

APPLICATION REPORT – 18/00269/REMAJ

Validation Date: 16 March 2018

Ward: Astley And Buckshaw

Type of Application: Major Reserved Matters

Proposal: Reserved matters application for the erection of 125 no. residential dwellings (including 60 affordable dwellings) and associated landscape and highway works (pursuant to outline permission ref: 14/00927/OUTMAJ). (Resubmission of 17/00767/REMAJ).

Location: Parcel H1B Group Euxton Lane Euxton

Case Officer: Adele Hayes

Applicant: Persimmon Homes (Lancashire)

Agent: N/A

Consultation expiry: 12 April 2018

Decision due by: 15 June 2018

RECOMMENDATION

1. It is recommended that the application is approved.

SITE DESCRIPTION

2. The Group One site is located to the west of Central Avenue and covers an area of 54.34 hectares. It is located to the south west of Buckshaw Village and forms part of the former Royal Ordnance site. It is split between the administrative areas of South Ribble Borough Council and Chorley Borough Council with the larger part of the site within the boundary of Chorley.
3. Outline planning permission was granted in December 2009 for the redevelopment of the Group One site for mixed use development comprising housing and commercial uses and associated landscape treatment and highway works (08/00910/OUTMAJ). Permission was granted subject to a number of conditions and obligations contained within a Section 106 Agreement.
4. Three further Section 73 applications (11/00403/OUTMAJ, 13/00126/OUTMAJ and 14/00927/OUTMAJ) to vary condition 29 (access on the A49) of the outline planning permission, to remove the requirement for the dwellings to achieve Code Level 6 and to vary condition no. 30 (construction of main access road) to enable re-positioning of the main access road through the site, were approved on 27 July 2011, 17 July 2013 and 30 March 2015 respectively.
5. Infrastructure has been constructed to deliver serviced land and reserved matters approval has been given for several of the land parcels. Development is underway.

6. An application to vary the affordable housing obligations contained in the original Section 106 Agreement dated 22 December 2009 (in so far as they relate to the part of the Group 1 site within Chorley Borough Council's administrative area) was approved in September 2013.
7. The amendments involved a reduction in the affordable housing provision from 20 per cent to 15 per cent and for all of the affordable housing units provided to be in the form of social rented housing.
8. Two further applications have been submitted under Section 106A of the Town and Country Planning Act 1990 (as amended) to modify the planning obligation again insofar as it relates to the provision of affordable housing and its delivery timeframe on other land parcels.
9. All of the other obligations within the original Agreement are not affected by these applications.
10. This application relates to parcel H1BII that is being developed by Persimmon Homes. This parcel is bounded by the railway to the south, Brookwood Way to the north (the main spine road running through the site) and adjacent housing parcels to the east and west.

DESCRIPTION OF PROPOSED DEVELOPMENT

11. This application seeks reserved matters consent for the erection of 125 no. residential dwellings (including 60 affordable dwellings) and associated landscape and highway works (pursuant to outline permission ref: 14/00927/OUTMAJ). The scheme includes for the provision of 60no. affordable dwellings, some of which are effectively recovered from other development parcels where reserved matters consent has already been granted.
12. This application is effectively a resubmission of a previously approved application, 17/00767/REMAJ, and includes a re-plan of aspects of the approved scheme. The noticeable changes in the current layout, as compared to the approved, is there is an increase in the number of affordable houses from 48 to 60 and a reduction in the market houses from 72 to 65. The site layout is similar to the approved.
13. Consent is again sought for details of appearance, landscaping, layout and scale. Details relating to means of access into the site from Wigan Road were approved at the outline stage.

REPRESENTATIONS

14. The application has been publicised on site and no representations have been received as a result of this publicity.

CONSULTATIONS

15. Lancashire Highway Services – Have commented that the layout is acceptable from a highways perspective subject to conditions and advice notes.
16. Council's Waste Officer – Has made suggestions about adding some bin collection areas to the layout.
17. Euxton Parish Council – No comments have been received.

PLANNING CONSIDERATIONS

Principle of development

18. The acceptability of the proposed development has already been established by the original grant of outline planning permission and subsequent S73 applications as detailed above. The outline planning permission required a Design Code to be drawn up and this has been submitted to and approved by the Council. The application has, therefore, been assessed

as to whether it conforms to the approved Design Code. Reserved matters consent was previously granted in October 2017 for the development of this parcel.

