## 85 Revenue Budget 2023/24, Medium Term Financial Strategy and Capital Programme 2023-2026

The Deputy Executive Leader and Executive Member for Resources, Councillor Peter Wilson, presented the Executive's Revenue Budget 2023/24, Medium Term Financial Strategy and Capital Programme 2023-26.

Councillor Wilson thanked officers and the Labour Group for their hard work and input into the proposed budget. He noted the previous post-covid budgets and the uncertainties this continued to create. The main challenges for the council included the rapid increase in inflation, the cost of living crisis and the impact of the Government's budget on local councils. The proposed budget would continue to provide the support needed for residents, communities, and businesses in the borough.

The 2023/24 budget and the MTFs for the next 2 years had been updated to take account of the following:

- Due to the continued pressures on council budgets, alongside reduced levels of funding from government to meet these increasing costs, the figures include a proposed 1.99% increase in council tax in 2023/24;
- The figures also include a proposed 2.99% increase in council tax in 2024/25 and of 1.99% in 2025/26; these proposals will be revisited each year as part of the budget setting process and will be dependent upon the outcome of the government's reviews of both the future funding framework and the future distribution of funding between councils (i.e. the long awaited Fair Funding Review), the review of the business rates system and the development of the 'Levelling-Up' agenda;
- Continued investment is reflected in ongoing revenue budgets to ensure delivery of corporate strategy priorities.

Although the level of funding in cash terms has increased by £1.9m from £13.6m in 2016/17 to £15.5m in 2023/24 (13.9%), the real terms reduction over this period, as measured by CPI, is 26.9%. Despite this, the council has been, and remains, ambitious in its approach to addressing the budget deficit by generating efficiency savings and additional income.

Councillor Wilson referred to the achievements of the council in recent years, and the plans within the Corporate Strategy, which would be delivered by the proposed budget, including:

### **Housing where residents can live well**

- £2.8m of further investment in affordable homes and adaptation grants
- £100k investment in measures to improve home energy efficiency
- £50k to investigate flexible housing solutions to meet the needs of all communities

### **A green and sustainable borough**

- £35k to plant more trees as part of establishing green corridors

- £200k environmental improvements and proactive activity to clean up neighbourhoods
- £80k to deliver energy improvement measures for businesses
- £50k to deliver additional Electric Vehicle charging points

#### **An enterprising economy with vibrant local centres in urban and rural areas**

- £150k to continue improving Astley Hall
- £400k to improve rural business connectivity
- £240k to provide additional support for businesses
- £10k to launch a skills and jobs programme for local residents
- £441k over the MTFs for investment within bus shelters

#### **Healthy, safe and engaged communities**

- £120k to provide more support for families and young people to access services that can give them the best start in life
- £15k for health and wellbeing activities that can be accessed by residents within their local

The council continues to invest in the borough and this budget includes £23.053m of capital investment from 2023/24 to 2025/26. This includes investment in;

- Provision of affordable housing, support for refugees and adaptations to assist residents in their homes;
- Improving and transforming the leisure centres to encourage our residents to be active and healthy, along with investment in play, recreation and open spaces;
- Driving economic development and delivering income generation through the completion of the Strawberry Meadows development;
- Supporting our town centre through the town centre masterplan;
- Delivering the green agenda, including decarbonisation of council properties; Rationalisation of council accommodation The council will continue its success of investing in assets that benefit residents and businesses whilst also generating a net income to the council.

The Executive Leader, Councillor Alistair Bradley supported and seconded the proposed budget and noted the challenges faced by the council and how the proposed budget would address this.

Before moving to the vote, the Mayor asked Shadow Cabinet Member (Finance, Shared Services and Governance), Councillor Sam Chapman to present the Conservative Group amendment.

## **86 Conservative Group proposed amendment to Budget**

Shadow Cabinet Member (Finance, Shared Services and Governance), Councillor Sam Chapman expressed his thanks to the Conservative group and officers for their contribution to the proposed amendment.

Councillor Chapman highlighted that the Administration's proposed 1.99% increase to Council Tax would generate an additional £140,000 in revenue to the council in 2023/24, and in each subsequent year thereafter. Similarly, the proposed 1.99% increase to Special Expenses would generate an additional £21,135 in revenue.

Therefore, the Conservative Group proposed:

1. a freeze on Council Tax in 2023/24,
2. a freeze on Special Expenses in 2023/24,

with the loss in revenue offset in 2023/4 by reducing the Climate Change Reserve by the same amount, and with the future loss in revenue addressed by the same means as the identified funding gap for those years in the Medium Term Financial Strategy i.e. through savings identified in the development and delivery of the Transformation Strategy and Savings Programme.

The Leader of the Opposition, Councillor Alan Cullens, seconded and supported the amendments, particularly regarding the freeze on Council Tax and Special Expenses.

### **Amendment**

The adoption of the Alternative Budget as set out in the report, was moved as an amendment by the Shadow Cabinet Member (Finance, Shared Services and Governance), Councillor Sam Chapman and seconded by the Leader of the Opposition, Councillor Alan Cullens.

In line with the legal requirement for all budget decisions to be recorded, this proposal was put to the vote and recorded as follows:

The vote was **lost** (9:30:0).

### **Substantive motion**

The substantive motion, as indicated in Agenda Item 5 was proposed by the Deputy Executive Leader, Councillor Peter Wilson, and seconded by the Executive Leader, Councillor Alistair Bradley, was then put to the vote.

