- 11.3 The minutes of an Ordinary or Special Meeting of the Council may be signed at the next Ordinary Meeting of the Council, rather than at the next following meeting, if the next following meeting is an Extraordinary Meeting.

12. Rules of debate for Council meetings

No speeches until motion moved and seconded

12.1 A motion or amendment shall not be discussed unless it has been proposed and seconded.

Right to require motion in writing

12.2 The Mayor may require that any motion which has been moved without notice be put into writing and handed to him before it is discussed.

Secunder's Speech

12.3 A Member who seconds a motion or amendment may speak immediately or may indicate that he wishes to reserve his speech until a later period of the debate.

Mayor to determine order of speaking

12.4 A Member who wishes to speak should indicate that wish to the Mayor. The Mayor will call on one Member to speak. All other Members shall remain seated. A Member may, however, rise on a point of order or point of personal explanation at any time.

Members to stand when speaking

12.5 When speaking a Member shall stand and address the Mayor. The requirement to stand shall not apply to any Member who finds it difficult or impossible to do so as a result of a disability or infirmity.

Points of order

12.6 A point of order relates to an alleged breach of these Rules, the Constitution or a statutory provision. It is a request for the Mayor to rule on that alleged irregularity.

12.7 A Member raising a point of Order must indicate the Rule or law in question and the way he or she considers it has been broken.

12.8 If a Member rises on a point of order then any Member who is speaking at that time must sit down immediately. The Mayor will rule on the point of Order and then invite the Member who was speaking before the point of Order was raised to resume.

- (e) as long as the effect is not to negate the motion.

12.16 Usually only one amendment may be moved and discussed at a time. However the Mayor may permit two or more amendments to be discussed together (but not voted upon) if he or she considers that this would allow the Council's business to be dealt with more effectively.

12.17 If an amendment is lost, other amendments may be moved on the original motion. If an amendment has been carried, the Mayor shall read out the amended motion before accepting any further amendments. No further amendment may be moved that would have the effect of reviving the original motion.

Alteration of motion

- 12.18 (a) The mover of a motion may with the consent of the meeting alter the motion if it has not yet been seconded. The meeting's consent will be signified without discussion.
- (b) The mover of a motion may alter a motion which he/she has moved and which has been seconded with the consent of both the meeting and the seconder. The meeting's consent will be signified without discussion.
- (c) Only alterations which could be made as an amendment may be made.

Withdrawal of motion or amendment

12.19 A motion or amendment may be withdrawn by the mover with the consent of the seconder and of the Council. That consent shall be signified without discussion. No Member may speak upon it after the mover has asked permission for its withdrawal, unless permission is refused.

Right of reply

- 12.20 (a) The mover of a motion has a right to reply at the close of the debate on the motion, immediately before it is put to the vote.
- (b) If an amendment is moved, the mover of the original motion shall also have a right of reply at the close of the debate on the amendment, but shall not otherwise speak on it.
- (c) The mover of the amendment shall have no right of reply to the debate on the amendment.

Motions which may be moved during debate

12.21 When a motion is under debate no other motion shall be moved except the following:

- ii) on a motion that the question be now put:

If the Mayor thinks that the matter has been sufficiently discussed, the Mayor shall first put this motion to vote. If it is passed, the Mayor shall then give the mover of the original motion the right of reply under Rule 11.11 before putting that motion to the vote.

- iii) on a motion to adjourn the debate or the meeting:

If in his or her opinion the matter before the meeting has not been sufficiently discussed and cannot reasonably be sufficiently discussed on this occasion, the Mayor shall put this motion to the vote without giving the mover of the original motion a right of reply.

Member to leave the meeting

14.2 If the Member then continues his or her misconduct, the Mayor shall either:

- (a) move "that the Member do leave the meeting". That motion shall then be voted upon without seconding or discussion; or
- (b) adjourn the meeting of the Council for such period as the Mayor may consider expedient.

Effect of mayor standing

14.3 If the Mayor stands up during a debate any Member standing at the time must sit down. The meeting shall be silent.

15. Disturbance by members of the public

15.1 If a Member of the public interrupts proceedings, the Mayor shall warn the person. If they continue the interruption, the Mayor shall order their removal from the meeting.

 - iii) the dismissing body or officer is satisfied that any objection received from the Executive Leader within that period is not material or is not well-founded.

If at the time when a dismissal of an officer to which this Rule applies takes place there is no Chief Executive, the Chief Executive is absent or unable to act or the dismissal is of the Chief Executive, the functions of the Chief Executive under this Rule shall be discharged by

any other officer who is for the time being appointed to act as the Head of Paid Service of the Council.

Contract Procedure Rules

1. Introduction

- 1.1 These Rules form part of the Council's Constitution and are the Council's Contract Procedure Rules for purchasing goods, works and services for the Council. They do not apply to internal purchases or internal service provision, only where you need to buy something from outside the council.
- 1.2 The Rules apply to any contract that results in a payment being made by the Council as well as to some types of contracts where a service is being provided for the Council which results in some income being generated for the Council.
- 1.3 The Rules also apply to the disposal of surplus goods (see paragraph 37) and to Concession Contracts (paragraph 38).
- 1.4 The Rules also apply when an external body, authority, company, consultant or other person has been engaged to carry out procurement or disposal on behalf of the Council.
- 1.5 Quotations for grant funded contracts for goods, services or works, where they are procured by the Council, should be invited in accordance with these rules, except to the extent that any specific requirements for the receipt of the grant specify different requirements, in which case the specific procedures should be followed, and the procurement completed in accordance with the relevant grant procedural requirements.
- 1.6 The Rules have four main purposes:
- to comply with the obligations that govern the spending of public money derived from the European Union (EU) procurement regime and applied in the UK through the Public Contracts Regulations (2015);
 - to obtain Best Value in the way we spend money, so that we may in turn offer better and more cost effective services to the public;
 - to avoid corruption and ensure high ethical standards;
 - to protect people who follow the Rules.
- 1.7 The Rules must be read in conjunction with the Council's Financial Procedure Rules, Key Partnerships Framework, Procurement Guidance and any other internal controls laid down by the Council for example the Council's Anti-Fraud and Corruption Policy and whistle blowing policy.

