Date : 16 March 2022

The contents of this report relate only to the matters which have come to our attention, which we believe need to be reported to you as part of our audit planning process. It is not a comprehensive record of all the relevant matters, which may be subject to change, and in particular we cannot be held responsible to you for reporting all of the risks which may affect the Council or all weaknesses in your internal controls. This report has been prepared solely for your benefit and should not be quoted in whole or in part without our prior written consent. We do not accept any responsibility for any loss occasioned to any third party acting, or refraining from acting on the basis of the content of this report, as this report was not prepared for, nor intended for, any other purpose.

Grant Thornton UK LLP is a limited liability partnership registered in England and Wales: No.OC307742. Registered office: 30 Finsbury Square, London, EC2A 1AG. A list of members is available from our registered office. Grant Thornton UK LLP is authorised and regulated by the Financial Conduct Authority. Grant Thornton UK LLP is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. Services are delivered by the member firms. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.

1. Headlines

This table summarises the key findings and other matters arising from the statutory audit of Chorley Borough Council ('the Council') and the preparation of the Council's financial statements for the year ended 31 March 2021 for those charged with governance.

Financial Statements

Under International Standards of Audit (UK) (ISAs) and the National Audit Office (NAO) Code of Audit Practice ('the Code'), we are required to report whether, in our opinion:

- the Council's financial statements give a true and fair view of the financial position of the Council and its income and expenditure for the year; and
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting and prepared in accordance with the Local Audit and Accountability Act 2014.

We are also required to report whether other information published together with the audited financial statements (including the Annual Governance Statement (AGS) and Narrative Report), is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Our audit work was conducted remotely during October - February. Our findings are summarised on pages 4 to 19.

We have identified two adjustments to the financial statements. These have not resulted in an overall adjustment to the Council's Comprehensive Income and Expenditure Statement. Audit adjustments are detailed in Appendix A.

We have also raised recommendations for management as a result of our audit work in Appendix F.

Our work is substantially complete and there are no matters of which we are aware that would require modification of our audit opinion Appendix C or material changes to the financial statements (other than that set out above), subject to the following outstanding matters;

- Review of Covid-19 grant funding disclosure – outstanding query
- Review of amendments to the financial statements and disclosures
- Fees and charges sample testing – outstanding queries
- Review of the final version of the financial statements
- Managements consideration of events after the reporting period
- Final file reviews by the engagement manager and engagement lead
- Receipt of management representation letter;

We have concluded that the other information to be published with the financial statements, is consistent with our knowledge of your organisation and the financial statements we have audited.

Our anticipated audit report opinion will be unmodified.

1. Headlines

Value for Money (VFM) arrangements

Under the National Audit Office (NAO) Code of Audit Practice ('the Code'), we are required to consider whether the Council has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. Auditors are now required to report in more detail on the Council's overall arrangements, as well as key recommendations on any significant weaknesses in arrangements identified during the audit.

Auditors are required to report their commentary on the Council's arrangements under the following specified criteria:

- Improving economy, efficiency and effectiveness;
- Financial sustainability; and
- Governance

We have not yet completed all of our VFM work and so are not in a position to issue our Auditor's Annual Report. An audit letter explaining the reasons for the delay is attached in Appendix E to this report. We expect to issue our Auditor's Annual Report by 30 June 2022 at the latest. This is in line with the National Audit Office's revised deadline, which requires the Auditor's Annual Report to be issued no more than three months after the date of the opinion on the financial statements.

As part of our work, we considered whether there were any risks of significant weakness in the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources. We identified risks in respect of:

- Major capital projects

Our work on these risks is underway and an update is set out in the value for money arrangements section of this report.

Statutory duties

The Local Audit and Accountability Act 2014 ('the Act') also requires us to:

- report to you if we have applied any of the additional powers and duties ascribed to us under the Act; and
- to certify the closure of the audit.

We have not exercised any of our additional statutory powers or duties.

We expect to certify the completion of the audit upon the completion of our work on the Council's VFM arrangements, which will be reported in our Annual Auditor's report in June 2022

Significant Matters

We did not encounter any significant difficulties or identify any significant matters arising during our audit.

2. Financial Statements

Overview of the scope of our audit

This Audit Findings Report presents the observations arising from the audit that are significant to the responsibility of those charged with governance to oversee the financial reporting process, as required by International Standard on Auditing (UK) 260 and the Code of Audit Practice ('the Code'). Its contents will be discussed with management and the Governance Committee.

As auditor we are responsible for performing the audit, in accordance with International Standards on Auditing (UK) and the Code, which is directed towards forming and expressing an opinion on the financial statements that have been prepared by management with the oversight of those charged with governance. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities for the preparation of the financial statements.

Audit approach

Our audit approach was based on a thorough understanding of the Council's business and is risk based, and in particular included:

- An evaluation of the Council's internal controls environment, including its IT systems and controls;
- Substantive testing on significant transactions and material account balances, including the procedures outlined in this report in relation to the key audit risks
- The Council has not prepared group financial statements because income from investment property has been received directly by the Council and there are no transactions or balances in the subsidiary company during 2020-21. Therefore, we have not performed any group audit procedures.

Conclusion

We have substantially completed our audit of your financial statements and subject to the items listed on page 3, we anticipate issuing an unmodified audit opinion, as detailed in Appendix C.

Acknowledgements

We would like to take this opportunity to record our appreciation for the assistance provided by the finance team and other staff. As highlighted in our audit plan presented to the Governance Committee on 28 July 2021, the impact of the pandemic has meant that both your finance team and our audit team faced audit challenges again this year, such as remote accessing financial systems, video calling, verifying the completeness and accuracy of information provided remotely produced by the entity and access to key data from Council staff.

We have encountered some difficulty in obtaining supporting evidence requested for the audit of the draft statements. This was due to the capacity of the finance team to service the requests for audit evidence whilst continuing to delivering their normal duties.

2. Financial Statements

Our approach to materiality

The concept of materiality is fundamental to the preparation of the financial statements and the audit process and applies not only to the monetary misstatements but also to disclosure requirements and adherence to acceptable accounting practice and applicable law.

We have revised our materiality levels due to the actual gross expenditure changing significantly from that at the planning stage, resulting in a review of the appropriateness of the materiality figure.

