Performance overall for Customer Services and Revenues and Benefits at both councils is showing a positive improving trend over the last few months and it is expected that further improvements will be seen following the full recruitment and training of staff within the service. There are currently some differences in performance between the councils in some areas which are likely in response to local demand such as the Council Tax Rebate and this continues to be managed proactively such as through third party agency support where required and the continued training of new staff.

OFF-TRACK INDICATORS						
Indicator	Polarity	Target	Q1 2021/22	Q1 2022/23	Symbol	Trend
<b>Chorley</b>						
% FOI (including EIR and DPA) requests responded to on time	Bigger is better	90%	91.97%	<b>56.32%</b>	▲	<b>Worse than Q1 2021/22</b>
Reason below target	The FOI co-ordinator has been on long-term leave, with FOIs being covered by the rest of the team.					
Action Required	Additional resources from within the council have been identified to manage the FOI coordination which has helped to manage some of the backlog of work and new requests. Performance is expected to improve over the next quarters.					
<b>South Ribble</b>						
% legal files opened within 5 days	Bigger is better	90%	<i>New for 2021/22</i>	<b>85%</b>	▲	<i>Comparison not available</i>
Reason below target	The reduction in performance aligns with the ending of a temporary appointment to cover maternity cover, and the return to work from maternity leave of a full time member of staff. Leave commitments of the returning staff member led to a short term lack of capacity.					
Action Required	No actions are necessary, 85% performance remains good, but the performance against this indicator will continue to be monitored.					
% Performance information provided by quarterly deadline	Bigger is better	85%	Not available	74%	▲	<i>Comparison not available</i>
Reason below target	The performance management framework has achieved significant improvements in overall performance culture. Significant improvements have been achieved and overall 74% is a good level of compliance.					
Action Required	Further prompts and reminders are being provided to officers to further reinforce the process within the performance management framework, supporting and embedding a strong performance culture.