2 Compliance

- 2.1 Every contract entered into by the Council shall be entered into pursuant to or in connection with the Council's functions and must comply with:
- (a) all relevant statutory provisions;
 - (b) the relevant European procurement rules (i.e. the EU Treaty, the general principles of EU law and the EU public procurement directives implemented by the UK Regulations);
 - (c) the Council's Constitution including these Contract Procedure Rules, the Authority's Financial Regulations and Financial Procedure Rules and the Council's Scheme of Delegation
 - (d) the Council's vision, priorities, enabling strategies and policies (e.g. Corporate Strategy, Procurement Strategy and Sustainable Procurement Policy)

At all times during the contract award procedure, the Council, through its Members and officers, shall consider and implement the principles of non-discrimination, equal treatment and transparency.

- 2.3 The highest standards of probity are required of all officers and Members involved in the procurement, award and management of Council contracts. Members shall comply with the Code of Conduct for Councillors, and officers shall comply with the Code of Conduct for Officers.
- 2.4 Effective audit trails must be maintained at all stages throughout the procurement procedure, particularly when approval or agreement is required and at evaluation/decision making stages.

3. Conflicts of Interest, Gifts & Hospitality

- 3.1 Every officer entitled to buy supplies, services or works shall comply with the requirements of the Officer Code of Conduct in respect of conflicts of interest, gifts and hospitality. <http://theloop/LoopDocuments/Code%20of%20Conduct%20Nov%202014.doc>

4. Procurement Plan

- 4.1 Prior to the start of each financial year, each Head of Service must prepare a procurement plan setting out their department's contracts to be procured (over £25,000) during that financial year, and where possible for forthcoming years. A copy of the plan must be supplied to the Principal Procurement Officer who shall use this information to formulate an Annual Procurement Plan for the Council.
- 4.2 Additionally any procurement planned which is over £100,000 in value should be communicated to Democratic Services for inclusion in the Notice of key Decisions.

5. Who has authority to carry out procurement on behalf of the Council?

- 5.1 Any procurement carried out on behalf of the Council may only be undertaken by officers with the appropriate delegated authority to carry out such tasks as set out in the Council's Constitution. Officers with delegated authority may only delegate to other officers who have the appropriate skills and knowledge appropriate to the task. Officers shall be informed by his/her Director/Service Head, in writing, of the extent of any delegated authority and any applicable financial thresholds for each procurement. These officers shall be known as Authorised Officers.

5.2 Revenue Expenditure

Subject to the provisions of paragraph 5.4, Directors and their Authorised Officers may seek Tenders and Quotations in accordance with these Contracts Procedure Rules for any item of revenue expenditure for which budget provision has been made, and may accept such Tenders / Quotations in accordance with these Contracts Procedure Rules, up to a total contract value of £100,000.

5.3 Capital Expenditure.

Subject to the provisions of paragraph 5.4, Directors and their Authorised Officers may seek Tenders and Quotations in accordance with these Contracts Procedure Rules, the particulars of which are shown as approved in the Council's capital programme for the current financial year and which have also been approved/comply with any additional

requirements of the Council's Financial Regulations. Directors and their Authorised Officers may accept Tenders / Quotations in accordance with these Contracts Procedure Rules and the Council's Financial Regulations up to a total contract value of £100,000.

- 5.4 For all High Value Procurements above £100,000, prior approval of the proposed contract award procedure including the evaluation criteria and weightings to be applied, shall be sought from Executive Cabinet. However, in cases of urgency such prior approval may be obtained by Executive Member decision which shall clearly state the grounds and justification for such urgency. Where the prior approval decision has been taken by Executive Member on grounds of urgency, the decision to award the contract shall be made by the Executive Cabinet, or for grounds of urgency by Executive Member, with full details reported back to Cabinet at a later date.
- 5.5 Any contract awards above £100,000 or those which involve any potential transfer of the Council's employees to a Supplier shall be referred to the Executive Cabinet or relevant Executive Cabinet Portfolio Member for a decision, unless Cabinet have previously delegated that decision to the Director of the spending directorate.
- 5.6 Any contract awards which constitute a Key Decision (i.e. a contract of £100,000 or more) must be published in the Notice of Key Decisions prior to any decision being taken as described in the Council's Constitution.

6. Exempt Contracts

- 6.1 The Rules do not apply to the following types of Contract:
- (a) individual contracts for the provision of temporary staff (The arrangements with staffing agencies, however, should be subject to a competitive procurement process in accordance with these Contracts Procedure Rules);
 - (b) contracts of employment which make an individual a direct employee of the council
 - (c) contracts relating solely to disposal or acquisition of an interest in land (including buildings)
 - (d) contracts for advice by and representation by a lawyer with regard to legal proceedings (or contemplated legal proceedings)

If you are in any doubt about whether the Rules apply, you **must** always check with the Principal Procurement Officer.

7. Pre-Procurement Procedure

- 7.1 Before commencing a procurement, it is essential that the Authorised Officer leading the procurement has identified the business need and fully assessed any options for meeting those needs. Consideration shall be given to the Council's Procurement Strategy, Sustainable Procurement Policy and procurement guidance, as appropriate.
- 7.2 Before undertaking a procurement the Authorised Officer shall:
- (a) consider all other means of satisfying the need (including recycling and reuse where appropriate);
 - (b) prepare an estimate of expenditure in accordance with Rule 8;
 - (c) satisfy themselves that they have the necessary authority to deal with the procurement and that there is budget provision for the procurement in accordance

with the provisions of Rule 5.

- (d) undertake a risk assessment
- (e) complete an Integrated Impact Assessment where any change in service provision is proposed
- (f) establish a business case for the procurement and consider whether the procurement should follow the Council's Project Management Framework/ Toolkit. Procurements which may benefit from use of the toolkit are usually higher value and are:
 - unique, new or complex leading to significant system, process or service changes,
 - impact on numerous services
 - have a significant reputational impact on the Council

The level of resource and detail deployed in carrying out the requirements of 7.1 and 7.2 shall be appropriate to the nature and the value of the Procurement.