Design and layout

19. The design principles for the proposed development are set out in the Design Code for the site. Three distinct character areas are proposed in the Design Code:
 - 'Mixed Use Hub' (plots C1, C2 and M1) that connects the site into Buckshaw Village;
 - 'The Village' (plots H1 and H5) that follows the new link road through the site; and
 - Three distinctive 'Woodland Greens' (H2, H3 and H4).
20. The Design Code provides details about how these character areas respond to their distinctive nature in respect of the proposed building mix, type, height and use of materials and establishes parking principles, landscaping details and boundary treatments.
21. The application site is within parcel H1 of the approved Design Code and is part of the 'Village Character Area' as are the surrounding parcels.
22. The approved Design Code shows this application parcel to be residential with an active frontage to the link road (Brookwood Way). It also states that the majority of the houses will be two or two and a half storeys with a wide range of house types and a proposed density of 30-40 dwellings per hectare.
23. The proposed house types are all two or two and a half storey and the layout is equivalent to approximately 45 dwellings per hectare, which is considered to be in broadly in compliance with the Code. The Code also states that direct access to the link road is an important principle and the scheme has been designed so that the properties proposed on the northern boundary of the site would have their front elevations facing Brookwood Way. In relation to the streets off the main road, the Code states that these can be formed with building house types that are more standard and typical to an individual developer with courtyards and squares. The proposed layout proposes a number of small court yards at the end of cul-de-sacs with paving to the front of each.
24. The Council's Waste Officer has reviewed the layout and as a result a number of amendments have been made to the areas for bin collection to ensure there is enough space on the site for the number of bins each property will need to present on collection day. The amended layout is considered acceptable in terms of bin collection.
25. The design and layout is, therefore, considered acceptable and in accordance with the Design Code.

Impact on the neighbours

26. The application site is set within a distinct parcel within the Group 1 site and is adjacent to existing approved housing parcels to the east and west. Some of these are under construction and some are already occupied. The proposal complies with the Council's interface distances in relation to these properties.
27. Within the site, the layout also complies with these interface distances and is considered acceptable.

Trees and landscape

28. There are no existing trees on the site. A landscaping scheme has been submitted as part of the application which is considered acceptable and its implementation can be controlled by a condition.

Traffic and transport

29. The site would be accessed from three cul-de-sacs off Brookwood Way. Two of these are longer straight roads which terminate in small cul-de-sacs and the third is a smaller central cul-de-sac and are what was envisaged by the Design Code.
30. The Council's parking standards require 2/3 bed properties to have two parking spaces and

4 bed properties to have three spaces. The properties meet this standard and the garages are large enough to count as a parking space. Garages counted as a parking space will be conditioned to be retained for parking.

Contamination

31. The Group 1 site as a whole has been the subject of a separate application for remediation (ref: 09/00095/FULMAJ) and contamination considerations are not, therefore, matters for this application. A precautionary condition is proposed that if during the earthworks exercise further contamination is found in close proximity to the streams and reservoir then the risk to controlled waters be re-assessed.

Drainage and sewers

32. A drainage strategy for the whole Group 1 site in relation to surface water and flood risk forms part of the Design Code based around the current natural drainage catchments on the site, the aim of which is attenuating surface water runoff for all events up to and including a 100-year event, plus a 20% allowance for climate change and attenuation within the site for runoff above the existing 1-year, 15-minute runoff rate. There is provision of attenuation on the wider site in existing ponds with an additional attenuation feature in the northwest of the site. Standard piped drainage within this parcel would drain surface water runoff to the attenuation areas.

Legal agreement

33. A legal agreement attached to the outline planning permission secures affordable housing provision across the whole of the Group 1 site. The amount of affordable housing to be provided across the site of a whole has been reduced to 15% through application ref: 13/00649/FUL (permitted 20th September 2013), which was to vary the affordable housing obligations contained in the original legal agreement. This scheme proposes 60 affordable units, which would contribute towards this requirement.
34. The legal agreement also secured a transport contribution, on-site public open space, management details, highway improvements, amongst other things, and also reserved a school site for a set period that has now been built.
35. The infrastructure and affordable housing provision related to the site has, therefore, already been secured through the existing outline permission and legal agreement.

