORLEY

I object to the variations in boxes B, C, E, F, G, I and J of the application.

In explanation for the objections, it is necessary to briefly detail the involvement of Environmental Services with the above premises.

Background

I have been investigating complaints regarding noise disturbance from entertainment at the pub since 13th January 2003. The complainants live on the other side of the party wall and above a sandwich bar (Nibbles).

There have been approximately 5 changes of tenancy to this date. The owners at that time, Pub Estate Company (Trust Inns Limited) commissioned an acoustic report to be carried out on the property and consequently installed a noise-insulating wall in July 2003. We continued to receive noise complaints and gained further evidence of a statutory noise nuisance. The Pub Estate Company arranged installation of a noise cut out device in October 2003. In February 2004 the Licensing Committee of Chorley Borough Council agreed to a 3 month temporary PEL, subject to certain noise control conditions, to assess the suitability of the premises for public entertainment. We received further noise complaints as a result of the cut-out device being tampered with and bypassed, this continued until the tenant at that time, John Sharp, vacated the premises in April 2004.

Mr David Hamer took over the pub soon after and cancelled all entertainment for three months until they got the cut-out device fixed. On 15th July 04 the pub received a further 3 month temporary license as the last one was not used correctly. The pub was closed for 1 month until Julie Southward took over as a permanent tenant. Although further complaints were received and objections were made, the Licensing Committee granted the pub a full PEL on 25 November 04. We received evidence of a Statutory Nuisance within 2 weeks and served an abatement notice on the tenant on 9th December 04. There was no further entertainment at the pub until 16th March 05 when we gained evidence of breach of the notice. A prosecution case was prepared but Mrs Southward had left the premises.

Continued....

I had a meeting with Mr Daniel Lee at the pub but only to discuss what had gone on in the past. The pub has been either been closed or open for limited hours since this date. In any case there has been no live entertainment at the pub.

Recommendation

I am now, in no greater position than I was in October 2003 (when the noise cut –out device was installed), to state whether the pub is suitable for certain types of public entertainment i.e live artists and karaoke, even at the current licensing hours. I have not had any communication from anyone at the pub or from the owners since April 05. **I therefore recommend that the current permitted licensing hours for all of the forms of entertainment in the boxes detailed above and that the existing conditions remain in force.**

In my opinion, the tenant is unable to guarantee that the statement in section Q (d) 2. of the application will be met.

There is a file of supporting evidence and tape-recorded evidence of noise disturbance available for inspection. Should you wish to discuss any of the matters addressed in this letter please do not hesitate to contact me.

Yours sincerely

Dear Mr Bee

Re: Times Square

I am writing on behalf of the residents on Felery Street, regarding their concerns about the application for a late licence made by Time Square.

I understand that residents feel that this application would not be appropriate as the pub is near houses and they have problems with noise during the weekend. In addition to this I have been informed that residents have had damage done to their vehicles in the early hours of the morning.

I would be grateful therefore if you could take this into consideration when looking at this application.

Dear Sir,

I wish to object about the Town Square and the new Licensing Hours.

I have been informed that the Town Square Public House has applied for extended opening hours starting from 10.00am to 02.30am seven days a week and in some cases even Twenty Four Hours a Day.

I regard these New Hours of Opening as totally unacceptable in a Residential Area.

I would be most grateful if you could look into this objection as soon as possible and inform me of what action you will be taking.

Yours sincerely,

I Strongly Object to Time Square asking for new opening times till 2-30am seven days a week, longer opening times means more Damage to cars.

On Friday Night Sat Morning 22-23 July 05 my Wing Mirror was broken off the Damage done to my Car Cost me £88-74p also Four more cars was done in the Street and it is in the Police Hands and Lindsay Hoyle.

The same night I got my car back on the 27th July, 5 Lads and 2 Girls came out of the Pub back way and Bang the Doors making a noise at 1-30am and one had using the door for a Toilet.

We could do with Camera at the Top of the Street, so they can be Catch and Punish like they are Punishings for doing nothing

Dear Mr Bee,

I am writing to submit a formal objection regarding the application by Times Square on Orion Street for an extension of their licensing hours. This pub is in close proximity to many residential terraced houses and already generates noise and disturbance closing at 11pm let alone 2am! Paul & Maria lives in the flat above 'Nibbles' and have had an ongoing nightmare regarding excessive noise for years. If you allow an extension of licensing hours this and many other issues will be negatively impacted. I hope you will take the many objections generated by this application seriously and deny the request by Times Square outright.