8. Calculating the Contract Value

- 8.1 Prior to commencing any procurement you must estimate the total monetary value of the contract (exclusive of VAT) **over its full duration, including any extension options** (not the annual value). The estimated total value of the contract will determine which procedure you must then adopt.
- 8.2 Where it is proposed to procure a Contract on terms which will provide for renewal on a “rolling” basis, the Authorised Officer must make a reasonable estimate of the term of the contract in order to estimate the Contract Value. If during the term of the Contract it appears that the estimated Contract Value may be exceeded by anticipated further renewals of the contract, the provisions for contract extension at paragraphs 34.2 to 34.5 shall apply. This rule shall not apply to rolling contracts where the annual value is below £10,000. Such contracts shall be subject to an annual review.
- 8.3 Circumstances may arise where a number of low value contracts of the same type for regular, routine, similar goods or services are given to one Contractor within a 12 month period. In this case, 12 months expenditure should be aggregated to determine which procedure should be followed. When the value of those contracts is aggregated the effect may be to move the total purchase from one value band to another. This may mean that a different procurement method has to be followed to comply with these rules, or it may be necessary to seek a waiver of these rules in such circumstances.
- 8.3.1 The requirement to aggregate under the circumstances described at 8.3 will not apply where The Authorised Officer identifies that the spend activity is:
- (a) unknown or unplanned and therefore cannot be specified at the commencement of the 12 months period or
 - (b) of a similar general category but is so varied that it would be impractical or difficult to specify, the aggregate annual value is less than £25,000, and a blanket discount arrangement, schedule of rates or other such general framework agreement would be impractical and lead to additional cost.
- 8.3.2 In any event, the Authorised Officer shall ensure that best value is achieved, make best use of the Council’s purchasing power by aggregating where appropriate, undertake periodic review of the procurement decision, and keep appropriate records including the reason for any decision not to aggregate, throughout.

- 8.4 Authorised Officers should make the best use of the Council's purchasing power by aggregating purchases wherever possible
- 8.5 Contracts must comply with the Public Procurement Regulations and must not be artificially split to avoid these Rules or the Regulations
- 8.6 If, following calculation of the estimated value, the low value route (below) £25,000 is used, and, after evaluating in accordance with the evaluation criteria, the preferred offer is valued at over £25,000, the matter shall be submitted for approval via the electronic request for waiver form located on the loop which will seek approval from the relevant Director, Head of Legal Democratic and HR Services, and Chief Executive. Provided that the aforementioned are of the opinion that a robust exercise with an appropriate level of competition has been carried out, with a genuine pre-tender estimate, they may collectively approve the contract award.
- 8.7 If, following calculation of the estimated value, the intermediate route (below £100,000) is selected, and, after evaluating in accordance with the evaluation criteria, the preferred offer is valued at over £100,000, then the matter shall be submitted for approval via the electronic request for waiver form located on the loop which will seek approval from the relevant Director, Head of Head of Legal Democratic and HR Services, and Chief Executive. Full details including how the estimated value was calculated, the amount of the estimated value, the value of all quotations received and the evaluation model applied leading to selection of the preferred offer must be included on the request. Provided that the aforementioned are of the opinion that a robust exercise has been carried out with a genuine pre-tender estimate, they may collectively recommend that the process be continued under the High Value route and that full details of the process followed be included in the subsequent report requesting approval for the award decision to be submitted to Executive Cabinet, or, for grounds of urgency by Executive Cabinet portfolio member, with full details reported back to Cabinet at a later date.
- 9. Low Value Procurement: Below £25,000**
- 9.1 Where the estimated value or amount of the proposed contract is less than £25,000, The Authorised Officer shall ensure that best value is achieved and that the arrangements made secure the best available terms for the Council. Good practice would be to obtain written or electronic quotations (including at least one local supplier); however, evidenced verbal quotations are acceptable. The Authorised Officer should ensure that the number and type of quotations received are appropriate and proportionate to the contract risk and value. Where the estimated value or amount of the proposed contract is more than £10,000 the expectation is that at least 3 Request for Quotations shall be invited via email or through the Council's e-procurement portal "The Chest" – if this does not happen then the reasons for not so doing should be recorded.
- 9.2 The purchase order must be made on an official purchase order and shall specify the services, supplies or works to be provided and set out the price and terms of payments.
- 9.3 Two Authorised Officers must be involved in the ordering and receiving process.
- 9.4 Every purchase order (whether issued as a result of higher, intermediate or lower value procurements) must contain the current approved standard form of terms and conditions of contract between the Council and the supplier. A quotation and a purchase order will create a legally binding contract.

10. Intermediate Value Procurement: £25,000 to £100,000 (Quotations)

- 10.1 For procurements valued over £25,000 but at or below £100,000 at least 3 Request for Quotations shall be invited through the Council's e-procurement portal "The Chest", before a formal purchase order is issued specifying the supplies, services or works to be provided.
- 10.2 Where a procurement is above £25,000 in value, and is openly advertised, the 2015 Public Procurement Regulations require that the opportunity is also advertised on the Government one stop shop "Contracts Finder". Additionally, for all contract awards above £25,000, whether the opportunity was openly advertised or not, a Contract Award Notice must be published on Contracts Finder. In both instances, the notices must include the specific details listed in the Regulations, and in both instances, these notices may be accommodated through the Chest.
- 10.3 At least one local supplier should be included in the suppliers to be invited to quote where possible.
- 10.4. Invitations to quote shall:
- (a) specify or refer to a specification of the goods, materials, services or work required and
 - (b) state the date and time by which quotation must be received and
 - (c) include the instructions for submission and state that no quotation will be considered unless it is received in accordance with those instructions.
 - (d) have the evaluation criteria set out in the invitation to Quote. All quotations shall be evaluated in accordance with the evaluation criteria set out in the quotation documents. All contracts, except where lowest price was predetermined to be the appropriate contract award criterion, shall be awarded on the basis of the offer which represents the Most Economically Advantageous offer to the Council.
- 10.5 Where the risk in a specific procurement is perceived to be high, then that procurement shall be treated as a High Value Procurement.
- 10.6 Any procurement that may involve a transfer of Council staff shall be treated as a High Value Procurement.
- 11. High Value Procurements: Above £100,000 (Tenders)**
- 11.1 All Procurements with a cumulative value of over £100,000 shall be classed as High Value Procurements.
- 11.2 Additionally any contract where Council employees may be transferred to other bodies, or where risk in the procurement is perceived to be high shall be treated as a High Value Procurement.
- 11.3 All high value procurements must be advertised on the Council's e-procurement portal "The Chest"
- 11.4 For all High Value Procurements, prior approval of the proposed contract award procedure including the evaluation criteria and weightings to be applied shall be sought in accordance with paragraph 5.4 of these rules.