We detail in the table aside our determination of materiality for Chorley Borough Council

	Planning (£)	Final (£)	Qualitative factors considered
Materiality for the financial statements	1,015,000	966,000	This is equivalent to approximately 1.9% of the gross revenue expenditure.
Performance materiality	761,000	725,000	The performance materiality has been set at 65% of financial statement materiality. This reflects a standard benchmark based on risk assessed knowledge of potential for errors arising.
Trivial matters	51,000	48,000	Triviality is set at 5% of materiality
Materiality for senior officer remuneration	20,000	20,000	Senior officer remuneration due to the public interest in the disclosures.

2. Financial Statements - Significant risks

Significant risks are defined by ISAs (UK) as risks that, in the judgement of the auditor, require special audit consideration. In identifying risks, audit teams consider the nature of the risk, the potential magnitude of misstatement, and its likelihood. Significant risks are those risks that have a higher risk of material misstatement.

This section provides commentary on the significant audit risks communicated in the Audit Plan.

Risks identified in our Audit Plan

Commentary

Improper revenue recognition

Under ISA (UK) 240 there is a rebuttable presumed risk that revenue may be misstated due to the improper recognition of revenue. This presumption can be rebutted if the auditor concludes that there is no risk of material misstatement due to fraud relating to revenue recognition.

Having considered the risk factors set out in ISA240 and the nature of the revenue streams at the Council, we have determined that the risk of fraud arising from revenue recognition can be rebutted, because:

- there is little incentive to manipulate revenue recognition
- opportunities to manipulate revenue recognition are very limited
- the culture and ethical frameworks of local authorities, including Chorley Borough Council mean that all forms of fraud are seen as unacceptable

Following receipt of draft financial statements, we analysed the Council's material revenue and expenditure streams and identified that it was still appropriate to rebut those income streams based on the logic detailed in our audit plan.

As we do not consider this to be a significant risk for the Council, we did not undertake any specific work in this area other than our normal audit procedures.

Our testing in this area is ongoing. Performance of procedures to sample test income have not identified any matters to report to date.

Management override of controls

Under ISA (UK) 240 there is a non-rebuttable presumed risk that the risk of management over-ride of controls is present in all entities. .

We therefore identified management override of control, in particular journals, management estimates and transactions outside the course of business as a significant risk, which is one of the most significant assessed risks of material misstatement.

Our audit work included, but was not restricted to:

- evaluating the design effectiveness of management controls over journals
- analysing the journals listing and determine the criteria for selecting high risk unusual journals
- testing unusual journals made during the year and after the draft accounts are produced for appropriateness and corroboration
- gaining an understanding of the accounting estimates and critical judgements applied made by management and consider their reasonableness (see detailed assessment of estimates on pages 11-14)
- evaluating the rationale for any changes in accounting policies, estimates or significant unusual transactions

Our work in this area is substantially complete and we have not identified any issues in respect of management override of controls.

2. Financial Statements - Significant risks

Risks identified in our Audit Plan

Commentary

Valuation of land and buildings

The Council revalues its land and buildings on a rolling five-yearly basis. This valuation of £85.094m (2019-20: £85.384m) represents a significant estimate by management in the financial statements due to the size of the numbers involved and the sensitivity of this estimate to changes in key assumptions.

Additionally, management will need to ensure the carrying value in the Council financial statements is not materially different from the current value at the financial statements date, where a rolling programme is used.

Investment Properties: All investment properties should be valued and reported at fair value under relevant accounting principles. Again, this valuation of £32.783m (2019-20: £35.677m) represents a significant estimate by management in the financial statements due to the size of the numbers involved compared to Council's materiality and the sensitivity of this estimate to changes in key assumptions.

We therefore identified valuation of land and buildings, including investment properties, as a significant risk, which was one of the most significant assessed risks of material misstatement.

We have:

- evaluated management's processes and assumptions for the calculation of the estimate, the instructions issued to valuation experts and the scope of their work
- evaluated the competence, capabilities and objectivity of the valuation expert
- discussed with the valuer the basis on which the valuation was carried out
- challenged the information and assumptions used by the valuer to assess completeness and consistency with our understanding
- tested revaluations made during the year to see if they had been input correctly into the Council's asset register
- evaluated the assumptions made by management for those assets not revalued during the year and how management has satisfied themselves that these are not materially different to current value at year end.

At the time of writing our work in this area is substantially complete and we have not identified any issues in respect of valuation of land and buildings and investment properties.

2. Financial Statements - Significant risks

Risks identified in our Audit Plan

Commentary

Valuation of pension fund net liability

The Authority's pension fund net liability, as reflected in its balance sheet as the net defined benefit liability, represents a significant estimate in the financial statements.

The pension fund net liability is considered a significant estimate due to the size of the numbers involved (£56.703m in the Authority's balance sheet) and the sensitivity of the estimate to changes in key assumptions.

The methods applied in the calculation of the IAS 19 estimates are routine and commonly applied by all actuarial firms in line with the requirements set out in the Code of practice for local government accounting (the applicable financial reporting framework). We have therefore concluded that there is not a significant risk of material misstatement in the IAS 19 estimate due to the methods and models used in their calculation.

The source data used by the actuaries to produce the IAS 19 estimates is provided by administering authorities and employers. We do not consider this to be a significant risk as this is easily verifiable.

The actuarial assumptions used are the responsibility of the entity but should be set on the advice given by the actuary. A small change in the key assumptions (discount rate, inflation rate, salary increase and life expectancy) can have a significant impact on the estimated IAS 19 liability. We have therefore concluded that there is a significant risk of material misstatement in the IAS 19 estimate due to the assumptions used in their calculation. With regard to these assumptions we have therefore identified valuation of the Authority's pension fund net liability as a significant risk.

We have:

- updated our understanding of the processes and controls put in place by management to ensure that the Authority's pension fund net liability is not materially misstated and evaluate the design of the associated controls;
- evaluated the instructions issued by management to their management expert (an actuary) for this estimate and the scope of the actuary's work;
- assessed the competence, capabilities and objectivity of the actuary who carried out the Authority's pension fund valuation;
- assessed the accuracy and completeness of the information provided by the Authority to the actuary to estimate the liability;
- tested the consistency of the pension fund asset and liability and disclosures in the notes to the core financial statements with the actuarial report from the actuary; and
- undertaken procedures to confirm the reasonableness of the actuarial assumptions made by reviewing the report of the consulting actuary (as auditor's expert) and performing any additional procedures suggested within the report.
- obtained assurances from the auditor of the Lancashire Pension Fund as to the controls surrounding the validity and accuracy of membership data; contributions data and benefits data sent to the actuary by the pension fund and the fund assets valuation in the pension fund financial statements.

