6. The Accounts and Audit Regulations 2015 came into force on 1 April 2015. The main impact of the 2015 Regulations is that changes to the year-end closedown process and external audit arrangements will be required to enable the council's:

BACKGROUND

8. This report explains the Council's year-end financial position as presented in the Statement of Accounts for 2018/19. It does not make detailed comparisons between actual revenue and capital expenditure compared to budgeted expenditure for 2018/19. Budget monitoring reports have been presented to Executive Cabinet throughout the year, and the provisional outturn report for 2018/19 is to be submitted to the meeting of 20 June 2019.
9. Figures in the draft SOA have been prepared on the assumption that a number of recommendations will be approved, in particular in respect of transfers to general and earmarked reserves, and the financing of the capital programme.

ACCOUNTS AND AUDIT REGULATIONS 2015

10. The Accounts and Audit Regulations 2015 came into force on 1 April 2015. They contain provisions on financial management, annual accounts, internal control and audit procedures affecting all local authorities and a number of other local public bodies.
11. The 2015 Regulations revoked the Accounts and Audit (England) Regulations 2011 (and related adjusting amendments). The 2015 regulations have brought forward significantly the timetable for the closure of Accounts, as follows;
 - the Responsible Financial Officer (RFO) must certify the presentation of the accounts by 31 May, and the accounts will be open for public inspection from 1 June
 - the annual accounts (including Annual Governance Statement) must be published with the audit opinion and certificate, and before that must have been approved by members, by no later than 31 July.
 - the RFO must re-certify the presentation of the annual accounts before Member approval is given.
12. The 2015 Regulations require that the RFO must ensure that the period for the exercise of public rights includes the first 10 working days of June of the financial year immediately following the end of the financial year being reported. The period for the exercise of public rights (which will include rights of objection, inspection and questioning of the external auditor) may only be exercised within a 30 day period. During the period for the exercise of public rights the Council must make all relevant documents available for public inspection.
13. The Regulations no longer require councils to give notice by advertisement of the public inspection period. However the council has uploaded on to the website the notice of electors rights namely:

*NOTICE is given that from 3rd June to 12th July 2019 between 9.00am and 4.45pm
Mondays to Fridays, any person interested may on reasonable notice inspect and make
copies of the accounts of Chorley Borough Council for the year ended 31 March 2019*
14. Anyone can ask questions about the accounts, but only local electors can ask questions formally. Questions must be submitted in writing to the External Auditor's regional office, the address of which is as follows: **Grant Thornton LLP, 4 Hardman Square, Spinningfields, Manchester, M3 3EB.**
15. Regulation 15(2) states that the RFO must publish all the following before the public inspection period can begin:
 - the Statement of Accounts, signed and dated by the RFO;

- a declaration signed by the RFO stating that the statement of accounts is unaudited and may be subject to change;
- the Annual Governance Statement;
- the narrative statement; and
- a statement which sets out the requirements of Regulation 15(2)(b), these include:
 - the period during which electors may exercise their rights;
 - how electors should exercise their rights;
 - the name and address of the local auditor; and
 - the provisions in sections 26 and 27 of the Act on inspection of documents and
 - the right to make objections at audit.

PROGRESS IN ACHIEVING EARLY CLOSURE

16. The draft statement of accounts was completed on 24 May 2019, however officers used the remaining time before the publication deadline to carry out further checks. The council will meet its statutory requirement to publish the draft accounts on its website by 31st May 2019.
17. Building on last year's improvements to the closure process the finance team has been able to complete the draft statement of accounts well within the statutory deadline. The entire finance team continue to share the necessary tasks and best practises that are integral for the prompt closure of accounts. The knowledge of the closure process improves year-on-year and the culture within the team ensures that these processes continue to be improved.
18. This work was not completed in isolation and support from other services includes Performance and Partnerships, Customer Services and Audit were crucial in completing the draft statement