- 11.5 In addition to advertising on the Chest, all High Value procurements shall be advertised on the Government one stop shop “Contracts Finder” in accordance with the 2015 Public Procurement Regulations. Additionally, for these procurements, a Contract Award Notice must also be published on Contracts Finder. In both instances, the notices must include the specific details listed in the Regulations, and in both instances, these notices can be accommodated through the Chest.
- 11.6 Nothing in these Rules prevents you from adopting any aspect of the High Value Procurement procedures in the procurement of intermediate or lower value supplies, works or services

12. Contracts Subject to the Regulations: Above the EU Threshold

- 12.1 Where the estimated value of a contract exceeds the current EU threshold then the contract shall be tendered in accordance with the Regulations. Under the Regulations, the contract may be tendered under the Open, Restricted, or, in exceptional circumstances exhaustively set out in the Regulations, the Competitive Procedure with Negotiation, Competitive Dialogue or Innovation Partnership Procedure. For each contract tendered in accordance with the Regulations, a contract notice shall be published in the prescribed form in the Supplement to the Official Journal to the European Union (OJEU) to invite tenders or expressions of interest.

Advertisements published in addition to the OJEU notice must not appear in any form before a contract notice is published by the EU Publications Office and must not contain any information additional to that contained in the contract notice.

- 12.2 With effect from 1 January 2020 the main current EU thresholds are as follows:

- a) Services Contracts £189,330;

- 12.3 The EU Directives and UK Regulations are long and complex, and set out minimum timescales for receipt of expressions of interest and tenders. Officers **must** consult the Shared Procurement Team and Legal Services department prior to commencing any procurement which is subject to the Regulations.

13. Suitability Assessment & Pre-qualification *(Not to be used when procuring from a framework agreement as suppliers on framework agreements are already pre-qualified)*

- 13.1 The Council shall only enter into a contract with a Supplier if it is satisfied as to the Suppliers –
- (a) eligibility;
 - (b) economic and financial standing.
 - (c) technical and /or professional ability.

The level and detail of assessment shall be proportionate to the risk and value of the contract. Shared Financial Services shall be consulted for all procurements above £100,000 for the completion of an appropriate financial assessment, prior to contract award.

- 13.2 A pre-qualification stage is not permitted in any procurement below the EU threshold for Goods and Services. (currently £189,330 for calendar years 2020/21). -This threshold is updated every two years.) However, suitability assessment questions relating to a potential provider may be asked provided that the questions are relevant and proportionate to the subject matter of the procurement.
- 13.3 A pre-qualification stage may be used in above EU threshold contracts. However, in all instances, statutory guidance published by Crown Commercial Service must be followed. This includes use of a core set of standardised questions. For further information and advice, Authorised Officers should contact the Shared Procurement Team.
- 13.4 Where appropriate, bidders may self-certify during the tender/ quotation process, with relevant and proportionate checks only being carried out on the shortlisted bidder.
- 13.5 Any procurement subject to the Regulations shall be in full compliance with those Regulations and the statutory Crown Commercial Guidance. The Regulations stipulate what must and /or may be taken account of, in assessing eligibility, economic and financial standing and technical and /or professional ability.

15. Submission, Receiving and Opening of E- Tenders/Quotations through the Chest

- 15.1 Every response to an invitation to tender/quote for a transaction valued over £25,000 must be submitted through the Chest by no later than the time and date specified for submission of tenders/quotations in the invitation to tender/quotation document.
- 15.2 The Principal Procurement Officer or Authorised deputy shall verify (remove the e-seal) and release all tenders and quotes to the Authorised Officer once the deadline for their receipt has passed. This verification role may be given to a suitably trained Authorised Officer for intermediate value quotes.
- 15.3 The Chest will automatically record the date and time of receipt of each submission and will list late submissions separately. No quotations or tenders which have been received on to the Chest after the deadline for receipt has passed may be considered. However, where a system fault /technical issue has occurred which is beyond the Tenderers control and which has prevented on-time submission, this may be investigated to verify the circumstances, and the matter referred to the Head of Legal Democratic and HR Services for a decision.

- 15.4 The Principal Procurement Officer or other Authorised Officer shall complete a Record of Tenders/Quotations Received form summarising the quotations received
- 15.5 The Authorised Officer must notify the Principal Procurement Officer of the eventual outcome of the procurement exercise for entry into the Contracts Register by completing and submitting the final sections of the Record of Tenders/Quotations Received Form
- 15.6 The closing date for the receipt of tenders/quotations may be extended in writing, in appropriate circumstances, at the discretion of the Head of Legal Democratic and HR Services.
- 15.7 Tenders and Quotations shall not be opened until the deadline has passed for their receipt.