Community Infrastructure Levy (CIL)

36. The application is not subject to CIL as it is a reserved matters application subject to an outline planning permission granted prior to its introduction.

CONCLUSION

37. The reserved matters details are considered acceptable and the application is recommended for approval. The applicant is bound by the conditions placed on the outline permission and the legal agreement that was submitted at that time.

RELEVANT POLICIES: In accordance with s.38 (6) Planning and Compulsory Purchase Act (2004), the application is to be determined in accordance with the development plan (the Central Lancashire Core Strategy, the Adopted Chorley Local Plan 2012-2026 and adopted Supplementary Planning Guidance), unless material considerations indicate otherwise. Consideration of the proposal has had regard to guidance contained within the National Planning Policy Framework (the Framework) and the development plan. The specific policies/guidance considerations are contained within the body of the report.

Suggested conditions

1. The Development shall only be carried out in accordance with the approved plans, except as may otherwise be specifically required by any other condition of the outline planning permission or this approval of reserved matters.

Reason: To define the permission and in the interests of the proper development of the site.

2. The development hereby permitted shall be carried out in accordance with the approved plans below:

Title	Drawing Reference	Received date
Location Plan	N/A	15 March 2018

Reason: For the avoidance of doubt and in the interests of proper planning.

3. Before the development hereby permitted is first commenced (other than site preparation works) full details of existing and proposed ground levels and proposed building finished floor levels (all relative to ground levels adjoining the site) shall have been submitted to and approved in writing by the Local Planning Authority, notwithstanding any such detail shown on previously submitted plan(s). The development shall be carried out strictly in conformity with the approved details.

Reason: To protect the appearance of the locality and in the interests of the amenities of local residents.

4. The external facing materials, detailed on the approved materials schedule shall be used and no others substituted unless alternatives are first submitted to and agreed in writing by the Local Planning Authority, when the development shall then be carried out in accordance with the alternatives approved.

Reason: To ensure that the materials used are visually appropriate to the locality.

5. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of any buildings or the completion of the development, whichever is the sooner, and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: In the interest of the appearance of the locality.

6. No dwelling shall be occupied until all fences and walls shown in the approved details to bound its plot, have been erected in conformity with the approved details. Other fences and walls shown in the approved details shall have been erected in conformity with the approved details prior to substantial completion of the development.

Reason: To ensure a visually satisfactory form of development, to provide reasonable standards of privacy to residents.

7. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (Schedule 2, Part 2, Class A) (or any Order revoking and re-enacting that Order) no fences, gates or walls shall be erected within the curtilage of any dwelling hereby permitted (other than those expressly authorised by this permission) or on the boundary of the site.

Reason: To protect the appearance of the locality and ensure a satisfactory relationship is maintained with the immediate surroundings.

7. If, during development, contamination not previously identified is found to be present at the site then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until the developer has submitted, and obtained written approval from the Local Planning Authority for, an amendment to the Method Statement detailing how this unsuspected contamination shall be dealt with.

Reason: To protect the environment and prevent harm to human health by ensuring that the land is remediated to an appropriate standard for the proposed end use.

8. The development hereby approved shall be carried out in accordance with the approved surface water regulation system.

Reason: To secure proper drainage.

9. Before the dwellings hereby permitted are occupied the driveways and vehicle manoeuvring areas shall be surfaced or paved, drained and marked out all in accordance with the approved plan. The driveways and vehicle manoeuvring areas shall not thereafter be used for any purpose other than the parking of and manoeuvring of vehicles.

Reason: To ensure adequate on site provision of car parking and manoeuvring areas.

10. The garage(s) hereby approved shall be kept freely available for the parking of cars and shall not be converted to living accommodation, notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995.

Reason: To ensure adequate garaging/off street parking provision is made/maintained and thereby avoid hazards caused by on-street parking.

11. No dwellings shall be occupied until full engineering, drainage, street lighting and constructional details of the streets proposed for adoption have been submitted to and approved in writing by the Local Planning Authority. The development shall, thereafter, be constructed in accordance with the approved details, unless otherwise agreed in writing with the Local Planning Authority.

