

PROJECT GRIFFIN – COUNTER TERRORIST TRAINING

- Emergency Planning Officer attended trained by Greater Manchester Counter Terrorist Security Officers to deliver Project Griffin training package
- Emergency Planning Officer delivered Project Griffin to Corporate Management Team for them to decide if it should be cascaded further. Decision made to deliver modules 1- 4 to all frontline staff
- Emergency Planning Officer arranged training sessions for individual departments (no more than 10 staff per session) lasting approximately 1.30hrs
- Up to 1st Dec the following teams have received Project Griffin Training
 - Environmental Health (Pollution & Contaminated land) 5)
 - Environmental Enforcement (3)
 - Community Safety (1)
 - Anti Social Behaviour (2)
 - Countryside Rangers (4)
 - Leisure Team (5)
 - Refuse & Recycling (50)
 - Cleansing (30)
 - Grounds Maintenance (20)
 - Building Control & Planning enforcement (10)
 - Property Services (repairs) 12
- A further 5 sessions are planned in December(approx. 40 staff) and then any other outstanding teams will receive training in January
- A session will be planned for Parish Councils in the New Year.
- So far feedback from the sessions has been very positive with good discussions taking place throughout the sessions.
- The main modules covered have been
 - What is Project Griffin
 - Current Threat profile
 - Suspicious Behaviour
 - Bombs