16. Traditional Hard Copy Tenders and Quotes (Exceptional Circumstances Only)

- 16.1 The Council's method of tendering is by electronic means through the Chest. However, in very exceptional circumstances (e.g. contracts where there are items required, which cannot be submitted electronically), tenders and quotes may be submitted in hard copy format with the prior approval of the Head of Legal Democratic and HR Services, and the Principal Procurement Officer
- 16.2 Tenders and Quotations received in accordance with Paragraph 16.1 shall be addressed to the Principal Procurement Officer, Shared Financial Services, Town Hall Market Street, Chorley, PR7 1DP in a sealed envelope endorsed with the word "Tender" or "Quotation" as appropriate, followed by the subject matter to which it relates. No marks shall be included upon the envelope that identifies the bidder prior to the opening of the envelope. The Principal Procurement Officer shall record the date and time of receipt of such Tenders and Quotations and shall keep them in a secure place where they shall remain unopened until the time and date specified for their opening.
- 16.3 Tenders and Quotations received in accordance with this paragraph 16 shall be opened by the Principal Procurement Officer or authorised Deputy and at least one other Authorised Officer. An immediate record shall be made of the Tenders/Quotations received including tenderer name, value, and the date and time of opening on the Record of Tenders/Quotes Received Form

17. Evaluation

- 17.1 Tenders subject to the Public Contracts Regulations shall be evaluated in accordance with the relevant regulations and the evaluation criteria set out in the OJEU notice and invitation to tender. All other tenders and quotations shall be evaluated in accordance with the evaluation criteria notified to tenderers in the contract notice and/or invitation to tender or quote.
- 17.2 All contracts, except where lowest price was predetermined to be the appropriate contract award criterion, shall be awarded on the basis of the offer which represents the Most Economically Advantageous Tender to the Council (MEAT).
- 17.3 MEAT evaluation involves scoring tenders objectively by a panel of officers and/or independent experts using criteria which should:
- be pre-determined and listed in the invitation to tender/ quotation documentation in descending order of importance;
 - be weighted according to their respective importance. This is mandatory for High Value Tenders and recommended for intermediate value procurements. Authorised Officer's must consult the Principal Procurement Officer where it is intended not to

follow this recommendation for intermediate value procurements above £50,000 and provide a valid justification for this.

- be strictly observed at all times throughout the tender process;
- reflect the principles of Best Value;
- include price;
- adopt whole-life costing where appropriate, particularly in the case of capital equipment where the full cost of maintenance, decommissioning and disposal should be taken into account as appropriate. Additionally, the use of energy efficient products or the use of sustainable materials with a longer life span may impact on the whole life cost.
- be capable of objective assessment;
- include, where applicable, the quality of the tenderers' proposals to accept a transfer of staff under the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE); and
- avoid discrimination or perceived discrimination on the basis of nationality, or other cause contrary to any of the Council's policies.

Where this evaluation methodology is used, any resulting contract must be awarded to the tenderer which submits the most economically advantageous tender, i.e. the tender that achieves the highest score in the objective assessment.

- 17.4 The evaluation criteria must be strictly observed at all times through the contract award procedure by any officer involved in the quotation/ tender evaluation process. The Authorised Officer must keep comprehensive records of the evaluation exercise including the scores and comments and justification for those scores and shall sign the final selection record.
- 17.5 For each contract above £100,000, the Authorised Officer shall form an Evaluation Team with responsibility for evaluating tenders. The Authorised Officer shall keep comprehensive written records of the evaluation exercise including the scores and comments and justification for those scores, and the lead officers of the evaluation team shall sign the final selection record.

18. Tender/Quotation Clarification

- 18.1 Bidders may request clarification on aspects of the Tender/Quotation documentation prior to submission by submitting a clarification question through the Chest. The Authorised Officer must ensure equal treatment of all bidders, and where relevant should anonymise the question and publish that together with the response to all potential bidders through the Chest. Care should be taken not to reveal the identity of the Tenderer or any information which may be deemed to be commercially confidential to them during the clarification process.
- 18.2 During the evaluation process, Authorised Officers may clarify aspects of a submitted Tender or a Quotation which are unclear, lacking in detail, ambiguous or appear to show a misunderstanding of the requirements. The areas requiring clarification should be set out in writing by the procurer and a written response requested from the bidder. All such communications should be issued or recorded through the Chest to ensure a full e-audit trail of the procurement.
- 18.3 For more complex, service procurements where officers want to obtain a fuller understanding of bidders proposals and method statements it may be appropriate to hold a clarification meeting. In such circumstances a formal written record of the meeting shall be completed and agreed by all parties. Minor points of clarification and obvious errors (e.g. mathematical error) should be dealt with in accordance with Clause 18.2 above and should not require a meeting.

When conducting clarification, as throughout the procurement process, the Procuring Officer must bear in mind the rules and principles of the EU Regulations i.e. transparency, equal treatment and non-discrimination.

19. Errors in Tenders/Quotations

- 19.1 Errors in Tenders/Quotations must be dealt with by asking the Tenderer to confirm the Tender as submitted or withdraw their bid. However, where a Tenderer has made a visible and genuine arithmetical error, they may be given an opportunity to correct that error. Other than where specifically provided for in the Regulations (e.g. when using the Competitive Dialogue procedure) no other adjustment, revision or qualification is permitted.
- 19.2 Tenders/Quotations must state how errors in Tenders/Quotations must be dealt with.
- 19.3 Careful consideration must be given to the effect of any procedure adopted when dealing with errors in Tenders and the reflection which any such procedure may have on the integrity of the Officers and Members of the Council. It is essential that whatever procedure is adopted is transparent and fair and equitable to all Tenderers.

20. Post Tender Negotiation

- 20.1 Where a procurement is conducted pursuant to the Regulations through either the Open or Restricted procedures no post tender negotiations are permitted. However, the Council may seek clarification from Suppliers where appropriate.
- 20.2 At all times during the procurement (whether subject to the Regulations or not), the Council shall consider and implement the principles of non-discrimination, equal treatment and transparency.

21. Bonds, Guarantees and Insurance

- 21.1 For high value procurements, the Authorised officer shall consider and include in the procurement documentation whether a performance bond and/or a parent company guarantee (if applicable) shall be required from the preferred Supplier.
- 21.2 The Authorised Officer shall consider the appropriate type (employee liability, public liability, professional indemnity, etc.) and level of insurance requirements for each contract.

22. Awarding Contracts

- 22.1 The Council shall only award a contract where at the time of contract award this represents the Most Economically Advantageous offer or is the lowest price depending on contract award criterion included in the OJEU notice or Invitation to Tender/Quote.
- 22.2 A contract must only be awarded and signed by a person authorised to do so, who must ensure that the appropriate budget holder has the funds in place to sustain the contract prior to award.
- 22.3 Directors/ Heads of Service should ensure that proper records of all procurement activity are retained in electronic or hard copy format as appropriate.
- 22.4 For all transactions valued at £100,000 above the decision to award a contract shall be made by the Executive Cabinet or by the relevant Executive Cabinet Portfolio Member in accordance with paragraph 5.4, unless Cabinet have previously delegated that decision to the Director of the spending directorate.