We have not identified any material issues in respect of the valuation of the Council's pension fund net liability.

We identified that the payment in advance of the deficit recovery contribution had initially been accounted for as a prepayment on the balance sheet. However, the Code requires that early payment of pension contributions should be accounted for as a reduction of the pension liability and this has been adjusted by management.

2. Financial Statements – key judgements and estimates

This section provides commentary on key estimates and judgements inline with the enhanced requirements for auditors.

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment
Valuations of Land and Building (85.094m) and Investment Properties (£32.783m)	<p>Other land and buildings includes specialised assets such as leisure centres which are required to be valued at depreciated replacement cost (DRC) at year end, reflecting the cost of a modern equivalent asset necessary to deliver the same service provision.</p> <p>The remainder of other land and buildings are not specialised in nature and are required to be valued at existing use in value (EUV) at year end. The Council has engaged Lea Hough & Co to complete the valuation of properties as at 31 March 2021 on a five yearly cyclical basis. 63% of total assets were revalued during 2020/21.</p> <p>Management have considered the year end value of non-valued properties and the potential valuation change in the assets revalued at 31 March 2021 and have concluded that no uplift is needed.</p> <p>Management's assessment of assets not revalued has identified no material change to the properties. This has been supported by a desktop review of assets by Lea Hough & Co.</p>	<p>We have</p> <ul style="list-style-type: none"> • undertaken an assessment of management's experts • reviewed the completeness and accuracy of the underlying information used to determine the estimate • reviewed the impact of any changes to valuation method • checked the consistency of estimate against near neighbours • agreed the reasonableness of the increase/decrease in estimate • reviewed the adequacy of disclosure of estimate in the financial statements. <p>The valuation method remains consistent with the prior year.</p> <p>The Valuer has prepared their valuations in accordance with RICS Valuation – Global Standards.</p> <p>At the time of writing our work in this area is substantially complete and we have not identified any issues in respect of valuation of land and buildings and investment properties.</p> <p>We have obtained sufficient and appropriate audit assurance to conclude that:</p> <ul style="list-style-type: none"> • the basis of the valuation of land and buildings and investment properties is appropriate • the assumptions and processes used by management in determining the estimate of valuation of property are reasonable. • the valuation of land and buildings disclosed in the financial statements is reasonable. • management's approach to this significant estimate is appropriate • management's assessment of assets not revalued is reasonable 	<p>Light purple</p>

Assessment

- [Purple] We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- [Blue] We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- [Grey] We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- [Light Purple] We consider management's process is appropriate and key assumptions are neither optimistic or cautious

2. Financial Statements - key judgements and estimates

Significant judgement or estimate

Summary of management's approach

Audit Comments

Assessment

Net pension liability – £56.703m

The Council's [total] net pension liability at 31 March 2021 is £56.703m comprising the Lancashire Pension Fund Local Government Scheme and £3.283m of unfunded defined benefit pension scheme obligations. The Council uses Mercer to provide actuarial valuations of the Council's assets and liabilities derived from this scheme. A full actuarial valuation is required every three years. The latest full actuarial valuation was completed in 2019. A roll forward approach is used in intervening periods, which utilises key assumptions such as life expectancy, discount rates, salary growth and investment returns. Given the significant value of the net pension fund liability, small changes in assumptions can result in significant valuation movements..

We have:

- Undertaken an assessment of management's expert
- Reviewed and assessed the actuary's roll forward approach taken,
- Used an auditors expert (PwC) to assess the actuary and assumptions

Assumption	Actuary Value	PwC range	Assessment
Discount rate	2.1%	2.1-2.2%	●
Pension increase rate	2.8%	2.8%	●
Salary growth	4.2%	3.95-4.2%	●
Life expectancy – Males currently aged 45 / 65	23.9 / 22.4	22.5-24.7 / 20.9-23.2	●
Life expectancy – Females currently aged 45 / 65	26.9 / 25.1	25.9-27.7 / 24.0-25.8	●

We have also reviewed:

- the completeness and accuracy of the underlying information used to determine the estimate
- Impact of any changes to valuation method
- Reasonableness of the Authority's share of LPS pension assets.
- Reasonableness of increase/decrease in estimate
- Adequacy of disclosure of estimate in the financial statements

We have also obtained assurances from the auditor of the Local Government Pension scheme in order to conclude our work in this area.

Light Purple

Assessment

- **Dark Purple** We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- **Blue** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- **Grey** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- **Light Purple** We consider management's process is appropriate and key assumptions are neither optimistic or cautious

2. Financial Statements - key judgements and estimates

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment
Provisions for NDR appeals - £1.208m	<p>The Council are responsible for repaying a proportion of successful rateable value appeals. Chorley's calculation is based upon the latest information about outstanding rates appeals provided by the Valuation Office Agency (VOA) for the 2010 listing and previous success rates.</p> <p>Whilst earlier outstanding appeals have fallen, the Council has included an estimate for appeals in 2017-18, 2018-19, 2019-20 and 2020-21 of approximately 4.0 per cent.</p> <p>Due to re-apportionment following the pilot for increased local retention of Business Rates that was applicable for 2019-20 only, the provision has decreased by £0.483m in 2020-21.</p>	<p>We have:</p> <ul style="list-style-type: none"> reviewed the appropriateness of the underlying information used to determine the estimate reviewed the impact of any changes to valuation method checked the consistency of estimate against industry practice agreed the reasonableness of the increase in estimate reviewed the adequacy of disclosure of estimate in the financial statements. <p>We have not identified any material issues in respect of the appeals provision.</p>	Light Purple
Grants Income Recognition and Presentation- £42.315m	<p>The Council receives a number of grants and contributions and must determine whether the Council is acting as principal/ agent, and if there are any conditions outstanding (as distinct from restrictions) that would determine whether the grant be recognised as a receipt in advance or income.</p> <p>The Council is acting as the principal and credited the following grants, to the Comprehensive Income and Expenditure Statement:</p> <ul style="list-style-type: none"> Covid-19 funding Benefits related grants Business rates reliefs Developer contributions <p>The Council is acting as an agent and does not recognise grant income in respect of £31.034m of Covid-19 funding to support local businesses.</p> <p>The Council has received a number of grants, contributions and donations that have yet to be recognised as income as they have conditions attached to them that will require the monies or property to be returned to the giver.</p>	<p>Our audit work included consideration of:</p> <ul style="list-style-type: none"> whether the Council is acting as the principal or agent which would determine whether the authority recognises the grant at all Completeness and accuracy of the underlying information used to determine whether there are conditions outstanding (as distinct from restrictions) that would determine whether the grant be recognised as a receipt in advance or income Impact for grants received, whether the grant is specific or non specific grant (or whether it is a capital grant) – which impacts on where the grant is presented in the CIES. Adequacy of disclosure of judgement in the financial statements <p>Our work in this area is ongoing. We have identified a discrepancy in the amounts not recognised as grant income and have requested management to update the disclosures.</p>	Light Purple