Yours sincerely,

Dated: 15/08/2005

We are writing to object the application made by Time Square public house. We are objecting to ALL applied categories on the new application as we find them all an unreasonable request. (Categories B /C /E /F /G /I /J /L /M /O)

I am sure that you will be very aware of the ongoing problems and concern we have been dealing with along with the Town Hall committee, the environmental health department, the Time Square management and owners and in some cases our solicitors.

We have continuously asked along with the environmental health that the manager/owner of Time Square provide adequate sound testing be carried out, this was the reason they were first granted the entertainment licence (along with restrictions). This still after years of trying has not fully been carried out as I'm sure Paul Carter of environmental health would agree.

This leads me to the first problem with increased hours. We will hear everything until 2.00am/3.00am and onwards everyday unlike at the moment we can at least be assured any noise will stop at 11pm and any people coming from the pub will move on, and not reside around our property. Even though this is not acceptable we understand that the issue is still ongoing.

We think this is enough reason to stop any further increase in hours or activity .We are also very concerned at the possible out spill of people/cars around my property making a nuisance at these hours. We really believe the position of Time Square does not permitted extended hours/activity, and we realise that a lot of pubs in the area are granted longer hours but they are in the town, not touching on residential properties and they do not I'm sure have ongoing problems with noise nuisance. I would also add that you may be inclined to check the commitment of the currant tenant as it is to my understanding that Mr Lee does not necessary intend to continue managing the Time Square public house then who becomes responsible? I am sure the estate management company will try and persuade you of their intentions of being on hand if we have any problems and I sure they will say they only employee responsible tenants. Let me inform you this is not the case as we have found out to our disadvantage. They will also argue that there have been no complaints from us since Mr Lee has been a tenant, this would be correct but this is due to not one bit of entertainment taking place during his duration.

We could inform you of a lot more reason but we believe this is just an objection with a basic reason as to why we object.

We would however urge you to speak with the environmental health department (Paul Carter) if you have not already done so. I'm sure they could give you clearer understanding of the whole situation.

Thank you for your time and we look forward to hearing from you.

Dear Sir

RE: PREMISES LICENCE REPLY:- LICENSING ACT 2003 - REF Variation.

Premises Times Square, Union Street Chorley

There are the following police representations to be made in respect of this application:-

The police have concerns re the variations applied for in relation to the regulated entertainment and supply of alcohol. Due to the location of the premises and its proximity to residential property it is felt that providing entertainment especially live music and serving alcohol till 2am would undermine the public nuisance and crime prevention objectives and causing noise and disturbance to local residents.

It is also felt that the application for 20 separate occasions per annum is excessive as is any further extensions over bank holiday weekends.

The police are unsure as to whether there is CCTV installed in the premises, if there is not then the police would require the fitting of a system to be included under the crime prevention objective.

Yours faithfully

To the Director of Legal Services,
Chorley Borough Council,

RE. TIMES SQUARE PUB - UNION STREET CHORLEY

I wish to object to the issuing of a late night entertainment and drinks licence for the above premises.

This is a residential area and the issuing of such a licence will disturb sleeping residents - who have to rise early for work.

Late licenses always bring, unwanted and excessive noise at unsociable times, and the usual bad behaviour that goes with it.

I look forward to hearing your comment

Information on plans

Plans of the premises must accompany the application and unless the relevant Licensing Authority has previously agreed in writing with the applicant following request that an alternative scale is acceptable to it, the plans should be drawn on a standard scale (1:100).

Under the Licensing Act 2003 (Schedule 8 Paragraph 2 (6)(b)), the plan is required to be in the specified form (in accordance with the Regulations), of the premises to which the relevant existing licence or licences relate - unless, therefore, any of the existing (current) Licences specifically licence any external area, no external areas need to be shown on the plans, a view to which the DCMS appears to agree.

The plans identify the licensed area edged in red. For the purpose of clarification we confirm that all proposed licensable activities extend to the public areas within this area.