Reason: In the interest of highway safety to ensure a satisfactory appearance to the highways infrastructure serving the approved development; and to safeguard the visual amenities of the locality and users of the highway.

12. Before the use of the site hereby permitted is brought into operation and for the full period of construction, facilities shall be provided within the site by which means the wheels of vehicles may be cleaned before leaving the site.

Reason: To avoid the possibility of the public highway being affected by the deposit of mud and/or loose materials thus creating a potential hazard to road users.

13. The ground surfacing materials, detailed on the approved plans, shall be used and no others substituted.

Reason: To ensure that the materials used are visually appropriate to the locality.

14. The windows of bedrooms overlooking the railway line as shown in Figure 2 (Site Layout and Noise Mitigation Scheme) of the Hepworth Acoustics Noise Impact Assessment report submitted with the application, the following upgraded glazing specification shall be fitted, that has an acoustic performance of at least 33 dB Rw + Ctr:

- 8mm glass - nominal (8-20mm) cavity - 6.4mm Solaglas 'Stadip Silence' laminated glass, or

- 10mm glass - nominal (8-20mm) cavity - 6mm glass

For all other bedrooms on the development, standard thermal double glazing shall be used. In addition, standard window frame slot vents shall not be installed in the bedrooms of dwellings closest to the railway line, as shown in Figure 2 (Site Layout and Noise Mitigation Scheme) of the Hepworth Acoustics Noise Impact Assessment report submitted with the application and these dwellings will be provided with NuAir Drimaster Positive Input Ventilation (PIV) systems. *Reason: Due to the maximum noise levels measured from passing trains, to ensure an appropriate sound insulation scheme is installed in the dwellings immediately adjacent to the railway line.*

RELEVANT PLANNING HISTORY

97/00509/OUT: Outline application for mixed use development. Approved August 1999.

97/00660/CTY: Erection of a landfill containment facility for the storage of contaminated soils and demolition material and associated land forming. Approved January 1998.

02/00748/OUT: Modification of conditions on outline permission for mixed use development. Approved December 2002.

05/00017/CTY: Variation of conditions 1, 3 and 4 of planning permission 9/97/660 to allow the importation of hazardous waste and to amend the phasing of landfilling and restoration at the existing landfill containment facility. Approved March 2005.

07/01108/CTY: Variation of condition 1 of planning permission 09/05/0017, extending the period of operations of the contained landfill facility by 3 yrs. from 1/03/08 to 1/03/11. Approved by LCC January 2008.

08/00645/FUL: Erection of a bat house at Group One, Buckshaw Village. Approved July 2008.

08/00910/OUTMAJ: Outline planning application for the redevelopment of land at Group One (Site Area 54.34 Hectares), Royal Ordnance Site, Chorley for mixed use development comprising housing and commercial uses (including uses A1, A2, A3, B1, B2, C1, C2 and C3 of the Town and Country Planning (Use Classes) (Amendment) (England) Order 2006) and associated landscape treatment and highway works. Approved December 2009.

08/01002/FUL: Erection of a bat house at group one Buckshaw Village. Approved November 2008.

09/00058/CTY: Construction of a landscape mound for recreational and nature conservation use, utilising surplus excavation soils from the restoration of the site. Approved by LCC April 2009.

09/00084/FUL: Erection of a bat house at group one, Buckshaw Village. Approved April 2009.

09/00095/FULMAJ: Land reclamation and remediation earthworks to create a development platform at Group 1, Buckshaw Village (site area 54.34 hectares). Approved December 2009.

10/00153/DIS: Application to discharge conditions 4, 9, 10, 11, 12, 14, 16, 17, & 18 attached to planning approval 09/00095/FULMAJ. Discharged April 2010.

10/00247/DIS: Application to discharge condition 32 of planning approval 08/00910/OUTMAJ. Discharged April 2010.

10/00309/DIS: Application to discharge condition 14 attached to planning approval 09/00095/FULMAJ (discharge of phase 1 only). Discharged July 2010.

10/00339/DIS: Application to discharge conditions 7, 8 and 23 of planning approval 09/00095/FUL. Discharged June 2010.

10/00608/NLA: Neighbouring local authority application for construction of an access road onto the A49. No objection August 2010.

