08.GP.24 ALCOHOL CONSUMPTION IN DESIGNATED PUBLIC PLACES CRIMINAL JUSTICE AND POLICE ACT 2001

The Corporate Director (Neighbourhoods) submitted a report recommending the Council to undertake a consultation exercise on a proposal to make a Designated Public Place Order under the provisions of the Criminal Justice and Police Act 2001 in respect of the area surrounding the Leisure Centre complex and Springfield Road, Coppull and the vicinity of German Lane as defined on the plan accompanying the Director's report.

With the agreement of the Committee, Councillor K Ball outlined the history of anti-social behaviour in the area and measures taken to try and address the problem.

Residents in the area of Coppull had suffered from anti-social behaviour caused by drunkenness over a long period and various schemes and measures introduced in the past had had varying degrees of success, but had failed to eradicate the problem. The Police had now supported current proposals to consult on the Order, which if introduced would provide a further tool for the Police to tackle alcohol problems. Councillor Ball asked that an extension to the area put forward in the report be considered. This would extend the area covered by the Order to include Darlington Street up to the playing fields.

RESOLVED - That the Council consult the persons, organisations and businesses identified in the appendix to the submitted report on a proposal to make a Designated Public Place Order under Section 13 of the Criminal Justice and Police Act 2001 in respect of the area within Coppull defined on the plan attached to the submitted report, but amended to cover the additional area of Darlington Street up to the playing fields.
