Background

- To raising wider awareness of concerns recently raised by Nickleton Brow residents in Heath Charnock Parish due to speeding cars, under-reporting of traffic incidents, possible drug-driving following the use of nitrogen dioxide, litter created by discarded canisters in the Rivington area and damage to property (of individuals and in public ownership of United Utilities).

The Parish Council has reported this to the Police who said they would take action.

Mr Andy Pratt, the Deputy Lancashire Police and Crime Commissioner is due to attend the 16 March Heath Charnock Parish Council meeting where these concerns will be discussed. The Parish Council's representative will be able to update the Chorley Liaison meeting.

6 Questions from Members of the Liaison and the public

In order to allow members of the Liaison and members of the public to raise issues of local concern, a period of 20 minutes has been set aside.

A member of the public may speak for no more than 3 minutes. Members of the public are not required to give notice of the issue they intend to raise, although it is expected in the case of service issues that the appropriate mechanisms for resolving the issue have been explored.

Where a question is raised which cannot be answered at the meeting, a record will be kept by officers supporting the meeting and it will be responded to via the appropriate mechanism.

7 Items for Future Meetings

A schedule setting out deadlines for items to be requested on the agenda for the Chorley Liaison and dates for future meetings is enclosed.

8 Any urgent business previously agreed with the Chair