10/00693/DIS: Application to discharge condition 14 attached to planning approval 09/00095/FULMAJ (further phase relating to more information on tree removal/tree retention in the high and medium risk remediation zones). Discharged September 2010.

10/00940/DIS: Application to discharge conditions 7, 10, 12, 22 & 28 attached to planning approval 08/00910/OUTMAJ. Discharged December 2010.

10/01061/DIS: Application to discharge condition 47 attached to planning approval 8/00910/OUTMAJ. Discharged January 2011.

10/01062/DIS: Application to discharge condition 13 attached to planning approval 9/00095/FULMAJ. Discharged January 2011.

11/00080/DIS: Application to discharge conditions 5, 6, 8, 9, 11, 29, 30 and 46 attached to planning approval 08/00910/OUTMAJ. Discharged March 2011.

11/00099/DIS: Application to discharge condition 14 attached to planning approval 9/00095/FULMAJ. (phase 2 of the tree removal/tree retention and amendments to Phase 1 previously approved as part of 10/00309/DIS and 10/00693/DIS). Discharged February 2011.

11/00361/NLA: Neighbouring Local Authority consultation on a reserved matters application for the construction of an access road, foul water pumping station and layout of the NEAP/ open space (site 0.9ha) at Group 1, Buckshaw Village. No objection May 2011.

11/00403/OUTMAJ: Section 73 application to vary condition 29 (access on the A49) attached to outline planning approval 08/00910/OUTMAJ. Approved July 2011.

11/00784/DIS: Application to discharge condition 45 attached to planning approval 11/00403/OUTMAJ. Discharged October 2011.

11/00897/DIS: Application to discharge condition 24 attached to planning approval 11/00403/OUTMAJ. Discharged October 2011.

12/00007/FUL: Construction of an access road to serve parcels H3 and H4 of Group 1 and the erection of a foul pumping station. Approved May 2012.

12/00265/MNMA: Application for minor non-material amendment to planning application 11/00403/OUTMAJ to amend to the remediation phasing. Approved April 2012.

12/00266/MNMA: Application for minor non-material amendment to planning application 09/00095/FULMAJ to amend to the remediation phasing. Approved April 2012.

12/00448/DIS: Application to discharge condition 17 attached to planning approval 09/00095/FULMAJ. Discharged May 2012.

12/00475/FULMAJ: Section 73 application to vary condition 18 (southern boundary treatment) attached to planning approval 09/00095/FULMAJ. Approved January 2013.

12/00688/FUL: Construction of an access road leading from Central Avenue together with earthworks and landscape treatment associated with the realignment of watercourses. Approved November 2012.

12/00791/MNMA: Application for minor non material amendment to outline planning application 08/00910/OUTMAJ comprising changes to the approved phasing of the development. Approved January 2013.

12/00801/DIS: Application to discharge conditions numbered 6 (exportation of material), 7 (cleaning of vehicle wheels), and 8 (routing of heavy goods vehicles) of planning approval 09/00095/FULMAJ. Discharged December 2012.

12/00835/DIS: Application to discharge condition 3 (requirement to agree the extent of the proposed sub-phase H3 for which a reserved matters application is to be submitted) of permission 08/00910/OUTMAJ (outline permission for the development of Group 1). Discharged September 2012.

12/00979/DIS: Application to discharge condition numbered 14 (tree survey) of planning approval 09/00095/FULMAJ. Discharged October 2012.

12/01205/DIS: Application to discharge conditions numbered 3 (phasing) and 24 (verification reports) of planning approval 11/00403/OUTMAJ. Discharged December 2012.

12/01237/DIS: Application to discharge condition numbered 14 (tree survey) of planning approval 09/00095/FULMAJ. Discharged February 2013.

13/00126/OUTMAJ: Section 73 application to vary condition no. 17 (Code for Sustainable Homes) of planning permission no. 11/00403/OUTMAJ to remove the requirement for dwellings built post January 2016 to achieve Level 6. Approved July 2013.

13/00310/FULMAJ: Engineering works comprising the re-grading of land at the ordinary watercourse crossing the site on a north-south alignment (following the installation of a culvert) to create a level platform for the construction of a Neighbourhood Equipped Area for Play to serve the planned housing neighbourhood. Approved June 2013.