In line with the legal requirement for all budget decisions to be recorded, this proposal was put to the vote and recorded as follows:

**For:** Councillors Sarah Ainsworth, Aaron Beaver, Julia Berry (Mayor), Alistair Bradley, Mark Clifford, Karen Derbyshire, Gordon France, Margaret France, Danny Gee, Tom Gray (Deputy Mayor), Terry Howarth, Hasina Khan, Samir Khan, Zara Khan, Roy Lees, Adrian Lowe, Michelle Le Marinel, June Molyneaux, Alistair Morwood, Dedrah Moss, Beverley Murray, James Nevett, Jean Sherwood, Arjun Singh, Kim Snape, Ryan Towers, Jenny Whiffen, Neville Whitham, Alan Whittaker and Peter Wilson.

## EXPLANATION OF COUNCIL TAX SETTING RESOLUTION

### RESOLUTION 1

(a) Before we can calculate the Council Tax to be charged, we first have to calculate the Council Tax base. The Council Tax base is the amount which a Band D Council Tax of £1.00 would raise. For 2023/24 we estimate that a £1.00 Council Tax at Band D would raise £38,342.53 in the Chorley area.

(b) This shows the “base” figure for each Parish in the area. For example, a £1.00 Band D Council Tax in Adlington would raise £2,105.11.

### RESOLUTION 2

This shows the Council’s net spending for 2023/24 excluding the cost of Parish precepts.

### RESOLUTION 3

(a) This is the grand total of money which the Council estimates it will spend on all services in 2023/2. It also includes £807,481 which Parish Councils need to run their services.

(b) This is the grand total of money which the Council estimates it will receive from various sources in the year. This includes Central Government and business rates, car park charges, investment income, government grants in respect of benefits, etc.

(c) This is the difference between 2(a) and 2(b) and is in effect the Council’s and Parishes net spending on services.

(d) The difference between 2(a) and 2(b) is £8,615,281 and this is the amount we need to charge Council Taxpayers. This is divided by the base (see 1(a) above) and the resulting figure of £224.69 is the average Band D Council Tax for all Borough and Parish services.

(e) The total of all the amounts needed from Council Taxpayers by the Parish Councils in the area and for Chorley Borough Special Expenses.

(f) This is the Band D Council Tax for Chorley Borough Council’s own services, ie. excluding Parish Council spending and Special Expenses

### RESOLUTION 4

Lancashire County Council, Lancashire Fire Authority and the Police & Crime Commissioner for Lancashire are separate bodies who have worked out their own estimates of spending and income for 2023/24 and have set taxes in a similar way to Chorley Borough Council. This resolution notes their final decision.

## RESOLUTION 5

This pulls together the Council Taxes for Chorley Borough Council, Lancashire County Council, the Police & Crime Commissioner for Lancashire and Lancashire Fire Authority. For example, the aggregate amount for Band D is £2,090.24 made up as follows:

	£
Chorley Borough Council	181.81
Lancashire County Council	1,574.71
Lancashire Police Authority	251.45
Lancashire Fire Authority	82.27

The rate for each property Band is calculated by reference to the Band D charge. The following ratios apply:

Band A	$\frac{6}{9}$ ths of Band D
Band B	$\frac{7}{9}$ ths of Band D
Band C	$\frac{8}{9}$ ths of Band D
Band D	$\frac{9}{9}$ ths of Band D
Band E	$\frac{11}{9}$ ths of Band D
Band F	$\frac{13}{9}$ ths of Band D
Band G	$\frac{15}{9}$ ths of Band D
Band H	$\frac{18}{9}$ ths of Band D

The aggregate charge for Band A, for example, the charge is  $\text{£}2,090.24 \times 6 \div 9 = \text{£}1,393.50$ ; for Band B it is  $\text{£}2,090.24 \times 7 \div 9 = \text{£}1,625.74$ .

## RESOLUTION 6

Formally authorise the necessary staff to take legal action to collect arrears as and when this is necessary. **For the vast majority of taxpayers, this is not needed**

## 87 Any urgent business previously agreed with the Mayor - Notice of Motion

The Mayor accepted an urgent item of business on the basis that it was time constrained.

Councillor James Nevett proposed, and Councillor Jean Sherwood seconded the following Notice of Motion:

“The week 27th February to 5th March marks Eating Disorders Awareness Week (EDAW) in the UK, a time marked annually to increase awareness of the more than 1.25 million people who suffer from eating disorders in the United Kingdom (according to Beat, the UK eating disorder charity) and the millions of people who are indirectly affected as family, friends and loved ones. For 2023, the theme of EDAW is raising awareness about male sufferers of eating disorders who often go ignored or overlooked. One in four sufferers of eating disorders are men, yet harmful stereotypes about eating disorders only affecting girls and women, that they are about attention-seeking, that male sufferers just enjoy ‘working out’, or they are ‘fussy eaters’, persist. Research from Beat suggests that 1 in 5 male sufferers have never spoken out, 3 in 5 were disappointed with the support available, and 4 in 5 believed greater awareness would help men to access treatment sooner.

Therefore, this motion calls on the council to acknowledge the importance of Eating Disorders Awareness Week and raising the profile of male sufferers. This motion encourages the council’s Lead Member for Health Services and the Champion for Mental Health Awareness to raise the importance of improving NHS eating disorders services for both children and adults wherever possible, and to highlight these issues in their work with community groups and partner organisations. This motion calls on the council to establish an eating disorders support page on its website in the residents section, alongside the current pages on alcohol, drugs, smoking and adult mental health, to signpost members of the public to the support available from Beat and the Lancashire & South Cumbria NHS Foundation Trust. The council should have available the range of digital and print resources published by Beat which provide useful information on eating disorders, how sufferers can access treatment, and advice to family and friends who support loved ones suffering from eating disorders.”

Councillor Le Marinel thanked Cllr James Nevett for bringing the important motion forward to Council and the proposed an amendment which was seconded by Councillor Margaret France. Following discussion, a friendly amendment was agreed.

**Resolved (unanimously) to support the amended Notice of Motion as follows:**