22.5 Any procurement over £100,000 in value constitutes a Key Decision and must therefore be included in the relevant Notice of Key Decision as described in the Council's Constitution, before the contract award decision is taken.

22.6 The highest standards of probity are required of all officers and members involved in the procurement, award and management of Council contracts. It is essential to maintain effective audit trails at all stages throughout the procurement procedure particularly where approval or agreement is required.

23. Standstill Period

23.1 TC "Standstill Period (for high value only)" \ 1 □ For all contracts tendered under the Regulations, a ten calendar day (where electronic communication is used or 15 calendar days where non-electronic communication is used) 'standstill period' must be observed between the decision to award and contract conclusion. Although the Standstill period is counted in calendar days, it must end on a working day. Authorised Officers should consult the Shared Procurement team for advice of the specific detail which must be included in Standstill Letters under the Regulations. The Standstill Period is an express requirement in the Regulations and must be followed.

24. Contract Award Notice

24.1 All contracts awarded under the Regulations must be announced by means of a Contract Award Notice in OJEU transmitted no later than 30 calendar days after the date of the award.

24.2 All contracts awarded above £25,000 in value whether openly advertised or not must be published on Contracts Finder in accordance with the Regulations and published Crown Commercial Service (CCS) guidance.

25. Letters of Intent

25.1 Letters of intent shall only be used in exceptional circumstances and, by prior written agreement with the Head of Legal Democratic and HR Services, as follows:

- (a) Where a Supplier is required to provide services, supplies or works prior to formal written acceptance by the Council; or
- (b) Where the Council's form of tender does not include a statement that until such time as a formal contract is executed, the Council's written acceptance of a tender shall bind the parties into a contractual relationship

26. Contract Terms and Conditions

26.1 Contracts shall be entered into on the Council's terms and conditions, or an appropriate industry standard form of contract or other form of contract approved by Legal Services. This may be a supplier's contract suitably amended to protect the Council's interests. However where the contract has been tendered the contract shall be in accordance with the tendered Conditions. The Contract Conditions shall be included with each purchase order and invitation to tender or quote.

26.2 In all cases, before a contract is entered in to, Authorised Officers must ensure that they have authority to enter into the proposed contract for the full contract value including any extension option and fully understand the contractual obligations. In particular, where Conditions other than the Council's terms and conditions are to be used, Authorised Officers must ensure they fully understand the contractual obligations including any notice periods which must be observed to prevent any non-authorised automatic roll-on.

- 26.3 Where contracts are subject to the Regulations, the rules relating to technical specifications shall be followed and any reference to a technical standard, make or type shall be prefaced with the words “or equivalent”.

27. Execution of Contracts

- 27.1 Any contracts valued at above £100,000 shall be passed to Legal Services for sealing execution and secure storage, unless otherwise agreed with the Head of Legal Democratic and HR Services. All other contracts may be signed by an officer with appropriate delegated authority.
- 27.2 Electronic signatures may be used in accordance with the Electronic Signature Regulations 2002 provided the sufficiency of security arrangements has been approved by the Head of Legal Democratic and HR Services.

28. Records of Tenders and Contracts/ Contracts Register

- 28.1 Each Director/Head of Service shall maintain his/her own register of all contracts entered into by his/her department.
- 28.2 The Principal Procurement Officer shall maintain a register of all Higher Value and Intermediate value contracts entered into by the Council.
- 28.3 Authorised Officers shall notify the Principal Procurement Officer of all intermediate and high value contract awards using the appropriate forms, for entry into the Contracts/Transparency Register by completing and submitting the final sections of the Record of Tenders and Quotations Received Form.
- 28.4 Additionally the Authorised Officer must notify the Principal Procurement Officer of all contracts awarded, above £5000, as soon as possible after the Contract Award, for inclusion in the Contract/Transparency Register.
- 28.5 Quarterly publication of the Council’s Contracts/ Transparency Register is a mandatory requirement of the Local Government Transparency Code. Each Director/ Head of Service and /or Authorised Officer shall ensure the accuracy of the Council’s Contracts/ Transparency Register by responding to the quarterly return issued by the procurement team.

29. Approved / Standing List of Contractors

- 29.1 The Council may maintain Approved Standing lists of Suppliers that meet its suitability requirements. Quotations and tenders for contracts that are not subject to the Regulations may be invited from Suppliers included on an approved list. Where the Authority intends to use an approved list for services, supplies or works contracts, the Approved List should be reviewed and advertised on a regular basis
- 29.2 Each Approved Standing List shall:
- (a) be compiled and maintained by the relevant Authorised Officer;
 - (b) contain the names of all persons who wish to be included in it and who after appropriate enquiries have been made by the Authorised Officer concerned, are approved by the Council or Cabinet as provided for in the scheme of delegation; and
 - (c) indicate whether a person whose name is included in it is approved for contracts for all, or only some, of the specified values or amounts or categories

- 29.2 At least four weeks before each Standing List is first compiled, a notice inviting applications for inclusion in it shall be published on the Chest and where relevant, Contracts Finder
- 29.4 Each Standing List shall be amended as required from time to time to include new applications for inclusion and to delete any person no longer thought fit to be included. Each Standing List shall be formally reviewed in the manner set out below by the appropriate Director/ Head of Service at intervals not exceeding three years. At least four weeks before each review, each person whose name appears in the Standing List shall be asked whether s/he wishes his/her name to remain there. Notices inviting applications for inclusion in the list shall be published in the manner provided by Contract Procedure Rule 29.3 above.
- 29.5 Where an invitation to tender for a contract is limited to those named on the Standing List maintained under this Contract Procedure Rule, an invitation to tender for that contract shall be sent to at least four of the persons on the list. These people will be approved for a contract for that value or amount or of that category, or, if there are fewer than four such persons, to all such persons. If there are more than four people, the Authorised Officer, will select the people who will receive invitations, and the manner in which they are sent. This will be either generally or in relation to a particular contract or to a category of contracts provided that the manner of selection shall include a system of rotation from persons appearing on the Standing List.

