

# **CIPFA Better Governance Forum**

## **Introduction to the Knowledge and Skills of the Audit Committee**

In house delivery – venue provided by client

Date

### **Purpose**

This course is intended for audit committee members and officers who work closely with the committee. It covers key areas of responsibility and brief committee members on current guidance. It will help you to make a more effective contribution to your audit committee and support your committee to improve its overall impact.

During the webinar we will encourage discussion, questions and sharing of experiences with audit committees. Delegates are welcome to contact the organiser in advance to highlight specific areas.

### **Learning Outcomes**

By the end of this course you will:

- Understand the wider roles and responsibilities of the audit committee and the importance of gaining assurance
- Know how current developments will impact on the work of your committee and shape its agenda.
- Be better placed to work with your internal auditors, including understanding the requirements of the Public Sector Internal Audit Standards
- Appreciate how the audit committee should work with others to improve the management of its organisation's risk
- Have improved the practical skills required of committee members
- Have developed an appreciation of where an audit committee can add value and how to demonstrate its effectiveness.

### **Who Will Benefit**

This course is designed for audit committee members in the public sector, both elected and independents. Officers who support audit committees will find this course a useful opportunity to gain an unfettered view of what members really expect of them.