13/00649/FUL: Application under Section 106 BA of the Town and Country Planning Act 1990 (as amended) to modify a planning obligation dated 22 December 2009. Approved September 2013.

13/00945/DIS: Application to discharge condition 3 (requirement to agree the extent of the proposed sub-phase H1a(ii) for which a reserved matters application is to be submitted) of permission 13/00126/OUTMAJ (outline permission for the development of Group 1). Discharged October 2013.

13/01014/DIS: Application to discharge of condition 22 (remediation strategy) and condition 24 (verification report) of planning permission of 13/00126/OUTMAJ. Discharged November 2013.

13/01113/DIS: Application to discharge of condition 22 (remediation strategy) and condition 24 (verification report) of planning permission of 13/00126/OUTMAJ. Discharged December 2013.

13/01132/REMMAJ: Reserved matters application pursuant to outline planning permission 13/00126/OUTMAJ for the erection of 93 no. 2, 3 and 4 bedroom, 2 storey residential dwellings, together with associated access roads, driveways, garages, private garden areas and means of enclosure. Includes for the provision of 14 no. affordable dwellings within the above. Approved March 2014.

14/00056/DIS: Application to discharge conditions numbered 11, 13, 14, 15, 16, 17, 18, 33, 36, and 37 attached to outline planning approval 13/00126/OUTMAJ in so far as they relate to development parcel H1a(ii). Discharged April 2014.

14/00177/FULMAJ: Application to vary condition 7 of planning permission ref: 12/00945/REMMAJ (which was a Reserved Matters application for the erection of 32 no. dwellings) to allow the dwellings to be built to Code Level 3 (but Code 4 Energy) rather than Code Level 4 or 6. Withdrawn May 2014.

14/00179/DIS: Application to discharge conditions 6 (carbon emissions statement) and 8 (Design Stage Assessment) of planning approval ref: 12/00945/REMMAJ (which was a Reserved Matters application for the erection of 32 no. residential dwellings). Pending.

14/00265/REMMAJ: Proposed erection of 20 no. dwellings and associated landscaping and highway works (further re-plan of part of site previously approved by permission ref: 13/01144/REMMAJ). Approved May 2014.

14/00343/DIS: Application to discharge condition numbered 25 (site compound) attached to outline planning approval 13/00126/OUTMAJ in so far as it relates to development parcel H1a(ii). Discharged May 2014.

14/00549/DIS: Application to discharge condition 3 (requirement to agree the extent of the proposed sub-phase H2 for which a reserved matters application is to be submitted) of permission 13/00126/OUTMAJ (outline permission for the development of Group 1). Discharged July 2014.

14/00635/REMMAJ: Reserved matters application for the erection of 64 no. residential dwellings and associated landscape and highway works (pursuant to outline permission ref: 13/00126/OUTMAJ). Approved September 2014.

14/00659/DIS: Application to discharge condition 3 (requirement to agree the extent of the proposed sub-phase H1e for which a reserved matters application is to be submitted) of permission 13/00126/OUTMAJ (outline permission for the development of Group 1). Discharged April 2015.

14/00927/OUTMAJ: Section 73 application to vary condition no. 30 (Construction of main access road) of planning permission no. 13/00126/OUTMAJ to enable re-positioning of the main access road through the site. Approved March 2015.

14/00933/REMMAJ: Reserved matters application for the erection of 51 no. residential dwellings (including 9 no. affordable) and associated landscape and highway works (pursuant to outline permission ref: 13/00126/OUTMAJ). Approved December 2014.

14/00990/ADV: Erection of 12 no. directional yellow signs (1m x 36cm) fixed to lampposts on routes leading from Euxton, the M61 and the M6 pointing the way to Redrow housing development at Buckshaw Village (Group 1 part of site). Withdrawn November 2014

14/01014/ADV: 1000 x 360 mm Lamppost mounted signs. Withdrawn January 2015.

14/01151/MNMA: Minor non-material amendment to plots 1 - 4 (approved under 13/01132/REMMAJ) involving repositioning of previously approved house types. Approved December 2014.

14/01152/REM: Reserved matters application pursuant to outline planning permission 13/00126/OUTMAJ for substitution of house type on Plot 5 approved under reserved matters approval 13/01132/REMMAJ. Approved 22 December 2014.