30. Nominated and Named Sub-contractors

If a sub-contractor, supplier or sub-consultant is to be nominated or named to a main contractor, quotations or tenders must be invited in accordance with these Contracts Procedure Rules and the terms of the invitation shall be compatible with the main contract.

31. Framework Agreements

- 31.1 Framework agreements are agreements with suppliers for the provision of supplies, works or services on agreed terms for a specific period. Unlike normal contracts which require certainty (on price, quantity and other details), Framework Agreements usually state only non-binding estimated quantities against which orders are placed as and when required during the contract period (sometimes this procedure is known as “call-off”). As soon as the quantity/price etc are fixed and an order placed, a contract is formed. Frameworks offer benefits of bulk-buying, improved service and reduced administration costs over the period of the arrangement.
- 31.2 A framework agreement may have the option or requirement for you to hold a “further - competition” with all of the suppliers included on the framework who are capable of meeting your requirement. Quotations invited under a further competition shall be received and opened in accordance with these Contract Procedure Rules, unless received and opened by the public sector framework provider (e.g. Yorkshire Purchasing Organisation) on the Council’s behalf, who may receive and open such bids in accordance with their contract procedural rules.
- 31.3 All Framework agreements procured by the Council must be tendered in accordance with these Contract Procedure Rules.
- 31.4 Where the Council has entered into a Framework Agreement through procurement or is able to place orders from existing Framework Agreements procured by central government agencies, public sector consortia, other local authorities or other third parties, then the Council may benefit from using those contracts without entering into a full, separate procurement.

- 31.5 Where a public sector framework is used in accordance with the above provisions, without entering into a full, separate procurement process, all other relevant aspects of these procurement rules will still apply, including any approval which may be required for the procurement award procedure (in this case to use the identified framework), approval for the evaluation criteria and weightings (in the event of a further competition under the framework), and approval for the contact award prior to contract acceptance.
- 31.6 Authorised Officers shall investigate whether call-off contracts or frameworks are relevant to their procurement activity as better value for the Council may be obtained by using an existing Council or other framework.
- 31.7 Legal/Procurement Advice should be sought in advance before awarding a contract to a supplier using a framework agreement not procured directly by the Council.
- 31.8 Any appropriate Council Framework Agreements in place shall be used regardless of value, provided the standing order requirements in relation to delegated authority are met. An effective audit trail shall be maintained.

32. Joint / Collaborative Procurement

- 32.1 Authority to engage in joint/ collaborative procurement activity shall be in accordance with the requirements of paragraph 5. However, in the event that the joint/ collaborative procurement activity requires a commitment at the outset, prior to bids being invited, Cabinet approval must be obtained prior to committing to the joint/ collaborative procurement where the estimated value of the Council's proportion of the procurement exceeds £100,000.
- 32.2 The Authorised Officer shall ensure that the joint/collaborative procurement activity complies fully with the EU Procurement Regulations
- 32.3 In any joint or collaborative procurement process the parties involved in the procurement should appoint a "lead body" to carry out the procurement. The procurement should then be conducted in accordance with the lead body's Rules. If this approach requires any waivers of the lead body's Rules, it shall be that body's responsibility to seek approval for, and obtain, such waiver(s).

33. Procurement by Consultants

Any consultants used by the Council shall be appointed in accordance with these Contracts Procedure Rules. Where the Council uses consultants to act on its behalf in relation to any procurement, then the Authorised Officer shall ensure that the consultants carry out any procurement in accordance with these Contracts Procedure Rules. No consultant shall make any decision on whether to award a contract or who a contract should be awarded to. The Authorised Officer shall ensure that the consultant's performance is monitored.

34. Contract Extension/ Variation

- 34.1 Any contract which has been procured in accordance with these rules may be extended in accordance with its terms (subject to financial resources) by the Director/ Head of Service or delegated officer provided an extension was included for within the contract terms and conditions.
- 34.2 Other existing Contracts which have been procured in accordance with these Rules may be extended by the Director/Head of Service or Authorised Officer, provided that the total period of this and any previous extension will not together exceed 1 year. A formal Waiver of the Rules must be obtained if the proposed extension will add more than £25,000, or more than 20% (whichever is the higher) to the original total Contract value. The

Authorised Officer must keep documented reasoning for the extension.

- 34.3 Any extension exceeding £100,000 in value shall require the approval of the Executive Cabinet or relevant Executive Cabinet Portfolio Member.
- 34.4 If the original contract was subject to the Public Contracts Regulations, the contract can only be extended within the parameters identified in the original EU contract notice and/ or as provided for within the Regulations. If the contract was not subject to the Regulations, any extension must not take the total value of the contract above the relevant EU thresholds.
- 34.5 If the contract was awarded as a framework agreement, the total framework period, including any extensions, cannot exceed four years, except in exceptional circumstances relating to the subject of the framework agreement. For example, a longer duration could be justified in order to ensure effective competition if four years would not be sufficient to provide return on investment.
- 34.6 When negotiating a contract extension the authorised officer must make every effort to negotiate improved contract terms with regard to the cost and quality and shall always be satisfied that the extension will achieve Best Value for Money and is reasonable in all the relevant circumstances.
- 34.7 All extensions to any Council contracts must be in writing and reported to the Principal Procurement Officer in order that the Contracts Register can be updated accordingly.
- 34.8 Once a Contract has expired it cannot then be extended

35 Variations

- 35.1 Variations to Contract shall be dealt with in accordance with these Contracts Procedure Rules and the Council's Financial Regulations.
- 35.2 All Contract variations must be carried out within the scope of the original Contract. Contract variations that materially effect or change the scope of the original Contract are not allowed.
- 35.3 All Contract variations must be in writing and signed by both the Council and the Contractor except where different provisions are made within the Contract documentation. The value of each variation must be assessed by the Authorised Officer and all necessary approvals sought prior to the variation taking place including registrations on the Council's Notice of key Decisions if applicable.
- 35.4 Contracts procured under the EU Regulations **must not** be extended or varied without first consulting Legal Services and the Principal Procurement Officer.
- 35.5 The Authorised Officer shall always be satisfied that the variation will achieve Best Value for Money and is reasonable in all the relevant circumstances.