Assessment

- **Dark Purple** We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- **Blue** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- **Grey** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- **Light Purple** We consider management's process is appropriate and key assumptions are neither optimistic or cautious

2. Financial Statements - key judgements and estimates

Significant judgement or estimate	Summary of management's approach	Audit Comments	Assessment
Minimum Revenue Provision - £1.713m	<p>The Council is responsible on an annual basis for determining the amount charged for the repayment of debt known as its Minimum Revenue Provision (MRP). The basis for the charge is set out in regulations and statutory guidance.</p> <p>The Council's policy for MRP for pre 2008 borrowing is a charge at the rate of 4% in accordance with the Regulatory Method.</p> <p>In the case of all capital spend finance by Prudential Borrowing; this is subject to MRP under the Asset Life Method – equal instalments charged over the estimated useful life of the asset. MRP is based on the estimated life of the assets, in accordance with the regulations.</p> <p>The year end MRP charge was £1.713m, a net increase of £1.144m from 2019/20.</p>	<p>At 31 March 2021, the Council's MRP was £1.713m. At 31 March 2020 the MRP was £0.569m. The MRP represents 1.92% of the Council's overall Capital Financing Requirement. This has increased from 0.64% at 31 March 2020.</p> <p>This is measure of the pace at which charges to revenue (GF) are being made to finance capital expenditure that has not previously been financed.</p> <p>The overarching requirement is for authorities to determine a "prudent" provision, rather than to follow a particular basis of calculation. If the MRP is too low, the burden of financing capital assets will fall on future generations of taxpayers.</p> <p>We have recommended that the Council review its MRP policy to ensure the provision continues to be prudent and is sufficient to finance capital expenditure that has not previously been finance through the application of capital receipts, capital grants or direct revenue charges. See Appendix F for this recommendation.</p>	Light Purple
Heritage assets - £2.530m	<p>The Council holds Astley Hall as a heritage asset which is valued using the historical cost basis which is permitted in the CIPFA Code where it is not practicable to obtain a valuation.</p> <p>The building was revalued to a nominal £1 at 31 March 2011 following a condition survey. During 2020-21, the Council capitalised £0.3m of expenditure in relation to the restoration of Astley Hall. At 31 March 2021, the building was then revalued to £1.</p>	<p>At 31 March 2021, the restoration works are underway, but with substantial works remaining to complete the project and bring the property into operational use. As the restoration works progress towards completion in 2022-23, the current valuation basis will no longer be appropriate.</p> <p>We have recommended that the Council reviews the basis of valuation for Astley Hall going forward to ensure the value is not materially misstated.</p> <p>See Appendix F for this recommendation.</p>	Light Purple

Assessment

- **Dark Purple** We disagree with the estimation process or judgements that underpin the estimate and consider the estimate to be potentially materially misstated
- **Blue** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider optimistic
- **Grey** We consider the estimate is unlikely to be materially misstated however management's estimation process contains assumptions we consider cautious
- **Light Purple** We consider management's process is appropriate and key assumptions are neither optimistic or cautious

2. Financial Statements - other communication requirements

We set out below details of other matters which we, as auditors, are required by auditing standards and the Code to communicate to those charged with governance.

Issue	Commentary
Matters in relation to fraud	We have previously discussed the risk of fraud with the Governance Committee. We have not been made aware of any incidents in the period and no other issues have been identified during the course of our audit procedures.
Matters in relation to related parties	We are not aware of any related parties or related party transactions which have not been disclosed
Matters in relation to laws and regulations	You have not made us aware of any significant incidences of non-compliance with relevant laws and regulations and we have not identified any incidences from our audit work.
Written representations	A letter of representation has been requested from the Council, which is appended to this report. Specific representations have been requested from management in respect of the significant assumptions used in making accounting estimates for the Business rates appeal provision, consideration of assets not subject to external valuation during the year and the basis of valuation for heritage assets; specifically Astley Hall.

2. Financial Statements - other communication requirements

Issue	Commentary
Confirmation requests from third parties	We requested from management permission to send confirmation requests to the Council's bankers. This permission was granted and the requests were sent and were returned with positive confirmation.
Accounting practices	We have evaluated the appropriateness of the Council's accounting policies, accounting estimates and financial statement disclosures. Our review found no material omissions in the financial statements.
Audit evidence and explanations/ significant difficulties	We have encountered some difficulty in obtaining supporting evidence requested for the audit of the draft statements. We acknowledge that the Council experienced difficulties due capacity of the finance team to service the requests for audit evidence whilst continuing to delivering their normal duties.

2. Financial Statements - other communication requirements

Our responsibility

As auditors, we are required to “obtain sufficient appropriate audit evidence about the appropriateness of management's use of the going concern assumption in the preparation and presentation of the financial statements and to conclude whether there is a material uncertainty about the entity's ability to continue as a going concern” (ISA (UK) 570).

