Section 1 – Context and Purpose

Lancashire Local Chorley is a Joint Committee of the County Council and Chorley Borough Council. The impact of Lancashire Local Chorley needs to be focused, visible and transparent.

As Lancashire Locals bed down across Lancashire, their purpose has crystallised.

Lancashire Locals are the County Council’s key vehicle for empowering local County Councillors to:-

- 1. Determine the design and delivery of local government services through its delegated powers.**
- 2. Influence the shape of our services at a local level by working jointly with District Councillors drawing on the knowledge and expertise of Cabinet / Executive Members and Officers in their respective councils and councillors from relevant Parish and Town Councils.**

The Local provides a forum through which the County Council can prioritise its resources to best meet local needs and aspirations. Meetings of the Lancashire Local are generally open to the press and public. Parish and Town Councillors, together with local people interested in specific agenda items, are able to have their say before decisions are taken.

The Lancashire Local has a strong role to play as a County Council problem solving body for Chorley. Local problem solving is a key role for councillors as community advocates, and Lancashire Local Chorley can significantly enhance this role. The County and Borough Councillors on the Lancashire Local have the detailed local knowledge, along with Parish and Town Councillors, that is needed to find realistic solutions to neighbourhood and district community concerns relating to County Council services in Chorley.

The involvement of Borough Council representatives on the Lancashire Local provides the opportunity to identify local solutions and service improvements for Borough Council services also, working alongside County Council services. The Local can thus seek to jointly deliver local government service improvements for the residents, businesses and visitors to Chorley. This means both Councils being proactive in bringing service issues to the Local and seeking to deliver local priorities together.

The Lancashire Local will concentrate on the agreed local priorities and targets in the Chorley Local Strategic Partnership’s Sustainable Community Strategy [and the Joint County/Borough Locality Plan] – as far as they involve Lancashire County Council services or closer working between the County and the Borough.

Lancashire Local Chorley will formalise its own specific working arrangements alongside the Chorley Local Strategic Partnership to agree how best it can support the Partnership and establish a regular dialogue strengthening that relationship. The role and responsibilities of the Lancashire Local sits at arms length from the Local Strategic Partnership, but supports the Sustainable Community Strategy for Chorley.

Lancashire Local Chorley will deliver focused, visible, and transparent outcomes for the residents, businesses, and visitors to Chorley, in accordance with local priorities and targets relating to local government services.

Section 2 - Functions

The scope and overall purpose of the Lancashire Local is as set out in Section 1. The general remit of the Lancashire Locals is set out below and the more specific delegated functions are outlined in later sections.

When exercising this function, Lancashire Locals are encouraged to select those services for shaping/influencing that are relevant for addressing local issues/priorities specific to the district, as outlined in the Sustainable Community Strategy, and other evidence based data/plans such as Parish Plans. These local government priorities will be incorporated into the annual joint locality plan (where one is to be produced) where it is considered to be a priority for the district in that year. The Appendix attached suggests some of the services that Lancashire Local Chorley may want to consider where their Local Strategic Partnership priorities identify council services as a local priority. This list is not comprehensive and is intended only as a guide.

Unless other mechanisms are adopted by the Lancashire Local the following process shall be applied:-

Members of the public shall be allowed to speak at each meeting in relation to items on the agenda. Each Lancashire Local will agree how this is best conducted locally. The Lancashire Local will be requested to periodically review their arrangements for public participation, to ensure they remain effective.

The following Protocol regarding public participation was agreed by the Lancashire Local at the meeting on ** 2009.**

Basic Principles

- Lancashire Local Chorley is a fully constituted Joint Committee that can take some decisions and monitor, shape and influence some policies and services of Lancashire County Council.
- The membership of the Lancashire Local Chorley comprises the seven County Councillors with Electoral Divisions in Chorley and seven Councillors from Chorley Council.
- This Protocol outlines how it is proposed that Lancashire Local Chorley interfaces with Parish and Town Councils in the district. It is the wish of all the members that there is an opportunity for an input from the Town and Parish Councils, either collectively as a council, or from individual councillors.

Commitments

It is proposed that each Parish and Town Council shall:

- Be notified in writing via their Clerk of the dates, times and venues of the meetings, with an invitation to attend the meeting being extended via the Clerk to the Chair of the Parish/Town Council
- Receive a copy of Agenda papers electronically via e-mail or preferably a link to the County Council's website:
<http://www3.lancashire.gov.uk/council/meetings/committees/locals/committee.asp?cid=1276>
- Agenda papers can also be accessed via: <http://www.lancashireparishcouncils.gov.uk/>
- Hard copy agenda papers will be posted to those Parish and Town Council Clerks who are not on line.
- Where an agenda item is Parish and Town Council specific the Parish and Town Council shall be given an opportunity to comment/ask questions. The period of this shall be at the discretion of the Chair of the meeting depending on the number of anticipated speakers from the floor.
- It is also proposed that we afford the opportunity to Parish and Town Councils to consult the Lancashire Local on their Parish Plans with a view to assisting the parishes in the delivery of their objectives.
- Where issues specifically relate to a parish area and where practicable, Parish and Town Councils will be afforded the opportunity to take the item to the Parish and Town Council first for comment. However, it must be recognised that this cannot unnecessarily delay the decision making process.

Examples of use of General Remit

The Lancashire Local's General Remit includes a responsibility to shape and influence any matter relating to any local County Council service in the district of Chorley, and to discuss any opportunities for a closer alignment of local authority services in the district.

This will enable the Lancashire Local to help influence County Council activity generally in Chorley.

The list below is not comprehensive, and offers examples only, which may serve to prompt Lancashire Local Chorley to explore the potential for local service improvement and closer alignment of local authority services in Chorley district.

The local priorities in the District's Sustainable Community Strategy will be the key determinant of the focus of the Lancashire Local's attention and as such will form the basis of a joint locality plan where one is to be developed.