36. Termination of Contract

- 36.1 For any contract exceeding £100,000 in value, termination shall be approved by the Executive Cabinet or Executive Cabinet Portfolio Member. In emergency situations, the relevant Director may authorise termination of Higher Value Contracts. In this case, full details including the reason for the contract termination shall be reported back to Council at a later date.
- 36.2 Contracts of a lesser value than £100,000 may be terminated early by agreement prior to the expiry date or in accordance with the termination provisions set out in the contract.

Legal advice should be sought as appropriate.

37. Disposing of surplus goods

- 37.1 Heads of Service are responsible for the disposal of their own surplus goods and shall make adequate and safe arrangements to do so.

1. Council and Executive Cabinet Meetings

- 1.1 A maximum period of three minutes will be allowed for a question from a member of the public on an item on the agenda. A maximum period of 30 minutes to be allocated for public questions if necessary at each ordinary Council meeting
- 1.2 Questions should be submitted to the Democratic Services Section by midday, two working days prior to each Council meeting to allow time to prepare appropriate responses and investigate the issue if necessary.
- 1.3 The question to be answered by the Executive Member with responsibility for the service area or whoever is most appropriate.
- 1.4 On receiving a reply the member of the public will be allowed to ask one short supplementary question.
- 1.5 Members of the public will be able to stay for the rest of the meeting should they so wish but will not be able to speak on any other agenda item. Parish/Town Councils should seek to utilise the services of a Borough Ward Councillor to address the committee and must represent the authorised views of the Parish/Town Council they represent.

2. Development Control Committee

The right to speak

- 2.1 As part of its commitment to openness and improving the level of public participation in local government, Chorley Borough Council offers those affected by development proposals the opportunity to put their case personally and directly to the Development Control Committee when it is considering making decisions on planning and other similar applications.
- 2.2 The opportunity to speak is available to objectors to development proposals which are to be considered by the Development Control Committee. The opportunity to speak is also available to the applicant for development proposals and to their supporters. There is no obligation to speak and written representations will always be reported to Committee and given due consideration.
- 2.3 A Parish or Town Councillor from the parish affected may also speak. The request to speak must be accompanied by an appropriate form of authority from the clerk or chairperson of the Parish/Town Council (an email or letter of authority).
- 2.4 The right to speak does not replace other arrangements for commenting on planning applications. Objectors and supporters should still write to the Council in the usual way. The right to speak only applies to applications which are being determined by Committee. There is no right to speak when Officers make planning decisions under delegated powers.

Procedures prior to the meeting

- 2.5 About one week before the Development Control Committee is to meet, all those with the right to make a request to speak will be informed of their opportunity to do so by the Council.
- 2.6 **Any member of the public including the applicant and agents who wants to speak at the meeting will need to inform the Council's Democratic Services Section.**

This deadline will usually be 12 noon on a Monday prior to the Committee meeting to be held on the following Tuesday evening at 6.30pm at the Town Hall, Chorley. In the case of Parish/Town Councillors wishing to speak, the deadline is the Friday before the Committee meets. The request should include the appropriate authority from the parish.

- 2.7 Only one objector or supporter will be allowed to speak on each application. If other people wish to speak on the same application, the objectors/supporters should try to agree before the meeting who will put the case. The Council's Officers will try to help facilitate those agreements. If agreement cannot be reached the first person to register an intention to speak will normally be invited to do so. In the case of any uncertainty, the Chair of the Development Control Committee will adjudicate.
- 2.8 In the event that all speakers are against an application, the Chair will grant the applicant a time extension.

Planning Officers and Democratic Services Officers will be on hand half an hour before the meeting to help the arrangements to run smoothly.

2.9 Order of speaking at the meeting

1. The Chair of the Committee or the relevant Planning Officer will describe the proposed development and recommend a decision to the Committee. A presentation on the proposal may also be made.
 2. An objector/supporter will be asked to speak, normally for a maximum of three minutes. There will be no second chance to address Committee.
 3. A Parish/Town Councillor will be asked to speak, normally for a maximum of three minutes.
 4. A local Councillor who is not a member of the Committee but represents a ward directly affected by the proposal may speak on the proposed development, normally for a maximum of five minutes.

 6. The Development Control Committee, sometimes with further advice from Officers, will then discuss and come to a decision on the application.
- 2.10 There will be no questioning of speakers by Councillors or Officers, and no questioning of Councillors or Offices by speakers.
- 2.11 These arrangements are necessary to ensure that each application is deal with properly and fairly and that the Committee meeting runs smoothly and in a businesslike way.

2.12 Ward Councillor participation

Ward Councillors have a critical role in representing the Communities they serve. For that reason ward Councillors who are not members of the Development Control Committee may speak in respect of planning applications where the development is in their ward or would have a substantial impact on their ward.

2.13 Ward Councillors who wish to exercise this right must:

- Advise the Chair in advance of the meeting that they wish to speak.
- Should declare any personal interest they have in the matter.
- Must not exercise this right if their interest is both personal and prejudicial. If the Councillor is present at a meeting of Development Control Committee when an item is under discussion in which they have a personal and prejudicial interest then the Councillor must declare that interest and leave the room while the matter is under discussion. A Councillor in this position may participate as a member of the public either as the applicant or as the one objector allowed to speak but must still formally declare their interest and must withdraw from the meeting having made their representations.
- Restrict their speech to five minutes in length.

2.14 Chairs Discretion

The Chair has the discretion to vary the procedures in this protocol (see 2.8) but may only do so in very exceptional circumstances where he considers that the interests of fairness or proper local government require it. Any change to the procedures should be the minimum change that the Chair considers is required in the circumstances.

- 3.1 A maximum period of three minutes will be allowed for a question from a member of the public on an item on the agenda.