Issue	Commentary
Going concern	<p>In performing our work on going concern, we have had reference to Statement of Recommended Practice – Practice Note 10: Audit of financial statements of public sector bodies in the United Kingdom (Revised 2020). The Financial Reporting Council recognises that for particular sectors, it may be necessary to clarify how auditing standards are applied to an entity in a manner that is relevant and provides useful information to the users of financial statements in that sector. Practice Note 10 provides that clarification for audits of public sector bodies.</p> <p>Practice Note 10 sets out the following key principles for the consideration of going concern for public sector entities:</p> <ul style="list-style-type: none"> the use of the going concern basis of accounting is not a matter of significant focus of the auditor's time and resources because the applicable financial reporting frameworks envisage that the going concern basis for accounting will apply where the entity's services will continue to be delivered by the public sector. In such cases, a material uncertainty related to going concern is unlikely to exist, and so a straightforward and standardised approach for the consideration of going concern will often be appropriate for public sector entities for many public sector entities, the financial sustainability of the reporting entity and the services it provides is more likely to be of significant public interest than the application of the going concern basis of accounting. Our consideration of the Council's financial sustainability is addressed by our value for money work, which is covered elsewhere in this report. <p>Practice Note 10 states that if the financial reporting framework provides for the adoption of the going concern basis of accounting on the basis of the anticipated continuation of the provision of a service in the future, the auditor applies the continued provision of service approach set out in Practice Note 10. The financial reporting framework adopted by the Council meets this criteria, and so we have applied the continued provision of service approach. In doing so, we have considered and evaluated:</p> <ul style="list-style-type: none"> the nature of the Council and the environment in which it operates the Council's financial reporting framework the Council's system of internal control for identifying events or conditions relevant to going concern management's going concern assessment. <p>On the basis of this work, we have obtained sufficient appropriate audit evidence to enable us to conclude that:</p> <ul style="list-style-type: none"> a material uncertainty related to going concern has not been identified management's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

2. Financial Statements - other responsibilities under the Code

Issue	Commentary
Other information	<p>We are required to give an opinion on whether the other information published together with the audited financial statements (including the Annual Governance Statement and Narrative Report) is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.</p> <p>No inconsistencies have been identified. We plan to issue an unmodified opinion in this respect – refer to appendix C</p>
Matters on which we report by exception	<p>We are required to report on a number of matters by exception in a number of areas:</p> <ul style="list-style-type: none"> • if the Annual Governance Statement does not comply with disclosure requirements set out in CIPFA/SOLACE guidance or is misleading or inconsistent with the information of which we are aware from our audit, • if we have applied any of our statutory powers or duties. • where we are not satisfied in respect of arrangements to secure value for money and have reported a significant weakness <p>We have nothing to report on these matters.</p> <p>As part of our VFM procedures, we are reviewing the Council’s progress in responding to the areas identified in the section 24 recommendation issued in December 2020 and we will report in full in the Auditor’s Annual Report.</p>

2. Financial Statements - other responsibilities under the Code

Issue	Commentary
Specified procedures for Whole of Government Accounts	<p>We are required to carry out specified procedures (on behalf of the NAO) on the Whole of Government Accounts (WGA) consolidation pack under WGA group audit instructions.</p> <p>However, the Council is below the threshold (as set out in the Group Instructions) and therefore no further work is required.</p>
Certification of the closure of the audit	<p>We intend to delay the certification of the closure of the 2020/21 audit of Chorley Borough Council in the audit report, as included in Appendix C, due to VFM work being incomplete.</p>

3. Value for Money arrangements

Revised approach to Value for Money work for 2020/21

On 1 April 2020, the National Audit Office introduced a new Code of Audit Practice which comes into effect from audit year 2020/21. The Code introduced a revised approach to the audit of Value for Money. (VFM)

There are three main changes arising from the NAO's new approach:

- A new set of key criteria, covering financial sustainability, governance and improvements in economy, efficiency and effectiveness
- More extensive reporting, with a requirement on the auditor to produce a commentary on arrangements across all of the key criteria.
- Auditors undertaking sufficient analysis on the Council's VFM arrangements to arrive at far more sophisticated judgements on performance, as well as key recommendations on any significant weaknesses in arrangements identified during the audit.

The Code require auditors to consider whether the body has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources. When reporting on these arrangements, the Code requires auditors to structure their commentary on arrangements under the three specified reporting criteria.

Improving economy, efficiency and effectiveness

Arrangements for improving the way the body delivers its services. This includes arrangements for understanding costs and delivering efficiencies and improving outcomes for service users.

Financial Sustainability

Arrangements for ensuring the body can continue to deliver services. This includes planning resources to ensure adequate finances and maintain sustainable levels of spending over the medium term (3-5 years)

Governance

Arrangements for ensuring that the body makes appropriate decisions in the right way. This includes arrangements for budget setting and management, risk management, and ensuring the body makes decisions based on appropriate information

Potential types of recommendations

A range of different recommendations could be made following the completion of work on the body's arrangements to secure economy, efficiency and effectiveness in its use of resources, which are as follows:

Statutory recommendation

Written recommendations to the body under Section 24 (Schedule 7) of the Local Audit and Accountability Act 2014. A recommendation under schedule 7 requires the body to discuss and respond publicly to the report.

Key recommendation

The Code of Audit Practice requires that where auditors identify significant weaknesses in arrangements to secure value for money they should make recommendations setting out the actions that should be taken by the body. We have defined these recommendations as 'key recommendations'.

Improvement recommendation

These recommendations, if implemented should improve the arrangements in place at the body, but are not made as a result of identifying significant weaknesses in the body's arrangements

3. VFM - our procedures and conclusions

We have not yet completed all of our VFM work and so are not in a position to issue our Auditor's Annual Report. An audit letter explaining the reasons for the delay is attached in the Appendix E to this report. We expect to issue our Auditor's Annual Report by 30 June 2022. This is in line with the National Audit Office's revised deadline, which requires the Auditor's Annual Report to be issued no more than three months after the date of the opinion on the financial statements.

As part of our work, we considered whether there were any risks of significant weakness in the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources. In our audit plan we identified the risks set out in the table below. Our work on these risks is underway and an update is set out below.

Risk of significant weakness

Work performed to date

Major capital projects

The 2019-20 Annual Audit Letter reported weaknesses in the Council's arrangements to support informed decision making for major acquisitions and investments. The processes were not sufficiently robust and the risks not fully considered in line with the Council's own risk management framework.

Several recommendations for improvement were identified to strengthen the arrangements, should the Council undertake other major investment and capital projects.

We will follow up progress on implementation of these recommendations and assess arrangements in place for a sample of other major capital projects

As part of our risk assessment, we have completed a review of key documentation relevant to these risks, including Council and Committee papers and reports from Internal Audit.

We have engaged colleagues from our specialist VFM team to undertake a focussed review and requested additional information from management.

We have undertaken a review of the overall governance arrangements in place at the Council in accordance with the VFM evaluation criteria although this work is ongoing.

At this stage, we have identified no material weaknesses to bring to your attention. However our work is ongoing and we will report more fully in our Auditor's Annual Report.

5. Independence and ethics

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Financial Reporting Council's Ethical Standard and confirm that we, as a firm, and each covered person, are independent and are able to express an objective opinion on the financial statements

We confirm that we have implemented policies and procedures to meet the requirements of the Financial Reporting Council's Ethical Standard and we as a firm, and each covered person, confirm that we are independent and are able to express an objective opinion on the financial statements.

Further, we have complied with the requirements of the National Audit Office's Auditor Guidance Note 01 issued in May 2020 which sets out supplementary guidance on ethical requirements for auditors of local public bodies.

Details of fees charged are detailed in Appendix B

Transparency

Grant Thornton publishes an annual Transparency Report, which sets out details of the action we have taken over the past year to improve audit quality as well as the results of internal and external quality inspections. For more details see [Transparency report 2020 \(grantthornton.co.uk\)](https://www.grantthornton.co.uk/transparency-report-2020)

5. Independence and ethics

Audit and non-audit services

For the purposes of our audit we have made enquiries of all Grant Thornton UK LLP teams providing services to the Council. The following non-audit services were identified, as well as the threats to our independence and safeguards that have been applied to mitigate these threats.

Service	Fees £	Threats identified	Safeguards
Audit related			
Certification of Housing Benefit Claim	19,200	Self-Interest (because this is a recurring fee)	The level of this recurring fee taken on its own is not considered a significant threat to independence as the fee for this work is £19,200 in comparison to the total fee for the audit of £58,816 and in particular relative to Grant Thornton UK LLP's turnover overall. Further, it is a fixed fee and there is no contingent element to it. These factors all mitigate the perceived self-interest threat to an acceptable level.
		Self review (because GT provides audit services)	To mitigate against the self review threat, the timing of certification work is done after the audit has completed, materiality of the amounts involved to our opinion and unlikelihood of material errors arising and the Council has informed management who will decide whether to amend returns for our findings and agree the accuracy of our reports on grants.

These services are consistent with the Council's policy on the allotment of non-audit work to your auditors. All services have been approved by the Governance Committee. None of the services provided are subject to contingent fees.

Appendices

A. Audit Adjustments

We are required to report all non trivial misstatements to those charged with governance, whether or not the accounts have been adjusted by management.

Impact of adjusted misstatements

All adjusted misstatements are set out in detail below along with the impact on the key statements and the reported net expenditure for the year ending 31 March 2021.

Detail	Comprehensive Income and Expenditure Statement £'000	Statement of Financial Position £' 000	Impact on total net expenditure £'000
Incorrect classification between the Trade receivables and prepayments of £1.695m	-	Trade payables (£1,695) Prepayments £1,695	-
Pensions deficit recovery contributions adjustment to remove prepayment balance and reduce net pension liability	-	Pension liabilities £883 Prepayments (£883)	--
Overall impact	-	£0	-

A. Audit Adjustments

Impact of unadjusted misstatements

All adjusted misstatements are set out in detail below along with the impact on the key statements and the reported net expenditure for the year ending 31 March 2021.

Detail	Comprehensive Income and Expenditure Statement £'000	Statement of Financial Position £' 000	Impact on total net expenditure £'000
The reconciliation of employee benefits expenditure reported in the Comprehensive Income and Expenditure Statement to the supporting payroll data identified an unresolved difference indicating an overstatement of expenditure.	Employee benefits expenditure (£85)	General reserve £85	(£85)
Overall impact	(£85)	£85	(£85)

Impact of prior year unadjusted misstatements

There were no unadjusted misstatements in the prior year.

A. Audit Adjustments

Misclassification and disclosure changes

The table below provides details of misclassification and disclosure changes identified during the audit which have been made in the final set of financial statements.

Disclosure	Details	Adjusted?
Prior year comparatives	The Council made some amendments to the prior year comparative figures which had been brought forward into the draft accounts inaccurately.	✓
Accounts consistency	Updates made to references in the accounts and minor amendments to ensure consistency.	✓
Narrative report	Updates made to figures drawn from the accounts to ensure consistency	✓
Remuneration disclosures	The Council made some amendments to the disclosures in the Officers Remuneration note. We identified some inaccuracies in the disclosures of exit packages paid during the year.	✓
Grants disclosures	The Council added further information to the explanation of the accounting and recognition of funds received from Covid-19 grants and amended the disclosure of grant funding received but where the Council is acting as an agent.	✓
Critical judgements & uncertainty	The Council has amended the disclosures in notes 4 and 5 where there are no critical judgements applied or significant uncertainty likely to result in material future adjustment to transactions or balances in the account.	✓
Financial instruments	Updates made to disclosures of financial instruments and reconciliation to the balance sheet	✓
Audit fees	Updates made to disclosure the full external audit costs in the accounts.	✓

B. Fees

We confirm below our final fees charged for the audit and provision of non-audit services.

The fees reconcile to the financial statements.

Audit fees	Proposed fee	Final fee
Council Audit	£58,816	tbc
Total audit fees (excluding VAT)	£58,816	tbc

Non-audit fees for other services	Proposed fee	Final fee
Certification of Housing Benefit Claim	£19,200	tbc
Total non-audit fees (excluding VAT)	£19,200	tbc

C. Audit opinion

Our audit opinion is included below.

We anticipate we will provide the Council with an unmodified audit report.

Independent auditor's report to the members of Chorley Borough Council

Report on the Audit of the Financial Statements

Opinion on financial statements

We have audited the financial statements of Chorley Borough Council (the 'Authority') for the year ended 31 March 2021, which comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement, the Collection Fund Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Authority as at 31 March 2021 and of its expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law, as required by the Code of Audit Practice (2020) ("the Code of Audit Practice") approved by the Comptroller and Auditor General. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are responsible for concluding on the appropriateness of the Chief Finance Officer's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Authority to cease to continue as a going concern.

C. Audit opinion

In our evaluation of the Chief Finance Officer's conclusions, and in accordance with the expectation set out within the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21 that the Authority's financial statements shall be prepared on a going concern basis, we considered the inherent risks associated with the continuation of services provided by the Authority. In doing so we had regard to the guidance provided in Practice Note 10 Audit of financial statements and regularity of public sector bodies in the United Kingdom (Revised 2020) on the application of ISA (UK) 570 Going Concern to public sector entities. We assessed the reasonableness of the basis of preparation used by the Authority and the Authority's disclosures over the going concern period.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Authority's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the Chief Finance Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

The responsibilities of the Chief Finance Officer with respect to going concern are described in the 'Responsibilities of the Authority, the Chief Finance Officer and Those Charged with Governance for the financial statements' section of this report.

Other information

The Chief Finance Officer is responsible for the other information. The other information comprises the information included in the Statement of Accounts, other than the financial statements, and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Other information we are required to report on by exception under the Code of Audit Practice

Under the Code of Audit Practice published by the National Audit Office in April 2020 on behalf of the Comptroller and Auditor General (the Code of Audit Practice) we are required to consider whether the Annual Governance Statement does not comply with 'delivering good governance in Local Government Framework 2016 Edition' published by CIPFA and SOLACE or is misleading or inconsistent with the information of which we are aware from our audit. We are not required to consider whether the Annual Governance Statement addresses all risks and controls or that risks are satisfactorily addressed by internal controls.

We have nothing to report in this regard.

Opinion on other matters required by the Code of Audit Practice

In our opinion, based on the work undertaken in the course of the audit of the financial statements and our knowledge of the Authority, the other information published together with the financial statements in the Statement of Accounts for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

Under the Code of Audit Practice, we are required to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make a written recommendation to the Authority under section 24 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 in the course of, or at the conclusion of the audit; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014, in the course of, or at the conclusion of the audit.

We have nothing to report in respect of the above matters.

C. Audit opinion

Responsibilities of the Authority, the Chief Finance Officer and Those Charged with Governance for the financial statements

As explained in the Statement of Responsibilities set out on page 45, the Authority is required to make arrangements for the proper administration of its financial affairs and to secure that one of its officers has the responsibility for the administration of those affairs. In this authority, that officer is the Chief Finance Officer. The Chief Finance Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, for being satisfied that they give a true and fair view, and for such internal control as the Chief Finance Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Chief Finance Officer is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless there is an intention by government that the services provided by the Authority will no longer be provided.

The Governance Committee is Those Charged with Governance. Those Charged with Governance are responsible for overseeing the Authority's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Authority and determined that the most significant, which are directly relevant to specific assertions in the financial statements, are those related to the reporting frameworks (international accounting standards as interpreted and adapted by the CIPFA/LASAAC code of practice on local authority accounting in the United Kingdom 2020/21, The Local Audit and Accountability Act 2014, the Accounts and Audit Regulations 2015, the Local Government Act 2003, the Local Government Act 1972, the Local Government Finance Act 1988 (as amended by the Local Government Finance Act 1992) and the Local Government Finance Act 2012.
- We enquired of senior officers and the Governance Committee, concerning the Authority's policies and procedures relating to:
 - the identification, evaluation and compliance with laws and regulations;
 - the detection and response to the risks of fraud; and
 - the establishment of internal controls to mitigate risks related to fraud or non-compliance with laws and regulations.
- We enquired of senior officers, internal audit and the Governance Committee, whether they were aware of any instances of non-compliance with laws and regulations or whether they had any knowledge of actual, suspected or alleged fraud.
- We assessed the susceptibility of the Authority's financial statements to material misstatement, including how fraud might occur, by evaluating officers' incentives and opportunities for manipulation of the financial statements. This included the evaluation of the risk of management override of controls. We determined that the principal risks were in relation to:
 - journal entries that impacted income and expenditure or posted during the accounts production
 - potential management bias in accounting estimates; and
 - transactions outside the normal course of business.

C. Audit opinion

- Our audit procedures involved:
 - evaluation of the design effectiveness of controls that the Chief Finance Officer has in place to prevent and detect fraud;
 - journal entry testing, with a focus manual journals including those postings with a net impact on the income and expenditure;
 - challenging assumptions and judgements made by management in its significant accounting estimates in respect of land and buildings, investment property and defined benefit pensions liability valuations;
 - assessing the extent of compliance with the relevant laws and regulations as part of our procedures on the related financial statement item.
- These audit procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error. However, detecting irregularities that result from fraud is inherently more difficult than detecting those that result from error, as those irregularities that result from fraud may involve collusion, deliberate concealment, forgery or intentional misrepresentations. Also, the further removed non-compliance with laws and regulations is from events and transactions reflected in the financial statements, the less likely we would become aware of it.
- The team communications in respect of potential non-compliance with relevant laws and regulations, including the potential for fraud in revenue and expenditure recognition, and the significant accounting estimates related to land and buildings, investment property and defined benefit pensions liability valuations.
- Assessment of the appropriateness of the collective competence and capabilities of the engagement team included consideration of the engagement team's:
 - understanding of, and practical experience with audit engagements of a similar nature and complexity through appropriate training and participation
 - knowledge of the local government sector
 - understanding of the legal and regulatory requirements specific to the Authority including:
 - the provisions of the applicable legislation
 - guidance issued by CIPFA, LASAAC and SOLACE
 - the applicable statutory provisions.

- In assessing the potential risks of material misstatement, we obtained an understanding of:
 - the Authority's operations, including the nature of its income and expenditure and its services and of its objectives and strategies to understand the classes of transactions, account balances, expected financial statement disclosures and business risks that may result in risks of material misstatement.
 - the Authority's control environment, including the policies and procedures implemented by the Authority to ensure compliance with the requirements of the financial reporting framework.

Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2021.

Our work on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources is not yet complete. The outcome of our work will be reported in our commentary on the Authority's arrangements in our Auditor's Annual Report. If we identify any significant weaknesses in these arrangements, these will be reported by exception in a further auditor's report. We are satisfied that this work does not have a material effect on our opinion on the financial statements for the year ended 31 March 2021.

Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

C. Audit opinion

Auditor's responsibilities for the review of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in April 2021. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Authority plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

Report on other legal and regulatory requirements – Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate for Chorley Borough Council for the year ended 31 March 2021 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice until we have completed:

- our work on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources and issued our Auditor's Annual Report'
- the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement for the Authority for the year ended 31 March 2021.

We are satisfied that this work does not have a material effect on the financial statements.

Use of our report

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

D. Management Letter of Representation

Chorley Borough Council

Financial Statements for the year ended 31 March 2021

This representation letter is provided in connection with the audit of the financial statements of Chorley Borough for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the Council financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards, and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i. We have fulfilled our responsibilities for the preparation of the Council's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii. We have complied with the requirements of all statutory directions affecting the Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include valuations of land and building assets, valuations of investment properties and valuation of defined benefit pension net liability. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the

methods, the data and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the Code and adequately disclosed in the financial statements.

- vi. We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- vii. Except as disclosed in the financial statements:
 - a. there are no unrecorded liabilities, actual or contingent
 - b. none of the assets of the Council has been assigned, pledged or mortgaged
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- ix. All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- x. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The Council's financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xi. We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Council and its financial position at the year-end. The financial statements are free of material misstatements, including omissions.

D. Management Letter of Representation

- x. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The Council's financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xi. We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Council and its financial position at the year-end. The financial statements are free of material misstatements, including omissions.
- xii. We have considered the estimated liability with regard to Business rate appeals and consider that it has been made appropriately.
- xiii. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xiv. We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xv. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that :
- the nature of the Council means that, notwithstanding any intention to liquidate the Council or cease its operations in their current form, it will continue to be appropriate to adopt the going concern basis of accounting because, in such an event, services it performs can be expected to continue to be delivered by related public authorities and preparing the financial statements on a going concern basis will still provide a faithful representation of the items in the financial statements
 - the financial reporting framework permits the entity to prepare its financial statements on the basis of the presumption set out under a) above; and
 - the Council's system of internal control has not identified any events or conditions relevant to going concern.
- We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements
- xvii. We have considered the year end value of land and building assets which have not been subject to external valuation and we are satisfied that the basis of valuation remains appropriate and assets are not materially misstated. We have not identified any material changes to the properties.
- xviii. We have considered the year end value for heritage assets and we are satisfied that the basis of valuation remains appropriate and assets are not materially misstated.
- Information Provided**
- xviii. We have provided you with:
- access to all information of which we are aware that is relevant to the preparation of the Council's financial statements such as records, documentation and other matters;
 - additional information that you have requested from us for the purpose of your audit; and
 - access to persons within the Council via remote arrangements, in compliance with the nationally specified social distancing requirements established by the government in response to the Covid-19 pandemic. from whom you determined it necessary to obtain audit evidence.
- xix. We have communicated to you all deficiencies in internal control of which management is aware.
- xx. All transactions have been recorded in the accounting records and are reflected in the financial statements. This includes the recognition policy and accounting for funds received through Covid-19 support measures where we consider that the Council has acted as agent on behalf of the grant funder.
- xxi. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- xxii. We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the Council and involves:
- management;
 - employees who have significant roles in internal control; or
 - others where the fraud could have a material effect on the financial statements
- xxiii. We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, analysts, regulators or others.

D. Management Letter of Representation

- xxiv. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.
- xxv. We have disclosed to you the identity of the Council's related parties and all the related party relationships and transactions of which we are aware.
- xxvi. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

Annual Governance Statement

- xxvii. We are satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework and we confirm that we are not aware of any significant risks that are not disclosed within the AGS.

Narrative Report

- xxviii. The disclosures within the Narrative Report fairly reflect our understanding of the Council's financial and operating performance over the period covered by the Council's financial statements.

Approval

- xxix. The approval of this letter of representation was minuted by the Council's Governance Committee at its meeting on 16 March 2022

E. Audit letter in respect of delayed VFM work

Chair of Governance Committee
Chorley Borough Council
Civic Offices
Union Street
Chorley
Lancashire
PR7 1AL

16 March 2022

Dear Chair

Under the 2020 Code of Audit Practice, for relevant authorities other than local NHS bodies we are required to issue our Auditor's Annual Report no later than 30 September or, where this is not possible, issue an audit letter setting out the reasons for delay.

As a result of the ongoing pandemic, and the impact it has had on both preparers and auditors of accounts to complete their work as quickly as would normally be expected, the National Audit Office has updated its guidance to auditors to allow us to postpone completion of our work on arrangements to secure value for money and focus our resources firstly on the delivery of our opinions on the financial statements. This is intended to help ensure as many as possible could be issued in line with national timetables and legislation.

As a result, we have therefore not yet issued our Auditor's Annual Report, including our commentary on arrangements to secure value for money. We now expect to publish our report no later than 30 June 2022.

For the purposes of compliance with the 2020 Code, this letter constitutes the required audit letter explaining the reasons for delay.

Yours faithfully

Georgia Jones

Georgia Jones

Director

F. Action plan – Audit of Financial Statements

We have identified two recommendations for the Council as a result of issues identified during the course of our audit. We have agreed our recommendations with management and we will report on progress on these recommendations during the course of the 2021/22 audit. The matters reported here are limited to those deficiencies that we have identified during the course of our audit and that we have concluded are of sufficient importance to merit being reported to you in accordance with auditing standards.

Assessment	Issue and risk	Recommendations
Medium	<p>Valuation of heritage assets</p> <p>The Council holds Astley Hall as a heritage asset which is valued using the historical cost basis which is permitted in the CIPFA Code where it is not practicable to obtain a valuation.</p> <p>The building was revalued to a nominal £1 at 31 March 2011 following a condition survey. During 2020-21, the Council capitalised £0.3m of expenditure in relation to the restoration of Astley Hall. At 31 March 2021, the building was then revalued to £1.</p> <p>As the restoration works progress towards completion in 2022-23, the current valuation basis will no longer be appropriate.</p>	<p>Management should review the basis of valuation for Astley Hall going forward to ensure the value is not materially misstated.</p> <p>Management response Further to the restoration work undertaken on Astley Hall over the course of 2021/22, the basis of valuation used for the asset will be reviewed and the resulting revaluation will be appropriately included in the 2021/22 statutory accounts.</p>
Medium	<p>Minimum Revenue Provision</p> <p>At 31 March 2021, the Council's MRP was £1.713m. At 31 March 2020 the MRP was £0.569m. The MRP represents 1.92% of the Council's overall Capital Financing Requirement. This has increased from 0.64% at 31 March 2020.</p> <p>This is measure of the pace at which charges to revenue (GF) are being made to finance capital expenditure that has not previously been financed.</p> <p>The overarching requirement is for authorities to determine a "prudent" provision, rather than to follow a particular basis of calculation. If the MRP is too low, the burden of financing capital assets will fall on future generations of taxpayers.</p>	<p>Review the Council's MRP policy to ensure the provision continues to be prudent and is sufficient to finance capital expenditure that has not previously been finance through the application of capital receipts, capital grants or direct revenue charges.</p> <p>Management response The council undertook a review of its MRP Policy in January 2022 and this was approved by Council on 22nd February 2022. The review undertaken, and the resulting changes made, ensure that the provision continues to be prudent and is sufficient to finance capital expenditure that has not been previously financed through the application of capital receipts, capital grants or direct revenue charges.</p>
Controls		

- High – Significant effect on financial statements
- Medium – Limited Effect on financial statements
- Low – Best practice
